U.S. JUNIOR RACQUETBALL TEAM

TEAM QUALIFICATION AND SELECTION

A. Qualifying for the Team

The United States Junior National Racquetball World Cup Team is formed of individuals who have qualified by virtue of their finish at qualifying events including the Junior National Championships, High School National Championships, and Intercollegiate Championships. Those who make Team USA must achieve one of the following.

Junior National Championships

- Finalists in the Boys and Girls 21s, 18s, 16s, 14s, 12s, 10s Singles Championships divisions
- Champions in the Boys and Girls 21s, 18s, 16s, 14s, 12s, 10s Doubles Championships divisions
- Champions in the Boys and Girls 21s, 18s, 16s, 14s, 12s, 10s Mixed Doubles Championships divisions

High School National Championships

- Champions in Girls #1 Gold and Boys #1 Gold of the Singles division, if U.S. citizens, will become alternates when forming competition teams for IRF Junior World Championships
- Out of respect for their accomplishment, the High School National Champions in Singles are named to the Junior Team in their respective age division. To qualify for international competition on the team, they still must qualify at Junior Nationals as part of that process.

Intercollegiate Championships

- Champions in Men's #1 Gold and Women's #1 Gold of the Singles division, if U.S. citizens and meet age requirements, will become alternates when forming competition teams for the IRF World Junior Championships.
- Out of respect for their accomplishment, the Collegiate National Champions in Singles are named to the Junior Team. To qualify for international competition on the team, they still must qualify at Junior Nationals as part of that process.

B. Qualifying for IRF Junior World Championships in Two Singles Divisions

In the event that an athlete qualifies for the IRF World Junior Championships in two Singles divisions, the U.S. Junior National Team Head Coach will select the division or divisions in which that athlete will participate, based on the best interests of the Team.

If finalists from the National Junior Championships are unable to fulfill their position on the U.S. Junior Racquetball Team, the Team will be formed thusly:

Singles:

In the division from which a vacancy occurred:

- If a U.S. citizen, the winner of the #1 Gold division of the National High School Championships, taking into account the age of the player, or
3rd place at the National Championships
4th place at the National Championships
- Quarterfinalists (by order of seed) at the National Championships Festival Presented by Penn
- Head Coach's choice, approved by the U.S. Team Committee and/or the USAR Board of Directors.

Doubles and Mixed Doubles:

If one member of a Doubles and/or Mixed Doubles team elects to not compete at the IRF World Junior Championships, the U.S. Junior National Team Head Coach, based upon their assessment in pursuit of forming the strongest team relative to player strengths and weaknesses, will replace that player with:

- A player from the runner-up team, or
- A player who qualified as a Singles semifinalist in the age division

If both players of a Doubles team elect to not compete at the World Junior Championships, the runner-up team will be invited. If one member of the runner-up Doubles team elects not to compete at the IRF World Junior Championships, the other position will be filled per the one-player replacement process described immediately above.

Should a Doubles and/or Mixed team not be identified through the above processes, the U.S. Junior National Team Head Coach will assemble a team using their professional judgment and experience, with final approval by the U.S. Team Committee and/or the USAR Board of Directors.

C. Competing in More Than One Division

A player may be selected to participate in more than one division (singles, doubles, and/or mixed doubles). The U.S. Junior National Team Head Coach will select the division or divisions in which a player will participate based on the best interests of the Team. It is unlikely but possible that a player could be selected to compete in more than one age division.

ATHLETES' CODE OF CONDUCT

A. Basic Principle of Conduct

1. Conduct oneself in such a manner to bring credit and honor to oneself, one's teammates, USA Racquetball, and the United States of America.

B. Specific Principles of Conduct

1. As a U.S. Junior National Team member, the player recognizes they represent the sport and country at all times, not just at official team functions or tournaments.
2. The player must act as a responsible and respectful athlete at any racquetball-related function and always displays proper sportsmanship and respect to the people in the event.
3. The player agrees to not act in any way that would negatively represent the sport or country. Examples include, but are not limited to, swearing, abuse of racquetball equipment/facility, abusing the referee, coaching against the U.S. Team in any form, directly or indirectly. (See Penalties, p. 8)
4. The player must follow the rules established by USA Racquetball and any relevant organizations, including the venues where the player stays and competes (e.g., competition venues, Olympic Training Center, medical facilities, gyms).
5. The player must attend all individual and team meetings called by the coaching staff. Punctuality is required.
6. The player will exhibit good sportsmanship during all competitions and practices.
7. Team members will attend all opening and closing ceremonies and award presentations. Stand at attention for national anthems of all countries. Be respectful - talking, fidgeting, phone use, etc. is not acceptable.
8. The player agrees to submit all required reports and documentation to relevant USA Racquetball staff and coaches by their specified due dates.
9. The player adheres to tasks agreed upon by the coaches and player.
10. The player will refrain from possessing or consuming all alcohol or prohibited substances at any time at during an international event or training, regardless of age.

SAFESPORT/BACKGROUND CHECK

1. In accordance with the Center for SafeSport's Policies and Procedures, the player will complete the online age-appropriate SafeSport Training within 30 days of signing the handbook. Should a parent of a minor junior athlete prefer their athlete(s) not complete the training, the parent or guardian must complete it in their place.
2. If 18 years of age and over, the player must complete adult SafeSport training and pass a background check if a current background check is not on file.
3. The player will abide by the Code of Conduct, SafeSport Code, and applicable MAAPP Policies (see <https://www.teamusa.org/USA-Racquetball/SafeSport/MAAPP>).

US JUNIOR TEAM RULES AND POLICIES

A. Team Roles

1. The U.S. Junior National Team Head Coach oversees all aspects of coaching associated with the National Team. This includes being responsible for team selection (with approval by the U.S. Team Committee and Board of Directors) and any disciplinary action at the IRF Junior World Championships.
2. The U.S. Junior National Team Assistant Coaches advise in team selection as well as assist with Head Coach duties as needed.
3. The Staff Liaison or Team Leader is the official liaison between the team members and coaches with USA Racquetball. Any questions regarding travel, USA Racquetball policies and procedures, etc., should be directed to the staff liaison or team leader.
4. Two captains (one male, one female) are selected for each IRF Junior World Championships. The captains are the official liaison between the team and the coaching staff. The captains have the responsibility of leading by example as well as supporting the coaches and ensuring that all team members follow disciplinary standards as established by USA Racquetball for the team.

B. Practice, Clinics, and Training

1. Each player must attend and actively participate in practices and training programs developed by the coaching staff when at USA Racquetball trainings or events associated with Team USA (e.g., training camp, international events, exhibitions). Any exceptions to this rule must be approved in advance by the head coach or coaching staff. Medical documentation may be requested.
2. A player who requires medical attention, physiotherapy, or any special conditioning or rehabilitation program must do so without exception. Schedules should be worked out with the coach and the medical staff.
3. Every team member must be on time and ready to practice. If a player is late to practice, it is up to the coaching staff to determine the consequences, which may include exclusion from practice.
4. Non or late attendance to practice must be pre-approved (e.g., medical/dental appointments).
5. Players must report injuries or sickness to one of the coaching staff as soon as possible.
6. If a player fails to attend a mandatory event, function, or team training camp without prior permission, they may be suspended for a one-year period beginning the first day of the missed function or camp. This suspension includes all Team USA events (e.g., international competitions, exhibitions, trainings).
7. The Head Coach shall be notified as soon as a U.S. Team member feels there may be an absence from a required event. Excused absences may include, for example, illness, death of a family member, or pregnancy. Unexcused absences may include, for example, employment issues, other plans, events, or obligations. Determination of excused/unexcused absences will ultimately be decided on a case-by-case basis by the U.S. Team Committee and ratified by the USA Racquetball Board of Directors.

8. If a player resigns from the team, information regarding the resignation will be submitted to the U.S. Team Committee, which will evaluate circumstances regarding the resignation and present the decision to the Board of Directors for ratification. After evaluation, the resignation may be subject to the same penalties as failure to participate in a mandatory function. This policy ensures that players do not resign from their U.S. Team position in an effort to avoid a mandatory function or event and then re-qualify for the U.S. Team at the next qualifying event.

C. Uniforms/Attire

1. Proper uniforms, as designated by USA Racquetball, must be worn. The Head Coach or Team Leader will communicate to the team prior to the beginning of each event which additional apparel is acceptable to be worn (e.g., USA apparel from previous years). In all cases, the current official team apparel must be worn during semifinal and final matches.
2. The player is responsible for bringing all their team uniforms and equipment, including ample strung, ready-to-play racquets.
3. No part of any uniform or equipment may be altered, except for normal alterations for length, waist, etc. For example, the addition of other logos and sponsors are not permitted on any apparel or accessories (e.g., hats, socks).
4. The player is responsible for maintaining practice uniforms and equipment in good repair. Notify the coaching staff if a problem arises.
5. Official team warm-ups must be worn during award ceremonies, team and individual photographs, and interviews. Chewing gum or wearing hats, sunglasses, or open-toed shoes during these events are not permitted.
6. For award banquets, receptions, team dinners, and other occasions, appropriate clothing must be worn. Final decisions regarding dress standards at such events will be the responsibility of the Head Coach or Team Leader.
7. Current team uniforms and clothing may not be given, traded, or exchanged with other countries until the completion of competition. Under NO circumstances may any equipment be sold to individuals, clubs, or organizations, or may individuals participate in promotion of racquets, camps, clinics, etc., unless cleared in advance by USA Racquetball.
8. The player must wear only authorized team clothing in any photographs or news releases published in relation to official U.S. Team functions. When it is likely photos may be taken for publication on social media, websites, etc., official apparel must be worn (e.g., match competition, official photographs, media events/press conferences, meetings where athletes are representing USAR/the U.S. Team). At international competitions, the coach and team leader will provide guidance on what activities will apply, and when. With local events, common sense applies.
9. All official photographs taken by an official USAR photographer are completely owned by USA Racquetball.

D. Competitive Rules/Policies

1. The player will follow the protocols for practice and competition as designated for each tournament.

2. During a match (either as a player or spectator), everyone must follow the rules of the game. Any conduct or behavior deviating from those rules will be subject to disciplinary review.
3. No coaching against the U.S. Team or active support of another player from a competing country will be allowed in any direct or indirect form.
4. Any disagreement among players and/or coaches must be resolved during timeouts or at the end of the game in a non-public setting.
5. The player must show respect to officials at all times.

E. Travel Policies

1. For international travel, the player is required to possess a passport that expires no sooner than six months from the final date of scheduled competition. If a competitive event takes place in the U.S., a passport or other proof of citizenship must be provided.
2. Other than immediate family members, no one may stay in a room with a junior team player unless USA Racquetball is notified in writing (and it is approved) before the trip.
3. Coaches and staff will designate curfew times on an event-by-event basis. They will be enforced. Any variance (e.g., a scheduled late match) requires approval from a U.S. Team coach. Violation of these times will be penalized in accordance with established rules.
4. For safety and security, when in public outside of racquetball venues, team members should make every attempt to avoid wearing USA apparel.

F. Athlete/Family Financial Responsibility

1. If selected to compete at the IRF World Junior Championships or any other international events, each player (family) will have a financial requirement to cover expenses for their participation at any designated team training camps (e.g., Olympic Training Center).
2. If selected to compete, each player (family) will have a financial requirement to cover expenses for their participation in the IRF World Junior Championships or other international events.

G. Alcohol, Drug Policy, and Drug Testing

1. Absolutely no alcohol or prohibited substances may be possessed or consumed at any time during any official team function (Junior Nationals, team trips, Junior Worlds, etc.), regardless of the amount consumed. The player agrees to submit to testing for the presence of such substances and understands that refusal to be tested will result in disciplinary action.
2. USA Racquetball follows the guidelines as set forth in the USOPC Drug Control Program as administered by the United States Anti-Doping Agency (USADA). The International Racquetball Federation under the IOC follows the guidelines as set forth by the World Anti-Doping Agency (WADA).
3. USA Racquetball, USOPC, and USADA (usada.org) may drug test any athlete at random, during a competitive event, or at a training camp. The World Anti-Doping Agency (WADA) or any other anti-doping agency affiliated with the IOC/IRF may also test athletes. Tests may come with advance notification or be of the No-Advance-Notice (NAN) variety in accordance with WADA protocols and with adherence to athlete rights.

4. Further information, including a complete list of prohibited substances may be obtained at WADA's website: <https://www.wada-ama.org/en/prohibited-list>
5. The player agrees to immediately depart from any place where either alcohol or illegal drugs is either possessed or being consumed in violation of these rules.

H. Player's Bill of Rights and Due Process

Every member of the U.S. Team should become familiar with the "Player's Bill of Rights" as spelled out in the USA Racquetball Bylaws. The Player's Bill of Rights guarantees equal opportunity to all athletes to participate in athletic competition. Every athlete is guaranteed due process with fair notice and an opportunity for a hearing before being declared ineligible for competition.

1. USA Racquetball recognizes that private coaches who are not family members are at times engaged by a family to work with an athlete. Private coaches are welcome to attend and coach their clients/athletes with the stipulation that they must complete SafeSport training (including a background check) and complete the USA Racquetball Instructor Program (USAR-IP) 30 days prior to arrival at the event. Private coaches must agree to adhere to the same standards and conduct as the U.S. Junior Team Head Coach, Assistant Coaches, and Parent Coaches.
2. Private coaching arrangements/intentions to coach will be communicated to the US Junior Team Head Coach as soon as possible after the athlete has signed his/her US Junior Team contract but at least 30 days before the first day of event competition.
3. If a private coach has not been engaged for an athlete prior to an event, the U.S. Junior Team coaching staff will have full responsibility and latitude for coaching the athlete. No private coaches may coach during the event without having been approved prior to the event. In the unanticipated event of an emergency situation (e.g., an ill coach), a private coach may be asked to assist in coaching other athletes.
4. The private coach will communicate closely with the U.S. Junior Team Head Coach throughout the event so that the good of the team is considered along with that of the individual athlete.
5. The U.S. Junior Team Head Coach or an Assistant Coach will occupy one of the two coaching positions for each match as allowed per international competition rules. *(Note: Athletes are not permitted to coach other athletes at IRF events.)*
6. A U.S. Team Coach or Assistant Coach will be at the venue from the first match through the last match regardless of whether or not that coach is in a primary coaching role.
7. Private coaches are not considered part of the U.S. Team Coaching staff. They will not attend team meetings unless the Head Coach extends an invitation to participate in a particular meeting for a specific purpose. **Athletes who have private coaches at an event are not in any way exempt from their responsibilities to fully participate as a team member per the U.S. Junior Team Procedures & Protocols Handbook.**
8. Private coaches will adhere to the schedule as prescribed by the U.S. Junior Team Head Coach. Practice times and directly before, during, and at the end of the match are the extent of private coach participation with the team and its players.
9. If an issue arises between a private coach and the U.S. Junior Team coaching staff, the Team Leader or USAR Staff Member will act as liaison between the parties at the event and the U.S. Team Committee/USAR Executive Committee.
10. USA Racquetball will not be responsible for any costs associated with the presence of private coaches at event competitions.
