

## Mountain South WSO- Meeting

July 31, 2022

In attendance: Eric Bramwell, Jodi Stumbo, Carlos Hernandez, Amanda Cook, Jesse Vezina , Kristina Will, Jared Flemming

Started 6pm via What's app

Meeting started with Amanda discussing the agenda that was emailed prior to the meeting.

We discussed the WSO championship in October.

Mountain South will hold their championships in 4 different locations over a few weekends in October.

Eric stated he would get the sanction in this week. Each location will need to email Eric with the exact address.

We discussed entry fees and decided to charge anywhere from \$65-\$75 per entry.

Eric suggested a session size of 12-18 people so the meet could at least break even.

Eric suggested paying referees \$25 per session for each ref/speaker/ marshal position.

Jodi suggested paying the loaders and said that \$25 was more than USAW pays their refs at national meets.

Eric also suggested a family rate for families who have multiple lifters in the WSO championships.

We also discussed having the state championships at the same time as the WSO championships and charging an extra fee for lifters to participate in both.

Kristina suggested getting one WSO medal for 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> place and she has a lead on a person who can supply the medals. All medals would be sent to her and then she would mail them out to each lifter, who won their age category/weight class. These medals would be mailed out after the results came in for all meets.

We decided to meet again on Thursday, August 4<sup>th</sup> at 8/9pm PST/MST to see if this time would work better for the other board members.

Jodi said she will send out an iCal meeting invite for Thursday.

We also welcomed Jared Flemming to our meeting!!

Meeting ended at 8:03pm
