Article 1. Purpose

1. The purpose of the Competition Rules is to provide standardized rules for all levels of championships organized, promoted or sanctioned by USA Taekwondo (USATKD), and ensure that all matters related to USATKD competitions are conducted in a fair and orderly manner.
2. These rules are also intended to standardize Taekwondo competition in the United States in accordance with World Taekwondo (WT)—the international governing body for the sport of Taekwondo. A competition that does not follow the fundamental principles of these rules cannot be recognized as a USA Taekwondo competition.

Article 2. Application

1. These Competition Rules shall apply to all competitions to be promoted and/or organized by USATKD. Any USATKD association that wishes to modify any part of the Competition Rules for a particular competition must first receive the approval of USATKD.
 - 1.1. Any organization wanting to make a change to some portion of the existing rules sanctioned event must submit the contents of the proposed changes to USATKD, along with the reasons for the change. Approval of any changes in these rules must be received from USATKD one month prior to the scheduled competition.
2. All competitions promoted, organized, or sanctioned by USATKD shall abide by the USATKD Medical Code and USATKD Anti-Doping Rules.

Explanation #1

With prior approval from USATKD, competition rules such as ring dimensions, weight categories, the number of referees, positions for the Inspector, Recorder and Medical Staff, etc., and contest duration may be modified for a particular event or events. However, basic competition principles such as valid points, warnings, deductions, and the Contest Area must not be changed. Under no circumstances may head contact be allowed for age and belt groups where it is not permitted under Modified Safety Rules.

Article 3. Competition Area

1. The Competition Area

- 1.1. The Competition Area consists of a Contest Area and a Safety Area. It shall have a flat surface without any obstructing projections, and be covered with an elastic, non-slippery mat.
- 1.2. The Competition Area may also be installed on a platform 0.6m – 1m high, if necessary. For the safety of the contestants, the outer part of the Boundary Line (the Safety Boundary Area) shall be inclined at a gradient of less than 30 degrees.
- 1.3. One of the following shapes can be used for the Contest Area:

1.3.1. Square shape

The square Contest Area shall be 8m x 8m. Surrounding the contest area, approximately equidistant on all sides, shall be the Safety Area. The size of the Competition Area (which includes both the Contest Area and the Safety Area) shall be no smaller than 10m x 10m and no larger than 12m x 12m. If the Competition Area is on a platform, the Safety Area may be increased as needed to ensure the safety of contestants. The Competition Area and the Safety Area shall be of different, contrasting colors.

1.3.2. Octagonal shape

The Competition Area is comprised of a Contest Area and Safety Area. The Competition Area shall be square shaped and the size shall be no smaller than 10m x 10m and no larger than 12m x 12m. At the center of the Competition Area shall be the octagonal Contest Area. The Contest Area shall measure approximately 8m across, and each side of the octagon shall have a length of approximately 3.3m. Between the outer line of the Competition Area and the boundary line of the Contest Area is the Safety Area. The Contest Area and the Safety Area shall be of different, contrasting colors.

1.3.3. Alert Area

The Alert Area is a designated safety buffer zone within the Contest Area, formed by a continuous 60cm-wide band extending inward from the outer edge of the Contest Area toward its center. This applies equally to both octagonal- shaped and square-shaped Contest Areas, following the respective perimeter shape. Its purpose is to visually warn athletes and referees of their proximity to the boundary, enhancing spatial awareness and preventing accidental exits. The Alert Area shall not be marked with lines or tape but must be clearly distinguished from the rest of the Contest Area by using a visibly different color, without affecting the conduct or scoring of matches.

2. Indication of Positions

- 2.1. The outer border of the Contest Area shall be called the Boundary Line and the outer border of the Competition Area shall be called the Outer Line(s).

All competitors who pass general weigh-in must be present for random weigh-in a maximum of two (2) hours before the start of the competition; should a competitor fail to appear for the random weigh-in, he/she will be disqualified. The rate of selection for the random weigh-in (typically, 5% of all the day's competitors) will be announced in the information package for the event.
 - 7.3. A maximum weight gain of 5% over the weight category is permitted. A no show, or a competitor who is over the 5% limit will be disqualified. Only one weigh-in attempt will be allowed for the random weigh-in.

Explanation:

Prior to the competition: Contestants listed to compete on a scheduled day will be weighed in on the day before. The time for weigh-in will be decided by the Organizing Committee and communicated to the participants in the event information packet.

Article 10. Procedure of the Contest

1. Call for Contestants

- 1.1. The name of the contestants shall be announced at the Athlete Calling Desk three (3) times beginning thirty (30) minutes prior to the scheduled start of the contest. If a contestant fails to report to the Desk following the third call, the contestant shall be disqualified, and this shall be announced.

2. Inspection of body, uniform and protective equipment

- 2.1. After being called, the contestants shall undergo inspection of body, uniform and protective equipment at the inspection desk by the inspectors assigned by the USATKD Referee Chairman or USATKD designee for that event. If the inspection desk is not used, the referee shall inspect the contestants at the court prior to the start of the contest.

3. Entering the Competition Area

- 3.1. After inspection, the contestant and one certified coach shall proceed to the Coach's Area. One accredited doctor or physiotherapist may also accompany the player.

4. Procedure before the beginning and after the end of the contest

- 4.1. Before the start of the contest, the center referee will command "Chung, Hong." Both contestants will enter the Contest Area with their head protectors firmly tucked under their left arms. When a contestant is not present or is present without being fully attired, including all protective equipment, uniform, etc., at the Coach's Area at the time the referee calls "Chung, Hong," he/she shall be regarded as withdrawn from the contest and the referee shall declare the opponent the winner.
- 4.2. The contestants shall face each other and make a standing bow at the referee's command of "Cha-ryeot" (attention) and "Kyeong-rye" (bow). A standing bow shall be made from the natural standing posture of "Cha-ryeot" by bending the waist at an angle of more than 30 degrees with the head inclined to an angle of more than 45 degrees. After the bow, the contestants shall put on their head protectors.
- 4.3. The referee shall start the contest by commanding "Joon-bi" (ready), and "Shi-jak" (start).
- 4.4. The contest in each round shall begin with the declaration of "Shi-jak" (start) by the referee.
- 4.5. The contest in each round shall end with the declaration of "Keu-man" (stop) by the referee. Even if the referee has not declared "Keu-man," the contest shall be deemed to have ended when the match clock expired. However, "Gam-jeom" can be given for certain actions even after the expiration of the match clock.

- 4.6. The referee may pause a contest by declaring “Kal-yeo” (break) and resume the contest by the command of “Kye-sok” (continue). When the referee declares “Kal-yeo” the recorder should immediately stop the match time. When the referee declares “Kye-sok,” the recorder should immediately restart the match time.
- 4.7. At the end of the last round, the referee shall declare the winner by raising his/her hand to the winner’s side, saying “Chung Seung” (blue winner) or “Hong Seung” (red winner). In the best of three (3) system, the referee shall declare the winner of the respective round.

- 5.5. The referee shall declare the winning team by raising his/her own hand to the winning team’s side.

Explanation:

Accredited doctors: When team officials register for the event, copies of relevant licenses of the doctor or physiotherapist (in English) shall be attached. After verification, credentials shall be issued to them. Only medical staff with proper credentials will be allowed to proceed to the Competition Area with the coach and player.

Guideline for Officiating

When using PSS, the referee shall check if the PSS system and sensing socks and gloves worn by both athletes are properly working by having the competitors each perform a single test kick.

Article 11. Permitted Techniques and Areas

1. Permitted techniques

- 1.1. Fist technique: A straight punching technique using the knuckle part of a tightly clenched fist
- 1.2. Foot technique: Delivering techniques using any part of the foot below the ankle bone

2. Permitted areas

- 2.1. Trunk: Attack by fist and foot techniques on the areas covered by the trunk protector are permitted. However, such attacks shall not be made on the part of the spine.
- 2.2. Head: The area above the collar bone. Only foot techniques are permitted.

Article 12. Valid Points

1. Scoring Areas:

- 1.1. Trunk: The blue or red colored area of the trunk protector
- 1.2. Head: The entire head above the bottom line of the head protector

2. Criteria for valid point(s):

- 2.1. Point(s) shall be awarded when a permitted technique is delivered to the scoring areas of the trunk with a proper level of impact.
- 2.2. Point(s) shall be awarded when a permitted technique is delivered to the scoring areas of the head with a proper level of impact.
- 2.3. If PSS is used, determination of the validity of the technique, level of impact, and/or valid contact to the scoring area shall be made by the electronic scoring system except fist techniques. These PSS determinations shall not be subject to Instant Video Replay. However, when a kick is delivered to the opponent's head and no points are awarded, only the Center Referee may request an Instant Video Replay in accordance with Article 21.4.3
- 2.4. Based on guidance from the WT Technical Committee, the USATKD Organizing Committee will determine the required level of impact and sensitivity of the PSS, using different scales in consideration of weight category, gender, and age groups. In certain circumstances as deemed necessary, the Organizing Committee may recalibrate the valid level of impact.

3. The valid points are as follows:

- 3.1. One (1) point for a valid punch to trunk protector
- 3.2. Two (2) points for a valid kick to the trunk protector
- 3.3. Three (3) points for a valid kick to the head
- 3.4. When a valid turning kick is delivered to the trunk protector or the head, the awarded points shall be doubled: four (4) points for a valid turning kick to the trunk protector, and six (6) points for a valid turning kick to the head.
- 3.5. One (1) point awarded for every Gam-jeom given to the opposing contestant

4. Match score:

- 4.1. Match score shall be the sum of points of the three rounds.
- 4.2. In the best of three (3) system, match score shall be the sum of the number of rounds won of the three rounds.

5. Invalidation of point(s): When a contestant records points following prohibited act(s)

- 5.1. If the prohibited act is followed by point(s), the referee shall declare the penalty for the prohibited act and invalidate the point(s).

Explanation:

Back kick (Dwichagi) is one type of turning kick technique, the head and shoulder rotation must occur to be considered as a back kick (Dwichagi) and awarded technical points.

When contestants kick opponent by the back kick (Dwichagi), without contestant's simultaneous rotation of head and shoulder, 'Back kick' (Dwichagi) will not be considered turning kick

Article 13. Scoring and Publication

1. Call of valid point(s) shall be determined primarily using the electronic scoring system installed in Protector and Scoring Systems (PSS). For punch points, a semi-automatic scoring method may be applied, where the PSS measures the power of impact and judges determine the accuracy to award points using manual scoring devices. For body and head points, when scoring is recognized by the PSS, additional points awarded for turning kicks shall be scored by judges using manual scoring devices. If PSS is not used, including points for techniques to the body, head and punch areas where PSS is not applied, all scoring shall be determined by judges using manual scoring devices.
2. Where applicable, sensing gloves may be used. When sensing gloves are employed, the impact of the punch shall be detected by the PSS, and the technique shall be validated by corner judges. Only punches that meet both conditions shall be awarded points.
3. If PSS for the head is not used, scoring for all kicking techniques to the head shall be made by judges using the manual scoring devices.
4. The additional points given for a turning kick shall be invalidated if the turning kick was not scored as a valid point(s) by PSS.
5. Under a three (3) corner judge system, two or more judges shall be needed to confirm valid scoring.
6. Under a two (2) corner judge system, two judges shall be needed to confirm valid scoring.
7. Where body and head scoring are operated through their respective Protector and Scoring Systems (PSS), and punch scoring is operated through sensing gloves, the match may be conducted with one (1) Corner Judge, who shall determine the validity and accuracy of all technical actions and award points accordingly.

Guidelines for Officiating

Protector and Scoring System: Any PSS used at a USATKD-sanctioned event must meet all USATKD and WT requirements for the enhancement of competition and insurance of fair match outcome.

Valid turning kicks: In the case of using PSS, double points will be validated by the PSS if the transmitter acknowledges the strike, and the technical judge confirms a “valid turn.” Judges must press to award the additional points for a “valid turn.” Judges should press for all valid turning kicks without reference to accuracy or power, and without looking at the monitor to determine if the point scored. In the event that the transmitter does not acknowledge the kick, no point shall be given, regardless of the judges’ scoring of a “valid turn.”

Use of trunk protectors not equipped with electronic sensors: All scoring must be done according to the judge’s own determination of accuracy and power, and there must be equipment available capable of immediately conveying the recorded point to the scoreboard.

Valid turning kick to the head or body: Where electronic headgear is not used, judges must first press to score the kick and then award the additional point for the valid turn. Mechanisms for doing this may vary, depending on the electronic scoring system in use. If electronic headgear is in use, judges only press to award the valid turn.

Valid turn not scored: In the situation where the referee sees a valid turn that is not scored by the corner judges, the referee may look to the corner judges to determine if the technical point should be added. With confirmation of at least two corner judges (in a three (3) or two (2) judge setting) or the single judge in a one (1) judge setting, the center referee will add the additional points.

Use of head gear not equipped with electronic sensors: All scoring must be done according to the judges’ own determination of accuracy, and there must be equipment available capable of immediately conveying the recorded point to the scoreboard.

Article 14. Prohibited Acts and Penalties

1. Penalties shall be declared by the referee.
2. Prohibited acts described in Article 14 shall be penalized with “Gam-jeom” (deduction penalty).
3. A “Gam-jeom” penalty shall be counted as one (1) additional point for the opposing contestant.
4. Prohibited acts:
 - 4.1. The following acts shall be classified as prohibited acts, and “Gam-jeom” shall be declared:
 - 4.1.1. Crossing the Boundary Line
 - 4.1.2. Falling down
 - 4.1.3. Avoiding or delaying the match
 - 4.1.4. Grabbing or pushing the opponent
 - 4.1.5. The following are considered prohibited acts:
 - 4.1.5.1. Lifting the leg to block
 - 4.1.5.2. Kicking the opponent’s leg to impede the opponent’s kicking attack
 - 4.1.5.3. Kick was aimed below the waist
 - 4.1.5.4. Lifting the leg above waist for kicking in the air for four (4) times or more
 - 4.1.5.5. Lifting the leg or kicking in the air for more than three (3) seconds to impede opponent’s potential attacking movements
 - 4.1.6. Kicking below the waist
 - 4.1.7. Attacking the opponent after "Kal-yeo"
 - 4.1.8. Hitting the opponent’s head with the hand
 - 4.1.9. Butting or attacking with the knee
 - 4.1.10. Attacking the fallen opponent
 - 4.1.11. Attacking trunk PSS with the side or bottom of the foot in clinch position
 - 4.1.12. Attacking back of head PSS in clinch position

- 4.1.13.1. Not complying with the referee's command or decision
 - 4.1.13.2. Inappropriate protesting of officials' decisions
 - 4.1.13.3. Inappropriate attempts to disturb or influence the outcome of the match
 - 4.1.13.4. Provoking or insulting the opposing contestant or coach
 - 4.1.13.5. Unaccredited doctor/physicians or other team officials found to be seated in the doctor's position
 - 4.1.13.6. Any other severe misconduct or unsportsmanlike conduct on the part of a contestant or coach
 - 4.1.13.7. When a contestant commits a prohibited act followed by an Attack After Kalyeo (as per article 14.4.1.7) or any other unsportsmanlike behavior (as per article 14.4.1.13) the Referee may give a 2nd Gam-jeom for 'Attack after Kalyeo' or 'Misconduct'.
- 4.2. When a coach or contestant commits excessive misconduct or refuses to follow the referee's command, the referee may declare a sanction request by first declaring "Gam-jeom" penalty, and then raising a Yellow Card. In this case, the Extraordinary Sanctions Committee shall investigate the contestant's and/or coach's behavior and determine whether a sanction is appropriate in accordance with Article 24.
5. If a contestant intentionally and repeatedly refuses to comply with the Competition Rules or the referee's orders, the referee may end the match by raising a Yellow Card and declaring the opposing contestant the winner.
6. If the referee at the Inspection desk or officials in the ring determine—in consultation with the PSS technician, if necessary—that a contestant or coach has attempted to manipulate the sensitivity of PSS sensor(s) and/or inappropriately alter the PSS to affect its performance, the contestant shall be disqualified.
7. When a contestant receives ten (10) "Gam-jeom" penalties, the referee shall declare the contestant loser by Referee's Punitive Declaration (PUN).
- 7.1. In the best of three (3) system, when a contestant receives five (5) "Gam-jeom" in a round, the opponent will be declared the winner of that round.
8. In Article 14.1.4, the "Gam-jeom" shall be counted in the total score of the three rounds.

Interpretation

Objectives in establishing the prohibited acts and penalties are as follows:

1. To secure the contestant's safety
2. To ensure fair competition
3. To encourage appropriate techniques

Explanation #1

"Gam-jeom"

i) Crossing the Boundary Line:

- a) A "Gam-jeom" shall be declared when one foot of a contestant crosses the Boundary Line. No "Gam-jeom" will be declared if a contestant crosses the boundary line as a result of a prohibited act by the opposing contestant.

ii) Falling down:

- a) "Gam-jeom" shall be declared for falling down. However, if a contestant falls down due to the opponent's prohibited acts "Gam-jeom" penalty shall not be given to the fallen contestant, while a penalty shall be given to the opponent. If both contestants fall as a result of incidental collision, or in case a contestant who received points with a valid turning kick falls down, no penalty shall be given.

iii) Avoiding or delaying the match:

- a) This act involves stalling with no intention of attacking. A contestant who continuously displays a non-engaging style shall be given a "Gam-jeom". If both contestants remain inactive after three (3) seconds, the center referee will signal the "Gong-gyeok" command. A "Gam-jeom" will be declared: On both contestants if there is no activity from them three (3) seconds after the command was given; or on the contestant who moved backwards from the original position within three (3) seconds after the command was given.
- b) Turning the back and moving away to avoid the opponent's attack should be punished as it expresses the lack of a spirit of fair play and may cause serious injury. The same penalty should also be given for evading the opponent's attack by bending below waist level or crouching.
- c) Retreating from the technical engagement only to avoid the opponent's attack and to run out the clock, "Gam-jeom" shall be given to the passive contestant.
- d) Pretending injury means exaggerating injury or indicating pain in a body part not subjected to a blow for the purpose of demonstrating the opponent's actions as a violation, and also exaggerating pain for the purpose of elapsing the match time. In this case, the referee shall give a "Gam-jeom" however the referee may request IVR for clarification before declaration of "Gam-jeom" for pretending injury.
- e) "Gam-jeom" shall also be given to the athlete who asks the referee to stop the contest in order to adjust the position/fit of protective equipment.

iv) Grabbing or pushing the opponent:

a) This includes grabbing any part of the opponent's body, uniform or protective equipment with the hands. It also includes the act of grabbing the foot or leg or hooking the leg with the forearm. For pushing, it is permitted as a quick impact and a contestant must disengage from the opponent after one push. The following acts shall be penalized:

- Pushing the opponent with prolonged or continuous contact
- Pushing the opponent out of the boundary line
- Pushing the opponent in a way that prevents kicking motion or any normal execution of attacking movement

v) Lifting the leg or cut kick motion shall not be penalized only when it is followed by execution of punching or kicking technique in combination motion.

vi) Attacking below the waist:

a) This action applies to an attack on any part below the waist. When an attack below the waist is caused by the recipient in the course of an exchange of techniques, no penalty will be given. This article also applies to strong kicking or stamping actions to any part of the thigh, knee or shin for the purpose of interfering with the opponent's technique.

vii) Attacking the opponent after "Kal-yeo":

- a) Attacking after Kal-yeo requires that the attack results in actual contact to the opponent's body.
- b) If the attacking motion started before the Kal-yeo, the attack shall not be penalized.
- c) In Instant Video Replay, the timing of Kal-yeo shall be defined as the moment that the referee's Kal-yeo hand signal was completed (with fully extended arm); and the start of the attack shall be defined as the moment that the attacking foot is fully off the floor.
- d) If an attack after Kal-yeo did not land on the opponent's body but appeared deliberate and malicious the referee may penalize the behavior with a "Gam-jeom"

viii) Hitting the opponent's head with the hand:

a) This article includes hitting the opponent's head with the hand (fist), wrist, arm, or elbow. However, unavoidable actions due to the opponent's carelessness such as excessively lowering the head or carelessly turning the body cannot be punished by this article.

ix) Butting or attacking with the knee:

- a) This article relates to an intentional butting or attacking with the knee when in close proximity to the opponent. However, contact with the knee that happens in the following situations cannot be punished by this article.
 - When the opponent rushes in abruptly at the moment a kick is being executed
 - Inadvertently, or as the result of a discrepancy in distance in attacking.

x) Attacking the fallen opponent:

- a) This action is extremely dangerous due to the high probability of injury to the opponent. The danger arises from the following:
 - The fallen opponent is in an immediate defenseless state.
 - The impact of any technique which strikes a fallen contestant will be greater due to the contestant's position. These types of aggressive actions toward a fallen opponent are not in accordance with the spirit of Taekwondo and as such are not appropriate to Taekwondo competition. In this regard, penalties should be given for intentionally attacking the fallen opponent regardless of the degree of impact.

When misconduct is committed by a contestant or a coach during a rest period, after five (5) seconds of the round conclusion, the referee can immediately declare the "Gam-jeom" and the "Gam-jeom" shall be recorded to the upcoming round. However, "Gam-jeom" shall be recorded to the previous round if the action happened within five (5) seconds of the round conclusion.

Article 15. Golden Points and Decision of Superiority

1. In the event the winner cannot be decided after three (3) rounds, a fourth (4th) round (golden round) will be conducted in one-minute rounds.
2. In case of a contest advancing to a golden round, all scores awarded during the first three (3) rounds shall be void.
3. The first contestant who scores two (2) or more points or whose opponent receives two (2) “Gam-jeoms” in the golden round shall be declared the winner.
4. In the event that neither contestant has scored two (2) points after the completion of the golden round, the winner shall be decided by superiority based the following criteria:
 - 4.1. The contestant who received a point by a punch in the golden round.
 - 4.2. If neither of the contestants received a point by a punch or both contestants received a point by a punch in the golden round, the contestant who achieved a higher number of hits registered by the PSS during the golden round.
 - 4.3. If number of hits registered by the PSS is tied, the contestant who won more rounds in first three rounds.
 - 4.4. If number of rounds won is tied, the contestant who received less numbers of “Gam-jeoms” during all four rounds.
 - 4.5. If the three above criteria are the same, the referee and judges shall determine superiority based on the content of the golden round. If the superiority decision is tied among the referee and judges, the referee shall decide the winner.
5. In the best of three (3) system, in case of tie score for corresponding round, the round winner shall be decided by superiority based on following criteria:
 - 5.1. Most points scored by turning or spinning kicks.
 - 5.2. If the technical score is the same, the contestant who has more points scored in the order of a higher value techniques as follows (Head, Trunk, Punch, Gam-Jeom).
 - 5.3. If the high value points are the same, the contestant who received a higher number of hits registered by the PSS.
 - 5.4. If the three above criteria are the same, the referee and judges shall determine superiority.
 - 5.4.1. In case of one (1) judge, winner shall be decided by referee, review jury and one (1) judge.
 - 5.4.2. In case of two (2) corner judges, winner shall be decided by referee and two (2) judges.

5.4.3. In case of three (3) corner judges, winner shall be decided by three (3) judges except referee.

Explanation #1:

- i) Decision of superiority by judges shall be based on the initiative shown during the golden round. Initiative is judged in the following order:
- ii) Technical dominance of an opponent through aggressive match management.
- iii) The greater number of techniques executed.
- iv) The use of the more advanced techniques both in difficulty and complexity.
- v) Display of a better competition manner.

Explanation #2:

- i) When head PSS is not in use, in the event that one athlete delivers a successful head kick right before the opponent's body kick, but the later body kick was registered, the coach of the athlete who delivered the successful head kick may ask for video replay. If the Review Jury determines that the head kick was valid and made contact with the head earlier than the body kick, the referee shall invalidate the point(s) scored by the body kick, then award three (3) or six (6) points for the head kick and declare the one who delivered the head kick to be the winner.
- ii) In the event that one athlete who already has one (1) point delivers a successful punch right before the opponent's body kick but only the latest body kick was registered, the coach of the athlete who delivered the punch may request for video replay. If review jury determines that punch was performed earlier than body kick, the referee shall ask whether corner judges scored it or not. If two or more corner judges scored for punch, referee shall invalidate the point(s) scored by body kick, then declare point for punch, and declare the one who delivered the punch as the winner.

Guidelines for Officiating:

- i) Procedure for Superiority decision except for the best of three (3) system shall be as follows:
- ii) Prior to the contest, all refereeing officials take the superiority card with them.
- iii) When a match is to be decided by superiority, the referee shall declare "Woo-se-girok (Record Superiority)".
- iv) Upon the referee's declaration, the judges shall declare the winner within 10 seconds with their heads down, sign the card and then give it to the referee.
- v) The referee shall collect all superiority cards, record the final result, and then declare the winner.
- vi) Upon declaration of the winner, the referee shall hand over the cards to the review jury.

Procedure for Superiority for the best of three (3) system shall be as follows:

- i) When a round is to be decided by superiority, the referee shall declare "Woo-se-girok (Record Superiority)".
- ii) Upon the referee's declaration, the judges declare the winner simultaneously after the Referee's count of three (3) by using round winner hand signal facing the head table.
- iii) In case of one (1) corner judge, the winner shall be decided by the referee, the review jury and one (1) judge.

- iv) In case of two (2) corner judges, the winner shall be decided by the referee and two (2) corner judges.
- v) In case of three (3) corner judges, the winner shall be decided by three (3) corner judges except the referee.
- vi) The Review Jury shall record the final result and declare, to the Operator, the round winner.
- vii) Upon declaration of winner, the referee shall declare the round or match winner.

 - e) 16.9 Win by Disqualification for unsportsmanlike behavior (DQB)
- ii) In case of Win by final score (PTF), match score shall be the sum of the number of rounds won of the three rounds.
- iii) In case of Win by point (PTG), in case of twelve (12) points difference between two athletes per round, the referee shall stop the contest and shall declare the winner by point gap for the corresponding round. Point gap for corresponding round shall not be applied in semi-finals & finals in senior division by the outline of tournament.

Article 17. Knock Down

1. A Knock Down shall be declared when a legitimate attack is delivered, and:
 - 1.1. When any part of the body other than the sole of the foot touches the floor due to the force of the opponent's scoring technique
 - 1.2. When a contestant is staggered and shows no intention or ability to continue as a result of the opponent's scoring technique
 - 1.3. When the referee judges that, in the interest of safety, the contest cannot continue as the result of a contestant being struck by a scoring technique.

Explanation

Knock down: This is the situation in which a contestant is knocked to the floor or is staggered or unable to respond adequately to the requirements of the match due to a legal scoring technique. Even in the absence of these indications, the referee may interpret as a knock down, the situation where, as the result of contact, it would be dangerous to continue or when there is any question about the safety of a contestant.

Article 18. Procedure in the Event of a Knock Down

1. When a contestant is knocked down as the result of the opponent's legitimate attack, the referee shall take the following measures:
 - 1.1. The referee shall keep the attacker away from the downed contestant by declaration of "Kal-yeo" (break). The recorder shall stop the match clock following the referee's "Kal-yeo" (break) command.
 - 1.2. The referee shall first check the status of the downed contestant and count aloud from "Ha-nah" (one) up to "Yeol" (ten) at one-second intervals towards the downed contestant, making hand signals indicating the passage of time.
 - 1.3. In case the downed contestant stands up during the referee's count and expresses the will to continue the fight, the referee shall continue the count up to "Yeo-dul" (eight) for recovery of the contestant. The referee shall then determine if the contestant is recovered and, if so, continue the contest by declaration of "Kye-sok" (continue).
 - 1.4. When a contestant who has been knocked down cannot demonstrate the will to resume the contest by the count of "Yeo-dul" (eight), the referee shall announce the other contestant winner by RSC (Referee Stops Contest).
 - 1.5. In case both contestants are knocked down, the referee shall continue counting as long as one of the contestants has not sufficiently recovered.
 - 1.6. In case both contestants are knocked down and both contestants fail to recover by the count of "Yeol," the winner shall be decided by the match score before the occurrence of the knock down.
 - 1.7. When it is judged by the referee that a contestant is unable to continue, the referee may decide the winner either without counting or during the counting.
2. Procedure to be followed after the contest:
 - 2.1. Any contestant who is unable to continue the match as a result of a serious injury, regardless of the part of the body, will not be allowed to compete for the next 30 days without an approved medical examination by a medical doctor designated by USATKD, who must certify that the contestant is recovered and able to compete.
 - 2.2. Except for medical emergencies, any contestant with any serious injury must be evaluated by USATKD tournament medical staff for concussion immediately after the contest, using established medical protocols.
 - 2.3. Any contestant who has been knocked out, or loses consciousness for any amount of time, whether briefly or for an extended period of time, or any athlete who does not clear all neurological tests administered by the USATKD Sports Medicine Personnel within 20 minutes of the head injury/contact will have a 50-day (Cadet and younger), 40-day (Junior), and 30-day (Senior and above) out rule applied and may not continue participation that day.

- 2.3.1. Any contestant who has had a second concussion in the last 90 days will get a 90 days suspension and anyone who has a third concussion in the last 180 days will get a 180 days suspension.
- 2.4. The athlete is required to be evaluated by their own doctor at the conclusion of the suspension period and show written release from this physician before being allowed to return to participation. No activity (running, weightlifting, Taekwondo, etc.) is allowed until all signs and symptoms occurring from the head injury have cleared completely. USATKD Sports Medicine Staff reserves the right to refuse to allow an athlete to participate or continue participation if they deem that a head injury has occurred. All athletes sustaining a hit to the head deemed substantial enough to be seen by the USATKD Sports Medicine Personnel must remain under observation for a minimum of 20 minutes.

Explanation:

- i) Keep the attacker away: In this situation, the standing opponent shall return to his/her respective contestant's mark; however, if the downed contestant is on or near the opponent's contestant's mark, the opponent shall stand and wait at the boundary line in front of his/her coach's chair.
- ii) In case the downed contestant stands up during the referee's count and desires to continue the fight: The primary purpose of counting is to protect the contestant. Even if the contestant desires to continue the match before the count of eight is reached, the referee must count until "Yeo-dul" (eight) before resuming the match. Counting to "Yeo-dul" is compulsory and cannot be altered by the referee.
- iii) Counting from one to ten: Ha-nah, Duhl, Seht, Neht, Da-seot, Yeo-seot, Il-gop, Yeo-dul, A-hop, Yeol.
- iv) The referee shall then determine if the contestant has recovered and, if so, restart the contest by the declaration of "Kye-sok": The referee must ascertain the ability of the contestant to continue while he/she counts until eight. Final confirmation of the contestant's condition after the count of eight is only procedural and the referee must not needlessly pass time before resuming the contest.
- v) If a player cannot continue: The contestant expresses the will to continue the match by gesturing several times in a fight position with clenched fists. When a contestant who has been knocked down cannot display this gesture by the count of "Yeo-dul," the referee must declare the other contestant winner (RSC) after first counting "A-hop" and "Yeol". Expressing the will to continue after the count of "Yeo-dul" cannot be considered valid. Even if the contestant expresses the will to resume by the count of "Yeo-dul," the referee can continue counting and may declare the contest over if he/she determines the contestant is incapable of resuming the match.
- vi) When it is judged by the referee that a contestant is unable to continue: When a contestant is downed by a powerful scoring blow and appears to be in serious condition, the referee can suspend the count and call for first aid or do so in conjunction with the count.

Guidelines for Officiating:

- i) The referee must be constantly prepared for the sudden occurrence of a knock down or situation where the contestant is staggered, which is usually characterized by a powerful blow accompanied by impact.
- ii) The referee must not spend additional time confirming the contestant's recovery after counting to "Yeo-dul" as a result of failing to observe that condition during the administration of the count.
- iii) When the contestant clearly recovers before the count of "Yeo-dul" and expresses the will to resume and the referee can clearly discern the contestant's condition yet resumption is hampered by the requirement of medical treatment, the referee must declare "Kye-shi" (injury time-out) and then follow the procedures of Article 19.

Article 19. Procedures for Suspending the Contest

1. When a contest is to be stopped due to the injury of one or both contestants, the referee shall take the measures prescribed below. However, in a situation which warrants suspending the contest for reasons other than an injury, the referee shall declare 'Kal-yeo (break)' and resume the contest by declaring "Kye-sok (continue)".
 - 1.1. The referee shall suspend the contest by declaration of "Kal-yeo" and order the recorders to suspend the time.
 - 1.2. The referee shall allow the contestant one minute to receive first aid by the commission doctor; the referee may allow team doctor to treat first aid if the commission doctor is not available or if it is deemed necessary.
 - 1.2.1. The commission doctor may request more time (up to 2 minutes) if necessary.
 - 1.2.2. If there is no commission doctor, team doctor or medical chairman available, any doctor (or medical associate) near the competition mat can be requested to provide the athlete with first aid.
 - 1.3. If an injured contestant cannot return to the match after one minute the referee shall declare the other contestant winner.
 - 1.4. In case resumption of the contest is impossible after one minute, the contestant causing the injury by a prohibited act to be penalized by "Gam-jeom" shall be declared the loser.
 - 1.5. In case both the contestants are knocked down and are unable to continue the contest after one minute, the winner shall be decided upon points scored before the injuries occurred.
 - 1.5.1. In case of best of three (3) System: If both contestants are knocked down and are unable to continue the contest after one minute at Round 1 or Round 3, the winner shall be determined by the points scored before the injuries occurred in the pertinent Round. If this occurs during Round 2, the winner shall be determined by the decision of Round 1.
 - 1.5.2. If points are tied, the winner shall be decided according to criteria of superiority.
 - 1.6. If the referee determines a contestant's pain is caused only by a bruise the referee shall declare "Kal-yeo" and give a command to resume the match with the call, "stand-up". If the contestant refuses to continue the match after the referee gives the command "stand up" three times, the referee shall declare the match 'Referee Stops Contest'.
 - 1.7. If the referee determines a contestant has received an injury such as broken bone(s), dislocation, sprained ankle(s), and/or bleeding, the referee shall allow the contestant to receive a first aid treatment for one minute after "Kyeshi". The referee may allow the contestant to receive first aid treatment even after giving the commanding "standup" if the contestant is determined to be injured in one of the categories above.

- 1.8. Stopping the match due to injury: If the referee determines a contestant has received an injury such as broken bone(s), dislocation, sprained ankle(s), and/or bleeding, the referee shall consult with the chairperson of the Medical Committee or the commissioned doctor assigned by the chairperson. If a contestant is re-injured in the same manner, the chairperson of the Medical Committee or the commission doctor assigned by the chairman may advise the referee to stop the match and declare the injured the loser.

Explanation #1

When the referee determines that the competition cannot be continued due to injury or any other emergency, he/she may take the following measures:

- i) If the situation is critical, such as a contestant losing consciousness or suffering from severe injury and time is crucial, first aid must be immediately directed first, and the match must be closed. In this case, the result of the match will be as follows:
 - a) The contestant causing the injury shall be declared the loser if the outcome was the result of a prohibited act to be penalized by “Gam-jeom”.
 - b) The incapacitated contestant shall be declared the loser if the outcome was the result of a legal action or accidental, unavoidable contact.
 - c) If the outcome was unrelated to the match contents, the winner shall be decided by the match score before suspension of the match. If the suspension occurs before the end of the first round, the match shall be invalidated. If points are tied, the winner shall be decided according to the criteria of superiority.
 - d) In case of best of three (3) System:
 - If the outcome was unrelated to the match contents, the winner shall be determined by the points scored before the suspension occurred in the pertinent Round (in case of the Round 1 or 3). If points are tied, the winner shall be decided according to the criteria of superiority.
 - If this occurs in Round 2, the winner shall be determined by the decision of Round 1.
- ii) If first aid treatment is needed for an injury, the contestant can receive necessary treatment within one minute after the declaration of “Kye-shi”.
 - a) Order to resume the match: It is the decision of the center referee, after consultation with the Commission Doctor, whether or not it is possible for the contestant to resume the match. The referee can anytime order the contestant to resume the match within one minute. The referee can declare any contestant who does not follow the order to resume the match the loser of the contest.
 - b) While the contestant is receiving medical treatment or is in the process of recovering, 40 seconds after the declaration of “Kye-shi”, the referee begins to loudly announce the passage of time in five second intervals. When the contestant cannot return to the Contestant’s Mark by the end of the one minute period, the match results must be declared.
 - c) After the declaration of “Kye-shi”, the one-minute time interval must be counted from the moment the commission doctor enters the mat or after waiting for commission doctor up to 10 seconds if not readily available in the mat. However, when the doctor’s treatment is required but the doctor is absent or additional treatment is necessary, the one-minute time limit can be suspended by the judgment of the referee.

- d) If resumption of the match is impossible after one minute, the decision of the match will be determined according to sub-article “i” of this article.
- iii) If both contestants become incapacitated and are unable to resume the match after one minute or urgent conditions arise; the match result is decided according to the following criteria:
 - a) If the outcome is the result of a prohibited act to be penalized by “Gam-jeom” by one contestant that person shall be the loser.
 - b) If the outcome was not related to any prohibited act to be penalized by “Gam-jeom”, the result of the match shall be determined by the match score at the time of suspension of the match. However, if the suspension occurs before the end of the first round, the match shall be invalidated, and the Organizing Committee will determine an appropriate time to re-contest the match. The contestant who cannot resume the match shall be deemed to have withdrawn from the match.
 - c) In case of best of three (3) System:
 - If the outcome was unrelated to “Gam-jeom” penalty, the contest result shall be determined by the points scored before the suspension occurred in the pertinent Round (in case of Round 1 or 3).
 - If the points are tied, the winner shall be determined according to the criteria of superiority. If this occurs in the Round 2, the winner shall be determined by the decision of Round 1.
 - If the outcome is the result of prohibited acts to be penalized by “Gam-jeom” by both contestants, then both contestants shall lose.

Explanation #2

The situation in which warrants suspending the match beyond the above prescribed procedures shall be treated as follows.

- i) When uncontrollable circumstances require suspension of the match, the referee shall suspend the match and follow the directives of the Technical Delegate.
- ii) If the match is suspended after the completion of the second round, the outcome shall be determined according to the match score at the time of suspension.
 - a) In case of best of three (3) System, if the match is suspended
 - The outcome shall be determined by the point scored before the suspension occurred in pertinent Round in case of Round 1 or Round 3 of the contests.
 - (1) If points are tied, the winner shall be decided according to the criteria of superiority.
 - In case of the occurrence during Round 2, the winner shall be decided upon decision of Round 1.
- iii) If the match is suspended before the conclusion of the second round, a rematch shall, in principle, be conducted and shall be held in three rounds.

As well as this coach's appeal is considered to be a misconduct of coach that "Gam-jeom" shall be given to own contestant in accordance with Article 14.4.1.3 'Following Misconducts of contestant of coach'. - 11.5.7.3. Errors in factual judgment: When the Board decides that there was a clear error in judging the facts such as impact of striking, severity of action or conduct, intention, timing of an act in relation to a declaration or area, the decision shall not be changed and the officials seen to have made the error shall be reprimanded.
