*There will be no weight changes on site for World Class Black Belt Sparring Divisions

Athlete Event Credentials:

Athletes will receive an event credential via email prior to the start of the tournament from Katie Cleveland, kcleveland@usatkd.org. This virtual credential will be the athlete’s credential for the event.

2025 SEASON FINAL QUALIFICATION

2025 U.S. Taekwondo Final Championships Qualification

All sparring and poomsae athletes who earn any medal (Gold, Silver, or Bronze) at a 2025 American Open will qualify to compete at the 2025 U. S. Taekwondo Season Final.

All sparring and poomsae athletes who earn any medal (Gold, Silver, or Bronze) at the 2025 U.S. Taekwondo National Championships will qualify for the 2025 U.S. Taekwondo Season Final.

Athletes may also qualify based on points as of the August 6th posting. The top 8 ranked athletes who did not medal at an American Open or the 2025 US National Taekwondo Championships will receive an invitation to the 2025 Season Final. This will only be extended down to the 25th ranked athlete.

For example: In a division, the top 10 ranked athletes won a medal at an American Open or the National Championships. The top 8 ranked athletes who did not qualify by medaling would be the 11th-18 ranked athletes and would receive an invitation to Finals.

Belt Qualification Rule: All athletes will be eligible to compete at the 2025 U.S. Taekwondo Season Final at the current belt in which they hold.

World Class Black Belts: All world class black belt athletes in the Cadet, Junior, and Senior age divisions must compete in the weight class they qualified in or one weight class higher at an American Open or the 2025 U.S. Taekwondo National Championships for the 2025 U.S. Taekwondo Season Final. Any athlete who is found to have registered in a weight class they do not qualify for will be re-registered into the division they qualify for and receive an email acknowledging the change.

For example, if an athlete qualifies in the “Fly” weight class they must compete in that weight class or the “Bantam” weight class which is one above. The athlete may not move down to the “Fin” weight class.

World Class Black Belt Weight Changes are allowed prior to the registration deadline (August 14th, 2025, at 12:00 PM MST) for the 2025 U.S. Taekwondo Season Final. Onsite weight changes are not permitted for World Class athletes.

Age Qualification: USATKD uses the date December 31 of the given year to determine the competition age for all athletes. EX. A 14-year-old athlete turns 15 years old on September 27th, meaning they would compete as a 15-year-old athlete for all events during the calendar year.

2025 USATKD SPORT FESTIVAL QUALIFICATION

2025 USATKD Sport Festival Qualification

Color Belts: All athletes in Dragon, Tiger, Youth, Cadet Color Belt, Junior Color Belt, Senior Color Belt and Ultra Divisions will be allowed to move weight classes from the weight class they qualified for at States, Regionals, or Nationals. However, it is strongly encouraged to make the weight they “qualified” in or move up one weight class.

Age Qualification: USATKD uses the date December 31 of the given year to determine the competition age for all athletes. EX. A 14-year-old athlete turns 15 years old on September 27th, meaning they would compete as a 15-year-old athlete for all events during the calendar year.
