

## **USA TABLE TENNIS NATIONAL TEAM ATHLETE CODE OF CONDUCT**

### **ATHLETE PLEDGE**

I pledge to uphold the USA Table Tennis National Team Code of Conduct (the “Code”) as a guide to my conduct while representing the United States of America and/or USA Table Tennis (“USATT”), both domestically and internationally in 2022.

I acknowledge that I have a right to notice and a hearing prior to being declared ineligible, if my opportunity to compete is denied, or if I am charged with a violation of this Code. I further acknowledge that if I am found to be in violation of this Code, I may be subject to sanctions up to and including suspension or dismissal from the National Team and USATT.

I am aware of the USATT complaint procedure established by the USATT Bylaws.

I have familiarized myself with the Code and understand that acceptance of its provisions is a condition of my selection to represent USA Table Tennis in 2022.

**IN ORDER TO BECOME A MEMBER OF THE NATIONAL TEAM, AN INDIVIDUAL MUST SIGN THIS CODE OF CONDUCT IN UNALTERED FORM IN ALL APPLICABLE PLACES.**

As a Member of the National Team, I hereby promise and agree that I:

#### **About the National Team Social Media Policy**

USA Table Tennis encourages our Team Members to show the same dedication and passion to their on-line social media presence that they bring to their athletic effort. That's why we've created this Social Media Policy. This policy:

- Explains why and how your personal use of social media benefits USA Table Tennis, as well as National Team Members;
- Offers practical tips; and
- Creates awareness amongst our National Team Members about how our actions and behavior on social media channels may affect the reputation of USA Table Tennis and/or the athlete's reputation outside of the court of competition

#### **Statement of Purpose of the National Team Social Media Policy**

USA Table Tennis encourages the personal use of social media by Team Members to support the Team's mission and programs. Team Member posts on social media can help USA Table Tennis expand its reach and increase its impact by: helping to raise awareness about the mission of the Team and the sport of Table Tennis, building a sense of community among USATT members and potential members, and helping to improve the knowledge or skills of other athletes, coaches, trainers, managers, administrators, and officials, and more.

Social media is an effective communication tool but sometimes it can be challenging for athletes to reconcile their public and private social media activities in terms of their role as a National Team. Social media is designed for self-expression and encourages conversations. This policy provides a framework for National Team Members to engage in these activities effectively and ethically.

Please feel free to follow, like, or connect with USA Table Tennis official brand presences on social media and share any or all content on your personal social media profiles and networks. However, consider sharing carefully and strategically. Remember that any post or share is likely to trigger reactions that will comment on National Team's programs and our official presence. Most of the general content for USATT and/or National Team social media accounts, when shared, will automatically incorporate the title of the content. If you are unsure about what to say, you can simply share without commenting.

### **Statement of the National Team Social Media Policy**

Team Members are both granted permission and encouraged to use social media as a conduit for informing the public about the programs of the organization. This needs to occur in a professional and ethical manner.

Publication and commentary via social media channels carries similar obligations to other National Team and/or USATT publications or commentary. All uses of social media must follow the same ethical standards to which National Team Members agree in the basic Code of Conduct.

Please note that National Team and/or the USATT title or brand may not be used in social media identities, logon ID's and user names without prior approval from the Chief Executive Officer of USATT.

### **Following the National Team Social Media Policy**

It is best to err on the side of caution. If you are unsure as to whether something is appropriate to post on social media, contact a member of USATT's senior staff before making the post live. If a National Team Member, for whatever reason, takes an action that is in conflict with this policy, he or she will be contacted by a member of USATT's senior staff to resolve the situation and may be asked to withdraw, correct, or revise postings.

### **The Logistics of the National Team Social Media Policy**

In order to help distinguish when you're speaking as an individual and when you're speaking as a National Team Member, you may want to consider setting up two accounts for each of the social media tools on which you post. One account would be used for your role as a Team Member, while the other account would be used for your personal postings.

Here are additional logistical tips about using social media to promote the mission of the National Team and/or USATT:

- The National Team and USATT believe in transparency and honesty. Use your real name, be clear who you are, and identify your capacity as a National Team Member and do not post anonymously, using pseudonyms or false screen names.
- Use tags when posting National Team and/or USATT content (e.g. #USATableTennis or @USATT) to help ensure your message reaches its targeted audience.
- Post frequently and respond to comments and replies from others quickly and accurately.
- Know and respect your audience, including USATT and its members.
- Be smart and protect your privacy by taking simple steps such as avoiding posting personal details such as phone numbers; reading website privacy policies, making use of privacy settings on social media sites, etc.
- Avoid social media arguments and debates and alert a member of USATT's senior staff if you see a misrepresentation made about the National Team and/or USATT in social media.
- If you are accused by anyone of posting something improperly, inform a member of USATT's senior staff of the situation promptly in order to determine best next steps and to quickly resolve the situation.

## **Content**

Regardless of what account you use for posting as a National Team Member, be sure to limit your Team- related posts to sharing information about the Team. Negative opinions about other Team Members are not appropriate.

- Before posting, ask yourself if the post will improve knowledge or skills of the National Team and/or USATT members, if it contributes directly or indirectly to the improvement of the National Team and/or USATT, or if it builds a sense of community or it helps to promote the National Team's and/or USATT's mission.
- Write about what you know (if needed, verify any National Team or USATT related facts, dates, etc. with a member of USATT's senior staff).
- Remember that what you publish will be around for a long time; consider the content carefully. Strive to make sure it is accurate and professional.
  - It is good general practice to link to others' work rather than reproduce it. Adhere to the laws governing copyright and fair use or fair dealing of copyrighted material owned by others, including National Team's and/or USATT's own trademarks, copyrights and brands.
  - Always ask for permission from a member of USATT's senior staff before identifying a member or sponsor and never discuss confidential details of any individual's or organization's engagement with National Team and/or USATT.
  - Use your best judgment and be sure to make it clear that any views expressed are yours alone and do not represent the official views of the National Team and/or USATT. Don't speak on behalf of our organization. (Use a disclaimer if you have your own blog or social media profile.)
  - Don't associate our organization and its logo with any inappropriate content.
  - Don't share private and confidential internal information.
  - Don't comment on our organization's financial performance.
  - Bring out your own personality and say what's on your mind (in a respectful and professional tone).
