To further our chances of performing well at the world level, USA Wrestling will incorporate the U20 Worlds with a mandatory pre-worlds training camp. USA Wrestling is looking to provide an opportunity to compete internationally, as well as provide further training before the U20 World Championships. This may require that some of the funding come from the individuals themselves and/or their clubs or universities.

The camp schedule will be:

- Approximately two weeks of preparation, focusing on techniques and drills. The athletes will be expected to arrive in competition shape with their weight under control. Hard wrestling will not be required between wrestlers in the same weight category unless requested.
- Any required expenses on the athlete's part will be discussed and guidance will be given to help athletes get expense money together with dates established for receiving any funds needed.

Greco-Roman will have camps prior to departure for the World Championships. Camps will be held in Colorado Springs, CO at the Olympic Training Center. Questions should be directed to Cheney Haight.

There will be a team meeting following the finals. Departure needs be arranged after this meeting.
