In an effort to protect both brands, national team athletes must notify coaches of all active social media accounts and allow coaches and the official USA Artistic Swimming account to follow all active social media accounts. This includes the use of secondary Instagram accounts. We understand athletes may create accounts to pursue passions or start businesses and we encourage self-expression. However, athletes must refrain from posting offensive, excessively negative or inappropriate content at all times. Any questions can be directed to the coaching staff or national office representative. Once an athlete leaves the national talent program, he or she is free to remove coaches as followers.

Failure to take public image seriously, by posting inappropriate photos and/or comments on a public website, may result in sanctions as defined below.

**16. Media Activities.** I will submit to reasonable requests for media interviews arranged by or through USAAS. (USAAS will consider your time commitments, previous obligations and specific training requirements when scheduling such interviews).

g. As part of this commitment, I agree to pose for National Team pictures.

h. This license shall survive the expiration of the Term of this Agreement.

i. USAAS agrees to advise National Team athletes when it plans to use their images for the purposes set forth in Section 12 (f) (1).

### 2025-2026 SENIOR NATIONAL TEAM - ATHLETE HANDBOOK

#### Rules and General Policies

The following General Rules and Policies apply anytime the Senior National Training Squad is together, at home training, travelling to a camp or competitions or for an event.

While these policies may not cover every conceivable situation, we have compiled general guidelines that each athlete should follow. In addition, there is one guiding principle that must always be observed: athletes are expected to conduct themselves in a manner that will reflect positively upon them, their teammates, USAAS and the United States of America.

Athletes failing to follow USAAS's Rules and General Policies may be disciplined by the High-Performance Director, the Head Coach and/or Team Manager. Violations could result in a suspension or dismissal from the program or event. Athletes may have additional rights defined by the Ted Stevens Amateur Sports Act and the USOPC Bylaws.

#### **A. Travel**

1. You must bring your valid passport with you on all trips, unless recommended otherwise. At all international games, your passport must be presented as proof of citizenship and age. Athletes will not be permitted to compete without it.

2. Please return a photocopy of the picture page of your passport along with other requested information. It is vital that this information is on file with USAAS at all times. (If you do not currently hold a valid passport, please begin the application process immediately by contacting either your local passport agency or post office). Certain countries require that we obtain a Visa which will be stamped in your passport. The cost of obtaining a passport is the responsibility of each athlete.

3. Upon request, be prepared to send or give us your passport. This will allow USAAS to obtain Visas for the entire delegation at one time. If you are already in possession of a passport, be sure to check the expiration date. Please note that some countries do not allow entry if your passport expires within six (6) months of a trip. It is imperative that you keep your passport updated!
