

Good Afternoon,

The Veterans Task Force set their goals for 2024 to coordinate two Veteran only tournaments and a camp to prepare competitors for the 2024 Veterans World Championships. We accomplished these goals. We had a tournament in Houston TX in January, 141 entries, and one in Denver CO in August, 149 entries. Our annual camp was held in Chicago IL, 49 participants. The Veteran group in the USA is growing and active. They are the backbone of Judo in the USA. Most competitors are club owners.
