Any change in the selection procedures caused by a change in WT rules and regulations will be distributed to the affected athletes immediately. The selection criteria are based on the latest information available to USATKD.

SECTION 14: CONFLICT OF INTEREST

All members of the Selection Committee (Section 5.3) and all individuals who developed these selection procedures (Section 19) must comply with the USATKD Conflict of Interest Policy, to include completing and submitting a disclosure form consistent with the USATKD Conflict of Interest Policy before convening the committee.

A conflict of interest exists when a personal, family, financial, professional, club, team or business relationship or interferes with, or may be perceived to interfere with a committee member's ability to be impartial and participate in the selection process in a fair and impartial manner. Any member of the Selection Committee who has an actual, possible, or perceived conflict of interest must disclose it to the USATKD's Ethics Committee prior to the start of the selection process and may be required to recuse themself from the Selection Committee discussions and/or voting.

If a conflict exists, the USATKD's Ethics Committee shall review the conflict and determine the committee member's level of involvement (e.g., whether that committee member must recuse themself from participating in discussions and/or voting).

During its review, USATKD's Ethics Committee may ask a Selection Committee member or an affected person for more information at its discretion. For example, if a Selection Committee member is required to recuse themself from voting, the USATKD Ethics Committee may still determine that a Selection Committee member who has relevant and necessary information related to athlete performance, such as a national team coach or high performance director, may, if requested by the Selection Committee, provide that information to the Selection Committee if the information is provided in a fair and unbiased manner and if the Selection Committee member with the conflict of interest does not vote toward the final decision.

Additionally, any person with a good faith belief that a committee member has a conflict of interest may report the alleged conflict of interest to the USATKD's Ethics Committee. Reports may also be made anonymously through the USOPC's Integrity Portal. No committee member shall retaliate in any way against a person who, in good faith, reports an alleged conflict of interest. In addition, the USOPC maintains a strict no retaliation policy that prohibits any employee, contractor, agent, volunteer, or member of the USOPC to take or threaten to take

any action against an athlete for reporting information to or seeking assistance from the Office of the Athlete Ombuds.

Any recused individual shall be replaced in accordance with the USATKD's Selection Committee appointment process.
