To Our USA Triathlon Community,

As the National Governing Body for triathlon in the United States, USA Triathlon exists to give everyone a chance to tri. Our mission centers on increasing participation and inclusivity by delivering programming, resources, and connections that support athletes at every level: from grassroots participants to the Olympic and Paralympic Team, as well as the race directors, coaches, and clubs who serve as the backbone of the multisport ecosystem.

We share our 2025 audited financial statements and IRS Form 990 from a position of genuine momentum. Over the past three years our financial results continue to show year-over-year improvement. This year's results reflect a balanced strategy: managing costs rigorously while making targeted investments in long-term, sustainable growth.

Those investments are already producing returns. Our migration to an integrated technology and data platform culminated in the April 2025 launch of a new sanctioning system and CRM platform, improving service to constituents and driving meaningful gains in staff efficiency. Additional investments in data and technology allow us to continue to provide more in-depth insights that we can deliver back to those within the sport to understand macro dynamics and make informed business decisions. We produced more educational content in 2025 than in the previous five years combined, while sanctioned events, total races, and certified race directors all grew year-over-year, with race volume approaching pre-pandemic levels.

That growth story is worth noting when reviewing sanctioning revenue, which declined modestly even as sanctioned activity increased. This was by design. We expanded our Race Director Certification Program, which extends discounted sanctioning to certified race directors, and, with the launch of our new sanctioning platform, eliminated certificate-of-insurance fees entirely. These choices intentionally returned value to race directors to strengthen the event ecosystem that sits at the core of our business and our sport.

Moving forward, we are applying the same deliberate approach to corporate partnerships. While partnership revenue is still supporting our organizational goals, we are intentionally right-setting our sponsorship strategy around the LA28 Olympic and Paralympic Games - the first Summer Games on U.S. soil since 1996 - to align our commercial portfolio with the most significant moment for our sport in a generation.

Philanthropy was a significant strength in 2025, with the USA Triathlon Foundation raising and pledging 24% more than the prior year. This increased support enabled greater investment in High Performance and helped fuel a defining season in which U.S. athletes earned 110 medals, including 36 gold, across World Triathlon events. This support strengthened our athlete development pipeline up to the elite level, expanded youth and inclusion programming, and deepened our mission-driven impact.

Looking ahead, we are focused on executing on Elevate 2028: Focus Forward, our strategic plan leading into LA28. With 300,000+ unique active members, our strongest membership growth coming from athletes in their twenties, and momentum across events, youth programming, and philanthropy, the foundation is strong and the path forward is clear.

We are grateful for your continued trust and support as we work to elevate USA Triathlon and build a vibrant, sustainable future for triathlon and multisport in the United States.
