Appendix 2

SCORING APPEALS

In an effort to reduce the number of incorrect scores posted while maintaining all fairness to the athletes and teams involved, USA Field Hockey will honor only one Challenge (request) per team, per tournament for the review or change of a posted score. Should it be found that a result was posted incorrectly after verifying the official score card from the game, the result will be adjusted and the team retains its challenge to be used again later in the tournament if necessary. Should it be found that the official score card reflects the score posted after it has been challenged by a team, this team will lose its Challenge and will not be able to dispute any posted results for the remainder of the event. The following procedure will be in effect for all USA Field Hockey events:

1. Each head coach is responsible for confirming the final score and signing the correct Result Card at the conclusion of each game.
2. The decision to appeal a score posting rests entirely with the teams involved. USA Field Hockey will consider signed Result Cards as the correct and final outcome of the contest. No changes will be made to the official score unless an appeal is submitted and upheld.
3. Team contacts or coaches are the only individuals who can post the appeal fee and request a review. Parents, athletes, fans or umpires cannot initiate the appeal process.
4. Upon consensus by the coaches and umpires involved in the match, the score will be overturned and any changes will be made to the official results.
5. Failure to sign a Result Card does not nullify the outcome of the contest or excuse individuals from the appeal process.
6. Any disputes on the final score must be settled with the umpires at the time the cards are signed.
7. The appeal process applies to posted scores only. There is no appeal process for calls made during any match.
8. Deception on a Result Card is considered unsportsmanlike conduct and is a violation of USA Field Hockey's Code of Conduct (Rule 4). Code of Conduct violations are grounds for restriction of an individual from future USA Field Hockey programs and/or the loss of eligibility of a team in future USA Field Hockey events.
