Agenda

Last Meeting Follow-up

1. Still researching State Championship venues, Ocean Center only has April 14-15 available, which is the same weekend as FHSAA Boys State Championships. Kissimmee Civic Center (no attached hotel), Wyndham Convention Center, Altamonte Hilton, World Marriott are other options. May need to consider moving later in the year (May, 2023), will do Zoom call in October with visuals for options.
2. 3 platform meet still is an option. Brian Secrest reminded that will take full board involvement.

New Business

3. USAW has to clear the FL Elite Team roster. There are still members on FL Elite roster from years ago.
4. There is an accredited online State and Conditioning Education Program that is looking to sponsor the WSO. Offering a booth at each states, discounted tuition and possibly free classes for coaches in the state. Will arrange for the next call.
5. Valentz Nicholas had good conversations with the social media team at USAW in response to his Instagram post regarding a lack of attention for Mia Rhodes after her youth World Championship. There appears to be a lack of communication between board members and media employees of USAW. Nicholas feels there should be a process in place to handle such events and give them the appropriate attention.
