### **Primary Insurance Policy**

Upon registering for a USS competition/camp ("Event") or signing up/renewal as a member of US Speedskating, I hereby acknowledge that I currently have and will maintain primary medical/accident insurance, as required by law, for the duration of the Event and USS membership year. I am aware that failure to provide accurate information demonstrating the existence of such insurance coverage will prevent processing of this application and cause termination of membership and suspension of all rights to participate in US Speedskating activities. Primary insurance means the plan is NOT written to apply excess of other applicable policies.

### **Accepted policies:**

- Primary medical / health insurance that covers athletic injuries
- Any government sponsored health plan including Tricare, Medicare, Medicaid
- Catastrophic health plan which is a primary health insurance policy that covers athletic injuries
- USOC Elite Athletes Health Insurance

### **NOT accepted policies:**

- Any policy that is not considered "primary"
- Worker's Compensation
- Excess accident medical policies
