The U17 World Team, which consists of 28 wrestlers across the three Olympic disciplines, will compete in Baku, Azerbaijan, at the National Gymnastics Arena. Team USA is coming off a team championship performance in men's freestyle and a runner-up performance in women's freestyle.

The 28-person squad includes two-time reigning U17 World champion Taina Fernandez. 2025 U17 World medalists Epenesa Elison and Madison Healey are also back in the mix for the women's freestyle team. 2024 U17 World Team member Kaili Manuel is back on the world stage looking for her first World medal.

Team USA has two individuals pulling double duty in Baku in Rylen Wax (45 kg) and Arseni Kikiniou (65 kg), as they will both be competing in Greco-Roman and men's freestyle. Kikiniou is doubling up for the second-straight year at the U17 World Championships after winning two medals in 2024 (silver in men's freestyle and bronze in Greco-Roman). Kikiniou is the lone individual on the men's side who has previous age-group World Championship experience.

Despite new faces on the world scene, several first-time World Teamers are no strangers to competing for the U.S. and have collected age-group Pan American medals, including Wax, Evan Restivo, Chase Karenbauer, Camryn Howard, Salah Tsarni, Cooper Mathews, Aiden Arnett, Sophia Valdez, Isla Silva, Landri Von Gonten, Eve Skrocki and Marlee Solomon.

WRESTLERS TO WATCH

Taina Fernandez looks for her third-straight U17 World title after dominating the field in her first two championship runs. Competing at 61 kg in 2024 and 2025, Fernandez only allowed six points over the tournaments, which all came in one match against 2025 U17 World bronze medalist Zalina Totrova of UWW. Fernandez's 13-6 win against Totrova was her only decision victory over the last two years. In 2024 in Amman, Jordan, she scored an 11-0 technical fall in her first match and pinned her way to the gold medal. Last year in Athens, Greece, Fernandez notched two tech-fall wins, including an 11-0 contest in the finals against India's Yashita. Fernandez also picked up a pin in the semifinals. Along with her two World championships, Fernandez, who also qualified for the U20 World Team later this year, has seven age-group Pan American titles, with two coming in beach wrestling. After winning her two World titles at 61 kg, Fernandez is moving up two divisions to 69 kg this summer.

Arseni Kikiniou is set to compete in both men's freestyle and Greco-Roman at the U17 World Championships for the second straight year. In 2025, Kikiniou claimed the silver medal in men's freestyle after dropping a 1-1 decision on criteria against two-time U17 World medalist Huseyn Ismayilov of Azerbaijan. In Greco-Roman competition, Kikiniou lost an opening-round match to eventual champion Janes Nazaryan of Armenia, but then rolled through the repechage with a pin and a decision. For bronze, Kikiniou won a second-straight 5-1 battle. Kikiniou's 2025 also featured two gold medals at the Pan American Championships, where he won seven of his eight matches by technical fall and allowed only one point.

EPENASA ELISON

Epenesa Elisa returns to the U17 World Championships for the second straight year. In 2025, Elisa advanced to the finals and finished with a silver medal. After putting up double-digits in her first four matches, Elisa was stymied by China's Jiaqing Jiang in a 7-4 battle for gold. Elisa has been strong on the USA Wrestling and international circuits over the last few seasons. Along with making three U17 World Teams, Elisa has won two U15 Pan American titles along with the USA Wrestling Triple Crown in 2023. Earlier this year, she also won the Girls High School Showcase in Las Vegas.

Rylen Wax is making his World Team debut for the U.S. in Baku, and he is doing so after qualifying for the U17 World Team in both men's freestyle and Greco-Roman. Wax used a last-second ankle pick in the U17 Men's Freestyle World Team Trials to erase a four-point deficit with two seconds to go and win a 10-9 decision to earn spots on both World Teams. Wax won gold in men's freestyle and Greco-Roman earlier this spring at the U17 Pan American Championships. Last year, Wax won gold in Greco-Roman at the U15 Pan American Championships and silver in men's freestyle.

TOP STORYLINES

Men's freestyle looks for U17 World Championships three-peat

Men's freestyle is alive and well at all levels in the U.S. Team USA looks to three-peat as team champions after winning each of the last two team titles in the discipline. During the 2024 championships in Amman, Jordan, the U.S. claimed three gold medals and six total medals to compile 152 points to beat out Iran (132) in the team race. The U.S. and Iran found

themselves atop the team standings once again in Athens, Greece, last summer. A tight battle went to the U.S. with 154 points, followed by Iran's 150. Team USA's four gold medals and seven overall medals proved to be the difference in taking home the team trophy. The U.S. and Iran have been the top two teams in the team standings each of the last four U17 Worlds, with the U.S. winning the team title in 2025, 2024 and 2022, while Iran won the championship in 2023.

Youth movement on full display

Team USA has a mix of individuals who are in their last year of eligibility at the U17 level, along with some young newcomers of the 28 wrestlers on the U.S. roster; Rylen Wax, Evan Restivo, Sophia Valdez and Isla Silva come into the World Championships at age 15. Each of the four individuals has made a strong impact for Team USA on the continental front. Wax, Restivo and Valdez all won gold at the U17 Pan American Championships earlier this year. Silva and Restivo won gold at U15 Pan Ams in 2024, while Wax earned medals at last year's U15 Pan American Championships.

Team USA representing strongly at the Pan American level

The U.S. squad competing in Baku is no stranger to representing Team USA. Of the 28 wrestlers, 16 individuals have all competed for the U.S. at age-group Pan American Championships in their careers. Each has also medaled in their appearances for the U.S. on the continental level. Marlee Solomon is coming off an appearance at the U20 Pan American Championships just two weeks ago, where she won gold. Rylen Wax, Evan Restivo, Arseni Kikiniou and Taina Fernandez have taken part in U15 and U17

Pan American Championships. Cooper Mathews, Aiden Arnett, Salah Tsarni, Sophia Valdez, Landri Von Gonten, Eve Skrocki and Kaili Manuel have experience at U17 Pan American Championships. Chase Karenbauer, Camryn Howard, Isla Silva and Epenesa Elison have represented the U.S. at U15 Pan American Championships.

Coaching the next generation

The U17 World Team consists of the next up-and-coming American wrestling stars, and they are being coached by the best, who have been there. Some of the personal coaches on the delegation list for Team USA include Olympians Ivan Ivanov, Kayla Miracle, Steve Mocco and Aliaksandr Kikiniou. Two-time NCAA champion Jordan Oliver and NCAA All-Americans Mark McKnight, Matt Kocher and Cory Cooperman are also set to coach at the U17 World Championships.

U17 World Teamers at 2026 U.S. Marine Corps Junior Nationals

As the marquee 16U and Junior event of the season, the U.S. Marine Corps Junior Nationals just concluded this past week, featuring U17 World Teamers Ivan Ivanov, Aiden Arnett, Sophia Valdez, Marlee Solomon and Kaili Manuel producing impressive performances over the nine-day event. Ivanov claimed his third-straight Fargo title and first in the Junior Greco-Roman division. His dominant performance with seven bonus victories also earned him Outstanding Wrestler honors. Solomon and Manuel also both walked away with Fargo titles in the Junior Girls freestyle division. At 170 pounds, Manuel teched her way to her third-straight title, allowing only four points throughout the tournament. Solomon had five bonus wins, all coming in the first period of her bouts, en route to the national championship at 120 pounds. Arnett finished as a double Fargo All-American with top eight finishes in Junior freestyle and Greco-Roman divisions. Valdez notched a runner-up finish at 95 pounds in the 16U division.

More Fargo success stories

Fargo has been the proving ground for the next generation of superstars, including members of this year's U17 World Team. Along with Ivanov and Manuel winning their second Fargo titles in 2025, Wyatt Dannegger, Kooper Deputy, Camryn Howard, Jayden O'Farrill, Peter Mocco, Landri Von Gonten, Eve Skrocki and Taina Fernandez all claimed Fargo titles last summer. Fernandez swept both the 16U and Junior Girls divisions. Arseni Kikiniou also has a Fargo title to his name after winning the 2024 16U Greco-Roman crown.

In the eight Senior World Championships during Russell's tenure, the USA has won an amazing 46 medals, including 20 gold medals, 12 silver medals and 14 bronze medals.

Russell has helped coach U.S. Senior and age-group tour teams to success as part of the freestyle staff, at the Olympic, World, Continental and Grand Prix levels. The U23 World Team program has been among the areas which Russell has focused. Since his arrival, the USA has won 20 U23 World medals, including seven champions. In addition, he coached 11 individual NCAA champions, 31 individual conference champions and 84 NCAA All-Americans.
