

Judges & Scorers Policy Manual

Revised April 2026

PURPOSE

The American Water Ski Association (AWSA) Judges and Scorers Development Program is designed to provide each official with the experience and knowledge necessary to create the best possible environment for competitive water skiers. It is the goal of this program to improve the skill levels of these officials while ensuring consistency of expertise nationwide. Advancement to all rating levels (Assistant, Regular, and Senior) is achieved through the three steps of participation, education, and evaluation, common to all AWSA officials' development programs.

STEP ONE – PARTICIPATION

There are quantitative requirements to be met to attain, maintain, or upgrade a Judge or Scorer rating. Typically, these requirements are attained by working in a variety of capacities at tournaments, sanctioned by USA Water Ski & Wake Sports (USA-WSWS)/AWSA, to gain experience. AWSA publishes Quantitative Requirements for Advancement and Renewal for all levels of Judge and Scorer.

Three, Two, or Single Event Ratings: An individual working to acquire, maintain, or upgrade a rating must complete the quantitative requirements for each event for which he is seeking/maintaining the rating.

Rating Maintenance: Assistant, Regular, and Senior Judges and Scorers need to complete the tournament requirements published in AWSA's [Quantitative Requirements for Advancement and Renewal](#), to maintain their ratings during each four-year period *effective January 1, 2020*.

Rating Upgrade: There are quantitative requirements to be met to advance to Regular, Senior Judge, or Scorer. Work performed should be recorded on the scoring computer's data file at each tournament and should also be recorded by the official on an [Official's Personal Performance Record](#) as a backup. It is the responsibility of the official to ensure that his work is accurately recorded, and to verify that their work credits are posted to the online Official's Record.

Aspiring Assistants: Individuals seeking an assistant's rating use an [AWSA Application for Assistant Judge](#) or [AWSA Application for Assistant Scorer](#) form, available on USA-WSWS' website, which lists the duties to be performed to acquire the rating. Each of these duties must be completed within a three-year time frame. Once the completed form is sent to USA-WSWS and verified, the aspiring official will receive an email notification with instructions on how to print an official's qualification card indicating an Assistant Judge or Scorer rating

Tournament Credit: Officials should hold the necessary rating (Senior, Regular, or Assistant) to work each class of tournament (R, L, E, C, or F) as set forth in the AWSA Rule Book. To receive credit for judging a slalom or tricks event, an official must serve as an event or boat judge. For the jumping event, credit is given for shore or boat judging, or operating the jump measurement system. When using video jump measurement, the keyboard operator may receive credit for working the event as both a judge and a scorer. To receive credit for scoring a slalom or jump event, an official may score on the computer or on paper when no computer is available or assist the computer operator as "paper backup." To receive credit for scoring a trick event, an official may assist in reconciling and totaling the trick scoring forms or scoring on the computer. In all cases, at least six skiers must be judged/scored to receive tournament credit. *With the approval of the Chief Judge, officials with multiple ratings may receive credit for working as an official for all ratings held when working as an official during a tournament, even if the official was unable to work each event due to the low volume of skiers.*

Multiple Officials' Rating Credit: An individual is eligible to serve as a judge and/or scorer at a tournament and receive credit for each official's rating. However, only one credit is awarded per official's rating category (judge or scorer) per tournament. For example, although an individual is an Assistant Chief Judge and may also judge one or more events at a tournament, a single tournament rating credit as a judge is earned.

GrassRoots Tournament Credits:

- Rated judges and scorers receive *maintenance credit only* for work at GrassRoots tournaments. Work at GrassRoots tournaments does not count toward rating upgrades.
- Aspiring assistant slalom and trick Judges or scorers may obtain quantitative credit towards becoming an Assistant Judge or Scorer at Grassroots slalom tournaments. The quantitative requirements are the same as for aspiring assistants working at Class C tournaments, except that no judging supervision is required by a Regular or Senior Judge. Chief Scorer's approval of work performed is required for scoring.

Regional/National Tournament Credit for Aspiring Senior Officials: Credit may be obtained by work performed at either a Regional or National tournament, at the NCWSA Nationals. The NCWSA Regionals and All-Stars shall not count toward fulfilling this quantitative requirement. The aspiring official may substitute work at a large Record Tournament (50+ E/L/R skiers) to be counted towards one of the Regional/National Tournament credits required to upgrade. The aspiring official must contact ASWA to have this credit verified and request the substituted credit.

Record Tournament Credit for Assistant Officials: Except at the National Tournament, Assistant Judges and Scorers may receive credit for working an event at a Record Capability tournament as set forth in AWSA Rule 15.05(c), or when an event is worked under the "direct supervision" of one of the event officials who is responsible for judging or scoring the event. "Direct Supervision" means that the supervising event official must be physically present with the assistant official during the event. The supervising event official must meet all applicable ratings and other requirements with respect to the event and shall be responsible for judging the contestant's score. In the slalom and jumping events (and tricks event with respect to scoring only), the assistant official may initially judge the contestant's score, subject to revision or correction by the supervising event official. In the tricks event, an Assistant Judge may work as an "extra" trick judge (who shall not replace any of the event judges) whose score shall not be utilized to determine the contestant's score. Assistant officials working pursuant to this policy may receive event judging or scoring credit at Record Capability tournaments. In all cases, a minimum of six skiers is required for tournament credit.

Work Abroad: Work performed per our guidelines in non-USA-WSWS/AWSA-sanctioned Record Capability tournaments taking place outside of the country will be credited upon submission of proof of performance to USA WSWS.

Tournament Requirements

- **Non-AWSA Officials:** Non-AWSA rated officials may officiate as Event Judges at USA-WSWS/AWSA-sanctioned tournaments in accordance with Rule 6.10. The majority of Event Judges must be AWSA-rated officials at Class R and L tournaments.

STEP TWO - EDUCATION

Education is provided through USA-WSWS/AWSA-sanctioned Judges and Scorers Clinics. The three types of clinics are:

- In-Person: typically conducted in a classroom-type environment. The classroom provides a more interactive environment for participant discussions.

- Online (Go-to Meeting or similar media): May be combined with an in-person clinic. This method of “virtual” attendance provides opportunities to participate in clinics that are not held locally.
- Continuing Education (CE): Online modules are available through the AWSA website under “Officials Resources”. Modules include General, Slalom, Trick, and Jump. A separate clinic fee applies for Judge & Scorer modules.

Clinics are conducted by Senior Judges and Scorers selected by the Judges and Scorers Committee representatives. Clinic instructors may be located by going to the [USA-WSWS Officials’ Directory](#). Select the applicable checkboxes for the region or state to be searched, and then select the following options:

- Sport Discipline = AWS
- Rating Type = Judge or Scorer
- Level = All
- Check the box “Limit to Instructors Only.”

There is a USA-WSWS clinic registration fee for each clinic participant. A clinic may also count as one of the required tournament credits each calendar year. For those counting clinics toward their maintenance requirements, it is highly recommended that at least one clinic be an In-Person clinic.

Clinic Maintenance Requirements: To maintain their rating, all Regular and Senior Judges and Scorers must attend an Officials’ Clinic once every four years. USA-WSWS will notify all officials that they must attend a clinic in the last year of this time frame. Failure to comply with clinic maintenance requirements will result in an automatic downgrade to the next lower rating.

Clinic Credit for Instructors and Participants: Clinic instructors are exempt from paying the clinic registration fee and receive full credit toward their clinic maintenance requirements. Individuals with a judge and scorer rating receive credit for both at a Judges & Scorers Clinic.

Clinic Duration: It is recommended that a clinic on all three events include six hours of instruction/discussion.

STEP THREE - EVALUATION (TESTING FOR UPGRADE)

The program offers single event, two event, or three event, as well as cross-over ratings (i.e., Senior rating in one event, Regular in the other two). Testing is both written and practical for Slalom and Trick, and Jump has a written test only. **Testing Procedures:** Once **ALL** advancement requirements, including a clinic, are complete for a given rating level (see [Quantitative Requirements for Advancement and Renewal](#)), officials wanting to upgrade should contact the USA-WSWS Officials’ Coordinator. USA-WSWS will verify that all requirements have been met and will send directions to complete the written and then the practical exams.

The Regular Judges and Scorers written tests are emailed from USA-WSWS Headquarters, completed at home as an open book, and sent back to USA-WSWS for grading. For aspiring Regular Scorers, this test serves as the practical portion as well. Upon passing the written test, aspiring Regular Judges will receive an email notification from USA-WSWS Headquarters with instructions on how to locate a test administrator in their area. USA-WSWS will also copy the regional Judges and Scorers Committee representative to notify them that the official is eligible for practical testing. The Senior Judges and Scorers written tests are administered under the supervision of a test administrator. It is the responsibility of the aspiring official to contact the test administrator and arrange a convenient date and location, and advise the committee representative and USA-WSWS.

Aspiring Senior Judges must also take the written portion of their evaluation on the same occasion as the practical test. For aspiring Senior Scorers, both the written and practical tests are administered in this manner as well.

Testing Opportunities: Aspiring Judges/Scorers may take the tests on two different dates per calendar year.

Written Test Format: The open-book tests for Regular Judge, Regular Scorer, Senior Judge, and Senior Scorer consist of questions relating to the slalom, tricks, and jump events, along with questions of general application. Passing percentages are:

- Regular Judge/Scorer: 80% for each section
- Senior Judge/Scorer: 85% for each section

Practical Test Format: The practical exam for judges involves the use of video. Aspiring Regular and Senior Slalom Judges will call several slalom runs. Aspiring Regular and Senior Tricks Judges will call several trick runs, with trick scores ranging from 3,000 to 5,000 points for Regular and 6,000 to 9,000 points for Senior. The applicant is evaluated on recognition of tricks. Aspiring Senior Judges are also graded on deciding credit/no credit.

- Regular Judge: 80% for each event (slalom and tricks)
- Senior Tricks Judge: 80% for credit/no credit; 90% for recognition
- Senior Slalom Judge: 80%

Practical Test for Scorers: The practical test for Senior Scorer is in a written test format. The practical test consists of two sections of questions dedicated to each of the slalom and tricks events. There is no practical exam for Regular Scorer; the Regular Scorer's written test serves as the practical test as well. Passing percentages are:

- Senior Scorer: 80% for each event (slalom and tricks)

Pan Am Judge's Rating: A Senior Judge who seeks to be appointed as a Pan Am Judge to IWWF-sanctioned events must take written and practical exams, more extensive and challenging than those for Senior Judge, to become certified by the Pan Am Tournament Council of IWWF. Pan Am tests will be administered by a current Pan Am official tester. Please contact USA-WSWS for information on how to begin the testing process.

FAST-TRACK OPTIONS

Based on Skier Performance: The following policies are offered as alternatives to meeting quantitative requirements or to expedite meeting requirements:

- **Aspiring Assistant Judge:** Ranking List Level 8 skiers and higher may obtain an Assistant Judge's rating in each event that a Level 8 or higher ranking is held by sending an Assistant Judge's application, with the top portion completed, a written request made by the applicant, or a request made by a Regular or Senior official on behalf of the applicant. Level 7-rated skiers may complete only those blanks on the application indicated with an asterisk (*) for each event in which a Level 7 rating is held. This application should be mailed or scanned and emailed to USA Waterski, attention "Officials".
- **Aspiring Regular Judge:** Assistant Judges may apply to test to upgrade to Regular Judge in Slalom, Trick, or Jump upon:

1. a. holding a current Ranking List position in the upper half of Level 8 (by event); or
 - b. holding a current Ranking List position in the upper half of Level 8 in two events and overall to allow testing in all three events. .
2. Complete a sanctioned Judges Clinic; and
3. Submitting a resume to the Judges and Scorers Committee for approval (by a majority vote) demonstrating that the applicant has adequate experience and knowledge (substantially equivalent to applicants participating in the traditional judges/scorers training and evaluation programs) to properly judge the event(s) for which an upgrade is sought.
4. Take and pass the appropriate written and practical tests.

• **Aspiring Senior Judge:** Skiers who hold current “Elite Qualified” status on the Ranking List may also apply to test for a Senior Judge's rating (bypassing the Assistant and Regular ratings) upon meeting the following requirements:

1. a. The skier must hold a current Elite qualification (Open or Masters), Level 9, in the event(s) for which the Senior Judge's rating is sought, or
 - b. Skiers who hold a current Ranking List of Level 9 or higher in two events and overall may apply to test for Senior in all three events.
2. The applicant must have attended a Judges Clinic or completed the appropriate online modules that will serve as a clinic.
3. Take the written and practical tests.

Fast Tracking for officials based on working credits:

- **Aspiring Senior Judges who are over 18:** may reduce the number of non-Regional/National tournaments required by serving as Chief Judge more than the minimum three times. This experience will substitute for working two tournaments each time it is done, for a maximum of three times. Therefore, the aspiring Senior Judge will have served as Chief Judge for a minimum of three or a maximum of six countable times. This reduces the current requirement by up to three tournaments and provides more relevant experience.
- **Aspiring Regular Scorer:** Assistant Scorers may apply to test (in a supervised examination setting) to upgrade to Regular Scorer in Slalom, Trick, or Jump upon:
 1. serving as an Assistant Chief Scorer at three or more tournaments (Class C or E); and 2. attending a sanctioned Scorers Clinic or completing the appropriate online modules that will serve as a clinic.
 3. Submitting a resume to the Judges and Scorers Committee for approval (by a majority vote) demonstrating that the applicant has adequate experience and knowledge (substantially equivalent to applicants participating in the traditional judges/scorers training and evaluation programs) to properly score the event(s) for which an upgrade is sought.
 4. Take the written and practical tests.
- **Aspiring Regular Scorers:** may reduce the number of non-Regional/National tournaments required by working as follows: The aspiring Regular Scorer must, alone, set up a tournament on a computer, take charge of the scoring of all events and posting scores, and submit required results and reports under the supervision of the Chief Scorer. This

experience will reduce the quantitative tournament requirements by one tournament and may be performed twice. Verification of this work can be provided to headquarters via email from the Chief Scorer to officials@usawaterski.org. The aspiring Regular Scorer is responsible for coordinating with the Chief Scorer to ensure work credit is reported to headquarters.

- **Senior Judges aspiring to be a Regular Scorer:** may obtain a Regular Scorer rating by attending a scoring clinic and sending a request to USA WSWS, Attention Officials' Programs (officials@usawaterski.org).
- **Aspiring Senior Scorer:** Aspiring Senior Scorers may reduce the number of non-Regional/National tournaments required by serving as Chief Scorer more than the minimum three times. This experience will substitute for working two tournaments each time it is done, for a maximum of three times. Therefore, the aspiring Senior Scorer will have served as Chief Scorer for a minimum of three or a maximum of six countable times. This reduces the current requirement by up to three tournaments and provides more relevant experience.

MILITARY SERVICE: Active military will have a pause in their 4-year time requirement for renewal while serving active duty. The official will contact the Judges and Scores committee Chair to supply the timeline of active duty. The chairman will then notify USA WSWS at officials@usawaterski.org

HARDSHIP

The Judges and Scorers Committee has the responsibility of ensuring that all officials have the skills necessary to ensure skiers the best possible environment and that these skills have not eroded because of a lack of practice. There are, however, exceptional situations that prevent an official from meeting the renewal requirements. An excusable hardship involves an event or condition over which an official has no control. In other words, the event or condition is not self-imposed, and personal choice has not been exercised. Each hardship request will be considered on its own merits. The following are hardship examples and are not all-inclusive:

- Excusable Conditions:
 1. Medical problems - major injury or illness, surgery, etc.
 2. Temporary job assignments lasting two months or more over which the official has no control
 3. Pregnancy
- Inexcusable Conditions:
 1. Non-awareness of renewal requirements
 2. Personal error in record keeping
 3. Lack of tournament attendance due to other personal activities

An individual applying for hardship may complete an [Application for Hardship Renewal](#) and return it to their regional Judges and Scorers Committee Representative. The representative will forward the form with a Regional Committee member recommendation to the Judges and Scorers Committee Chairman for circulation and voting by the National Judges and Scorers Committee. The petitioner will be informed via email from USA-WSWS of the approval or denial of his request. In most cases, a make-up clinic (online or in person) will be required in lieu of missing credits. The deadline for submission is May 31 of the year following the downgrade or 60 days after the official USA-WSWS notification of the downgrade, whichever is later.

REINSTATEMENT

Any official who is not granted renewal due to his lack of work in a given calendar year (for example, a 4-year renewal period

ending 12/31/2023) loses his rating as of January 1 of the next year (1/1/2024 in this example), will be granted a "grace period" to complete a clinic through May 31st of the following year. This clinic can fulfill a missing clinic credit or 1 missing tournament credit.

Any official seeking reinstatement after being downgraded must apply for reinstatement within five years.

Judges and scorers applying for reinstatement must have held the rating applied for within the last five years, as verified by USA-WSWS Headquarters. Applicants not meeting this requirement must start over. Once an official is reinstated at a given rating, he regains all credit he had originally obtained toward advancement to the next rating.

Assistant Judge or Scorer: If a person has held a valid Assistant Judge or Scorer rating in the previous five years, the individual may reinstate his assistant rating by attending a USA-WSWS/AWSA-sanctioned Officials' Clinic. The clinic registration form should clearly indicate that the person is applying for reinstatement, so USA-WSWS Headquarters can verify previous tournament credits. The official should follow up with Headquarters.

Regular Judge or Scorer: If the applicant has held a valid Regular Judge or Scorer rating in the previous five years, the individual may reinstate his Regular rating by first attending a USA-WSWS/AWSA-sanctioned Officials' Clinic. Upon completion of the clinic, the applicant must contact USA-WSWS headquarters (officials@usawaterski.org), who will verify the date the rating was downgraded to Assistant and then email the appropriate written test. The Regular Judge candidate will be notified by USA-WSWS via email of passing the written test and readiness for practical testing, along with how to locate a test administrator in their area. The regional Judges and Scorers Committee representative will also be copied. The applicant will be reinstated as a Regular official upon successfully retesting. Upon successful completion of the written test for Regular Scores, USA-WSWS will notify reinstating Regular Scorers via email with instructions on how to print an updated official's qualification card.

Senior Judge or Scorer: If the applicant has held a valid Senior Judge or Scorer rating in the previous five years, the individual may have his Senior rating reinstated by first attending a USA-WSWS/AWSA-sanctioned Officials' Clinic. Upon completion of the clinic, the applicant must contact USA-WSWS (officials@usawaterski.org), who will verify the date the rating was downgraded to Regular and send notification to the applicant, regional Judges and Scorers Committee representative of readiness to take the written and practical testing. The applicant will be reinstated as a Senior official upon successfully retesting.

Pan Am Judge: A Senior Judge who also holds a Pan Am rating must meet the normal AWSA reinstatement requirements (clinic, written, and practical tests) for Senior Judge, except that one or both tests may be waived if the Pan Am equivalent was passed in the year for which non-renewal resulted in a need for reinstatement.

SENIOR JUDGE OR SENIOR SCORER EMERITUS

A Senior Judge or Scorer may be recognized as a Senior Emeritus if he has made a significant and lasting contribution to the sport of water skiing during many years of service. Although there is no application form, certain requirements, listed below, must be met. The intent is to honor these individuals, prevent forced retirement, and allow them to stay in the ranks to use and share their expertise and experience.

Emeritus Requirements

1. The applicant must have been an active Senior Judge or Senior Scorer for ten years or more (need not be active at time of submission).
2. Official must have acted in some capacity on the National level, for example, as judge or scorer at the Nationals (appointed or assigned); member of a National Committee; Regional Councilperson; National Director; Chief Judge or Assistant Chief Judge at a Regional tournament or Tournament Director for a Regional or National tournament,

etc. WSDA Nationals work is also eligible for consideration.

3. The applicant must send a written request to his regional Judges and Scorers Committee representative, requesting that he be allowed to move to this position if he meets the above requirements.
4. The regional Judges and Scorers Committee representative must bring the application before the Regional Council of the candidate's home region to be voted on.
5. Upon receiving regional approval, at the request of the committee chairperson, the candidate will be presented to the National Judges and Scorers Committee for approval (2/3 vote necessary), then on to the AWSA Board of Directors for final approval (majority vote).
6. After final approval, USA-WSWS will notify the applicant and provide instructions on how to print an updated official's qualification card, which allows the official to serve as Chief, Assistant Chief or Judge or Scorer in any tournament up to and including Class C, or as an event judge (equivalent to an Assistant Judge) at a Class E event.
7. There are no maintenance requirements for these ratings other than maintaining a current USA-WSWS membership (minimum of Supporting membership; Active membership required to officiate).

Emeritus Reinstatement: Emeriti are eligible for reinstatement under these same guidelines.

RETIRED STATUS

Regular or Senior Judges and Scorers may retire at their present rating levels provided they have held a Regular or Senior rating for a minimum of five years. Retirement means that no further officiating is allowed. If, during the next five years, they wish to work tournaments again, they will be awarded their former ratings upon attending a clinic and successfully completing both written and practical exams. This procedure permits all officials to retire with dignity if they are no longer able to work at tournaments and have not met the requirements for Senior Official Emeritus.

To apply, the official must send a letter requesting "Retired" status to USA-WSWS, Attention Officials' Programs (officials@usawaterski.org), their regional Judges and Scorers Committee representative, and their Regional Executive Vice President. USA-WSWS Headquarters will send the candidate a letter of confirmation and a certificate honoring their years of service.

PERFORMANCE EXPECTATIONS

Judges and Scorers are an essential part of tournaments. Be prepared and thorough in the performance of your assigned duties. It is a good idea to have the current rule book available in case you need it for reference or review. Be familiar with site judging and scoring areas as well as event practices and protocols. Judges should confirm with the scorers your name and position for each event. Scorers should be mindful to enter event officials to the tournament record for each event and round to ensure proper credit is received. Be ready at your assigned position before the event begins. Plan for the duration of your assignment (water, sunglasses, etc.). Some assigned positions carry different levels of responsibility. Volunteer for event positions that you are confident you can perform. Be prepared for what may be expected of you as an event official.

DISCIPLINE

As a Judge/Scorer, you are expected to abide by the rules set forth to govern all sanctioned tournaments. It is your responsibility to know and understand these rules. Any Judge/Scorer who does not abide by established event rules will be subject to disciplinary action. Actions may include a letter of reprimand, suspension, and/or demotion of rating, depending

on the nature of the incident and any past occurrences. Any suspected disregard of the rules should be reported immediately to the Chief Judge as well as to the regional Judges and Scorers Committee representative, and copying the Judges and Scorers Committee Chair as soon as practical. Reported incidents will be reviewed, and an appropriate course of disciplinary action will be determined.

DEFINITIONS AND OPTIONS TO SERVE IN TOURNAMENTS

Assistant Judge: An Assistant Judge may serve as an Assistant Chief Judge or Event Judge in any Class C or lower tournament (and as a slalom event judge or tricks boat judge in any Class E tournament), as well as work (for credit only) under the supervision of a Regular or Senior Judge in a Record Capability tournament, as discussed previously in this manual.

Assistant Scorer: An Assistant Scorer may score or serve as Assistant Chief Scorer or Event Scorer in any Class C or lower tournament. Assistant Scorers may also work (for credit only) at Record Capability tournaments under the direct supervision of a Senior or Regular Scorer, and under the general (not direct) supervision of a Senior Scorer and with the approval of the Chief Judge when there are not enough qualified scorers available.

Regular Judge or Scorer: A Regular Judge or Scorer over the age of 18 may serve as Chief Judge or Chief Scorer in any Class C or lower tournament and as an Event Judge or Scorer at Class E or L events, with a majority of Senior Judges in Class L events.

Senior Judge or Scorer: Senior Judge or Scorer is the highest national rating offered by AWSA. This official may serve as Event Scorer or if over 18, may serve as a Chief Judge or Chief Scorer at all USA-WSWS/AWSA-sanctioned tournaments.

Assistant Chief Judge or Scorer: An Assistant Chief Judge or Scorer at Class C or lower tournaments may be an Assistant, Regular, or Senior Judge or Scorer. At all Record Capability tournaments, except the Nationals (Senior required) and the Regional tournaments, he shall be a Regular or Senior Judge or Scorer. His role is determined by the Chief Official. At local tournaments, he may be asked to assign all judges or scorers and substitute for the Chief if necessary.

Chief Judge or Scorer: The Chief Judge or Scorer over the age of 18 at Class C or lower tournaments shall be a Regular or Senior Judge or Scorer. At all Record Capability tournaments, he shall be a Senior Judge or Scorer over the age of 18. The Chief officials are responsible for ensuring the validity of the sanctioning classification and the correct implementation of all rules and for assigning all working personnel, a role that may be delegated to their Assistants or others. With the assistance of the Chief Scorer, the Chief Judge makes certain that all the necessary paperwork is forwarded to USA-WSWS' Competition Department.
