

Meeting Notes for 3/10/24

Present: Tony Schuster (President), Alfred Grenon, Colin Reis, Charlie Sattler, and Mitch Dekutoski.

Guests: None

1. Welcome: The President called the meeting to order at 12:00pm and welcomed the WSO members to the meeting and recognized this is the second WSO meeting of the year.
2. Committee Discussion:
 - Tony sent out the bidding for hosting the state meet via email. The bidding process will be 2 months, Tony will send reminders as that time period moves forward.
 - Our focus for the next month is to get the Social Media accounts going before we start advertising for the state meet. We plan to introduce the board members with the account, so people have a face to recognize when they see us in the community. Each person will need to submit a picture and short bio to be posted on the social accounts.
 - Another idea is to promote local lifters, clubs, and meets. We will try and make a highlight of the month to promote people/clubs in our area. Highlights of the month will be talked about during the meeting and the post will be brought out within the next week.
 - March Athlete highlight will be Evan Fukahara from Concordia University. Tony will reach out to get information from him to post sometime next week.
 - Tony informed the board that we need to get a website up and running for our WSO. Alfred has a couple friends he will reach out to. Charlie's brother also might be an opportunity.
 - Collin brought up the idea of having an elite team like Florida. This would be a long-term goal as we need more members, but a lot of cool ideas could come from this.

Meeting adjourned by Tony Schuster at 12:40pm CST
