### 4. Proposed Bylaw Amendment: Staggered Board of Director Terms

Victoria Brumfield discussed the need to amend the bylaws to provide for protecting the continuity of staggered board terms when a vacancy on the board occurs due to unanticipated circumstances. Camellia Noriega has explored the issue and described two potential options for elections to fill unexpired terms for board consideration: One where the Nominating and Governance Committee (NGC) provides options for potential candidates to run for partial terms as opposed to full terms, and a second where all candidates run for full terms and the candidate with the least number of votes is elected to the shorter (partial) term. After discussion, Camellia was requested to create language that provides for the NGC to solicit candidates to run specifically for the partial or full term.
