Name: _____

Current Club Affiliation: _____

Job Summary:

USA Artistic Swimming (USAAS) is hiring a senior national team assistant coach to aid in our continued efforts to develop a competitive and enjoyable team environment that will work to continue put USAAS on the international lead.

The position is a full-time employee position. The position will start on October/November 2025.

This position will work directly with the senior national team head coach, assistant coaches and Chief of Sport in the development of the coaching plan and team strategy. The position will assist the head coach in implementing the plan and use their skill set to make the most positive impact on the senior athletes. While their physical development and skill enhancement are a vital part of this program the position will be responsible for making each of them a better teammate and well-rounded athlete.

The position will require the coach to be located in Los Angeles, California. The position will include domestic and international travel for events, programs, etc.

The position Reports to the senior national team Head Coach and Chief of Sport.

Compensation will be based on experience. \$70,000 to \$90,000 annually.

The assistant coach responsibilities include, but are not limited to:

- Collaborate with the Chief of Sport and head coach to prepare the training strategy for the season.
- Develop the technical skills of each individual athlete and ensure that the technical elements of each routine afford the athletes the best opportunity to excel.
- If applicable, write senior national team choreographies. Developing the artistic impression of each program.
- Participate in the national team selection trials event.
- Assist in the development and communication training camp plan/calendar.
- Build strong lines of communication with the national team athletes.

- Keep track of the athletes' progress and report to the Head Coach.
- If applicable, collaborate with support staff (physician, physiotherapist, S&C coach, Acrobatics coach, nutritionist, sport psychologist and any other support staff)
- If applicable, develop music for national team routines.
- If applicable, participate in and coordinate media appearances and/or any promotional activities with the Chief of Sport or the Media Officer.
- Participate in education seminars and conferences as directed by the national office.
- Monitor athlete compliance and wellness throughout the training camp.
- Perform other tasks as directed by the senior national team head coach or chief of sport.

International artistic swimming qualifications:

Please list your coaching experience:

Why do you want to be part of the national team program?

What makes you a great candidate for this position? What would be your greatest personal contribution to USAAS's national team program?

What is your coaching philosophy and style?

What does USAAS need to do to be more successful with its national team program?

Is there anything else you would like to add?

The application deadline is August 31, 2025. Please email this application along with your resume and cover letter to:
Chief of Sport, Lara Teixeira lara@usaartisticswim.org
