[USATKD Conflict of Interest Policy](#)

A conflict of interest exists when a personal, family, financial, professional, club, team or business relationship or interferes with, or maybe perceived to interfere with a committee member's ability to be impartial and participate in the selection process in a fair and impartial manner. Any member of the Selection Committee who has an actual, possible, or perceived conflict of interest must disclose it to the NGB's Ethics Committee prior to the start of the

USA TAEKWONDO

KYORUGI Athlete Selection Procedures

2026 U21 National Team

selection process and may be required to recuse themselves from the Selection Committee discussions and/or voting.

If a conflict exists, the NGB's Ethics Committee shall review the conflict and determine the committee member's level of involvement (e.g., whether that committee member must recuse themselves from participating in discussions and/or voting).

During its review, the NGB Ethics Committee may ask a Selection Committee member or an affected person for more information at its discretion. For example, if a Selection Committee member is required to recuse themselves from voting, the NGB Ethics Committee may still determine that a Selection Committee member who has relevant and necessary information related to athlete performance, such as a national team coach or high performance director, may, if requested by the Selection Committee, provide that information to the Selection Committee if the information is provided in a fair and unbiased manner and if the Selection Committee member with the conflict of interest does not vote toward the final decision.

Additionally, any person with a good faith belief that a committee member has a conflict of interest may report the alleged conflict of interest to the NGB Ethics Committee, smcnally@usatk.org. Reports may also be made anonymously through the [USOPC's Integrity Portal](#). No committee member shall retaliate in any way against a person who, in good faith, reports an alleged conflict of interest. In addition, the USOPC maintains a strict no retaliation policy that prohibits any employee, contractor, agent, volunteer, or member of the USOPC to take or threaten to take any action against an athlete for reporting information to or seeking assistance from the Office of the Athlete Ombuds.

Any recused individual shall be replaced in accordance with the NGB Selection Committee appointment process.
