### U13/U15 Non-citizen AAC Recommendations

The AAC held a discussion on the Proposal for the USA Judo Cadet and Jr. Refugee athletes. The AAC's recommendation is agreeable to the language presented in the drafted document presented to the AAC by USA Judo's CEO Keith Bryant prior to today's meeting. The AAC is agreeable to send the document as-is to the USA Judo Board for reviewal.

### Board Election

The first terms for athlete representatives, Marti Malloy & Nicole Stout, will expire at the end of 2024. They can run for re-election and other athletes are also invited to run for election.

The AAC recommends waiting on voter registration and process education campaign until the Nominating Committee completes their upcoming tasks over the next few months. The AAC also recommends delaying the virtual town hall to September when 10-year athletes will be able to register to vote for a call-to-action. Rough timeline for the Board election with the AAC involvement:

September – acceptance of board nominees from the Nominating Committee, Registration system goes live with USA Judo, and the AAC holds a Virtual Town Hall

October – election to occur by mid-October

November – newly elected board members to join in-person November Board meeting in Texas
