James Page

## Agenda

1. Roll Call
2. Grassroots Discussion
3. 2023 Championships

## Notes

- The Grassroots Scholarship program was unanimously approved. Taylor emailed all the folks from the Carolinas who have successfully registered. This board was cc'd on the emails.
- Olga is following up on the website quotes. The Board listed out the exact pages & needs from those who replied. The original estimates from those who reached out is higher than our proposed budget. The Board will need to review these.
- The Board has approved Matthew Helms to host his Master's Program study during States.
- The board voted to extended the early bird pricing until July 31st. Over the next three weeks, each board member will post content to their feed regarding registration OR send Olga a video/content post for her to post on the official IG.
- Butcher gave an update on the plate situation from Sorinex.
- Christina has a viable option to get equipment from clubs in exchange for free spots.
