

2026 AGE GROUP TEAM USA KIT

To ensure a consistent, professional Team USA presence, help foster team unity and camaraderie throughout race week and align with World Triathlon event regulations—all 2026 Age-Group Team USA athletes are required to have both an official Race Kit and an official Team Kit, as outlined below:

Race Kit Requirements

- All athletes must wear an official Team USA Race Kit from either 2025 or 2026 while competing in 2026 events.
- Athletes who purchased the 2025 Race Kit are not required to purchase the 2026 Race Kit.
- Athletes who did not purchase the 2025 Race Kit are required to purchase and wear the 2026 Race Kit.
- Race kits purchased prior to 2025 (e.g., 2024 or earlier) may not be worn.

Team Kit Requirements

- All athletes are required to purchase the official Team Kit, regardless of participation in the Parade of Nations event.
- The Team Kit is worn throughout race week and helps create a shared Team USA identity, strengthening team unity, camaraderie, and connection among athletes both on and off the race course.
- Each athlete must purchase at least one (1) Team Kit top and one (1) Team Kit bottom.

Thank you for helping us represent Team USA with pride, professionalism, and a strong sense of team throughout the 2026 season.
