## Introduction

There are a lot of reasons to participate in boxing – at any level. Some of the most common reasons include to have fun and to spend time with friends. Boxing also encourages a healthy lifestyle and builds self-confidence.

Unfortunately, sport, including boxing, can also be a high-risk environment for misconduct. All forms of misconduct are intolerable and in direct conflict with USA Boxing ideals.

There are six primary types of misconduct covered in this Safe Sport Policy Handbook for the purpose of athlete safety:

- Sexual Misconduct
- Physical Misconduct
- Emotional Misconduct
- Bullying
- Harassment
- Hazing

Misconduct may damage an athlete’s psychological well-being. Athletes who have been mistreated may experience social embarrassment, emotional turmoil, psychological scars, loss of self-esteem and their relationships with family and friends can be negatively affected. Misconduct often hurts an athlete’s competitive performance and may cause him or her to drop out of sport entirely.

To enhance safe sport practices and to investigate and resolve safe sport violations, USA Boxing has agreed to comply with the safe sport policies of the U.S. Center for SafeSport (Center) and has incorporated by reference the provisions of the *SafeSport Code for the U.S. Olympic and Paralympic Movement (Code)*, including its appendices, into these policies. The Center may update its policies at any time and the changes are effective when published. For the most current safe sport rules, policies and procedures, go to [www.SafeSport.org](http://www.SafeSport.org).

Any inquiries about the policies contained in this Safe Sport Policy Handbook should be directed to the USA Boxing Safe Sport mailbox at [SafeSport@usaboxing.org](mailto:SafeSport@usaboxing.org) or via telephone 719-866-2323.

## Scope

### **The MAAPP Applies to “In-Program Contact” Within the Olympic & Paralympic Movement**

The MAAPP is required for the U.S. Olympic & Paralympic Committee (USOPC), National Governing Bodies (NGB), Local Affiliated Organizations (LAO), and Paralympic Sport Organizations (PSO) within the Olympic & Paralympic Movement (each an “Organization”).

Some policies impose requirements on USA Boxing at sanctioned events and facilities partially or fully under USA Boxing’s jurisdiction. For example, USA Boxing shall monitor locker rooms at their facilities and sanctioned events. Other policies impose certain requirements on Adult Participants under USA Boxing’s jurisdiction when the Adult Participant is having “In-Program Contact.” For example, Adult Participants cannot have one-on-one electronic communications with Minor Athletes that they coach.

## **Terminology**

This section explains key words and concepts used throughout this Safe Sport Policy Handbook. The definitions set forth are intended to be universal in nature; however, some definitions vary by state. For example, the legal definition of “child abuse” is determined by each individual state. Guidelines concerning specific states may be found by visiting the Child Welfare Information Gateway [www.childwelfare.gov](http://www.childwelfare.gov).

**Adult Participant:** Any adult (18 years of age or older) who is:

- a. A member or license holder of USA Boxing;
- b. An employee or board member of USA Boxing or LAO;
- c. Within the governance or disciplinary jurisdiction of USA Boxing or LAO;
- d. Authorized, approved, or appointed by USA Boxing or LAO to have regular contact with or authority over Minor Athletes.<sup>1</sup>

**Amateur Athlete:** An athlete who meets the eligibility standards established by the National Governing Body or Paralympic Sports Organization for the sport in which the athlete competes.

**Authority:** When one person’s position over another person is such that, based on the totality of the circumstances, they have the power or right to direct, control, give orders to, or make decisions for that person. Also see the [Power Imbalance definition in the SafeSport Code](#).

**Close-in-Age Exception:** An exception applicable to certain policies when an Adult Participant does not have authority over a Minor Athlete *and* is not more than four years older than the Minor Athlete (e.g., a 19-year-old and a 16-year-old). Note: this exception *only* applies within the prevention policies and *not* regarding conduct defined in the SafeSport Code.

**Dual Relationships:** An exception applicable to certain policies when an Adult Participant has a dual role or relationship with a Minor Athlete and the Minor Athlete’s parent/guardian has provided written consent at least annually authorizing the exception.

---

<sup>1</sup> This may include volunteers, medical staff, trainers, chaperones, monitors, contract personnel, bus/van drivers, officials, adult athletes, staff, board members, and any other individual who meets the Adult Participant definition.

**In-Program Contact:** Any contact (including communications, interactions, or activities) between an Adult Participant and any Minor Athlete(s) related to participation in sport.

Examples of In-Program Contact include, but are not limited to: competition, practices, camps/clinics, training/instructional sessions, pre/post game meals or outings, team travel, review of game film, team- or sport-related relationship building activities, celebrations, award ceremonies, banquets, team- or sport-related fundraising or community service, sport education, or competition site visits.

**Local Affiliated Organization (LAO):** In USA Boxing Local Boxing Committees (LBC) and member clubs are defined as LAOs.

**Minor Athlete:** An Amateur Athlete under 18 years of age who participates in, or participated within the previous 12 months in, an event, program, activity, or competition that is part of, or partially or fully under the jurisdiction of, an NGB, PSO, USOPC, or LAO.

**Partial or Full Jurisdiction:** Includes any sanctioned event (including all travel and lodging in connection with the event) by the NGB, PSO, USOPC, or LAO, or any facility that the NGB, PSO, USOPC, or LAO owns, leases, or rents for practice, training or competition.

**National Governing Body (NGB):** A U.S. Olympic National Governing Body, Pan American Sport Organization, or Paralympic Sport Organization recognized by the U.S. Olympic & Paralympic Committee pursuant to the Ted Stevens Olympic and Amateur Sports Act, 36 U.S.C. §§ 220501, et seq. This definition shall also apply to the USOPC, or other sports entity approved by the USOPC, when they have assumed responsibility for the management or governance of a sport included on the program of the Olympic, Paralympic, or Pan-American Games.

**Adult Participant Personal Care Assistant:** An Adult Participant who assists an athlete requiring help with activities of daily living (ADL) and preparation for athletic participation. This support can be provided by a Guide for Blind or visually impaired athletes or can include assistance with transfer, dressing, showering, medication administration, and toileting. Personal Care Assistants are different for every athlete and should be individualized to fit their specific needs. When assisting a Minor Athlete, Adult Participant PCAs shall be authorized by the athlete's parent/guardian.

**Paralympic Sport Organization (PSO):** an amateur sports organization recognized and certified as an NGB by the USOPC.

**Regular Contact:** Ongoing interactions during a 12-month period wherein an Adult Participant is in a role of direct and active engagement with any Minor Athlete(s). *NOTE: NGBs, PSOs, and the USOPC shall*

*submit/include categories of members/individuals that fall under the definition including specific volunteer designations.*

**U.S. Olympic & Paralympic Committee (USOPC):** A federally chartered nonprofit corporation that serves as the National Olympic Committee and National Paralympic Committee for the United States.

# **POLICY 1: TRAINING AND EDUCATION**

- Hazing

USA Boxing Adult Participants and LAOs are required to successfully complete a US Center for SafeSport-approved training course every year.

# POLICY 3:

## ATHLETE SAFETY POLICY

### Commitment to Safety

USA Boxing is committed to the safety and wellbeing of athletes and Participants, as defined by the U.S. Center for SafeSport's (the "Center") SafeSport Code for the Olympic and Paralympic Movements (the "Code"), involved in the U.S. Olympic & Paralympic Movement. As part of this commitment, USA Boxing's policy, prevention and education efforts aim to create an environment free from emotional, physical, and sexual misconduct and abuse, and to ensure effective and prompt action and resolution upon the occurrence of misconduct and/or abuse.

### Overview

USA Boxing recognizes that the process for training and motivating athletes will vary with each coach, trainer and athlete, but it is nevertheless important for everyone involved in sport to support the use of motivational and training methods that avoid misconduct. USA Boxing falls under and complies with the U.S. Center for SafeSport's SafeSport Code for the U.S. Olympic and Paralympic Movement.

In the event that any USA Boxing member, USA Boxing Board of Director member, or USA Boxing Staff member either (i) observes misconduct as defined in this SafeSport Policy Handbook or (ii) has reported to him or her allegations of misconduct as defined in this SafeSport Policy Handbook, it is the personal responsibility of the individual to immediately report this to USA Boxing via email, [SafeSport@usaboxing.org](mailto:SafeSport@usaboxing.org), via telephone, 719-866-2323 or via USA Boxing SafeSport online for [https://forms.office.com/pages/responsepage.aspx?id=pB65vf\\_Y20KSGJCAqc7YsLsS\\_Rz977dGjsnWpgR6Hw1UNFZQUzA3MUdQN0RZUDNCSjhLQVdMUjE0NC4u&route=shorturl](https://forms.office.com/pages/responsepage.aspx?id=pB65vf_Y20KSGJCAqc7YsLsS_Rz977dGjsnWpgR6Hw1UNFZQUzA3MUdQN0RZUDNCSjhLQVdMUjE0NC4u&route=shorturl). If the alleged misconduct falls under the exclusive jurisdiction of the US Center for SafeSport (involves sexual abuse or sexualized behavior), the individual must report directly to the U.S. Center for SafeSport immediately and not more than 24 hours. **Online:** <http://USCenterForSafeSport.org/report-a-concern> or via **Telephone:** 833-587-7233.

The USA Boxing member, Board of Director member or Staff member should not attempt to evaluate the credibility or validity of the allegations as a condition for reporting to USA Boxing. When potential criminal behavior has been reported to USA Boxing, USA Boxing shall report such allegation(s) to law enforcement authorities. Complaints and allegations will be addressed under the USA Boxing Enforcement Policy set out below.

## **Application**

This Athlete Safety Policy applies to all USA Boxing members, Board of Director members and Staff members.

USA Boxing members shall refrain from all forms of misconduct, which include:

- Sexual Misconduct
- Physical Misconduct
- Emotional Misconduct
- Bullying
- Harassment
- Hazing

Additionally, USA Boxing shall provide:

- A. Notification to the USOPC's Security & Athlete Safety Office of any allegation of prohibited conduct that occurred at an Olympic & Paralympic Training Center (OPTC) or USOPC Delegation Event and any temporary measure(s) imposed.
- B. Notification to the USOPC's Security & Athlete Safety Office of any temporary measure(s) (imposed or removed) affecting Participants who might or will be attending a Delegation event, have access to an OPTC, or receive a benefit and/or service from the USOPC.

USA Boxing prohibits any individual who is an employee, contractor, or agent of USA Boxing from assisting a member or former member in obtaining a new job (except for routine transmission of administrative or personnel files) if the individual knows that that member or former member violated the policies or procedures of the Center related to sexual misconduct or was convicted of a crime involving sexual misconduct with a minor in violation of applicable law or the policies of the Center.

## **Prohibited Conduct**

### **Sexual Misconduct**

- (1) Any touching or non-touching sexual interaction that is (a) nonconsensual or forced, (b) coerced or manipulated, or (c) perpetrated in an aggressive, harassing, exploitative or threatening manner;
- (2) Any sexual interaction between an athlete and an individual with evaluative, direct or indirect authority. Such relationships involve an imbalance of power and are likely to impair judgment or be exploitative; or
- (3) Romantic or sexual relationships, which began during the sport relationship, between athletes or other participants and those individuals (i) with direct supervisory or evaluative control, or (ii) are in a position of power and trust over the athlete or other participant. Except in circumstances where no imbalance of power exists, coaches have this direct supervisory or evaluative control

and are in a position of power and trust over those athletes or participants they coach. The prohibition on romantic or sexual relationships does not include those relationships where it can be demonstrated that there is no imbalance of power. For example, this prohibition does not apply to a pre-existing relationship between two spouses or life partners.

- (4) Any act or conduct described as sexual abuse or misconduct under federal or state law (e.g. C. sexual abuse, sexual exploitation, rape).

**Note: An imbalance of power is always assumed between a coach and an athlete.**

### **Types of Sexual Misconduct**

Types of sexual misconduct include:

- (1) sexual assault,
- (2) sexual harassment,
- (3) sexual abuse, or
- (4) any other sexual intimacies that exploit an athlete. Minors cannot consent to sexual activity with an adult, and all sexual interaction between an adult and a minor is strictly prohibited.

### **Exceptions**

None

### **Examples**

Examples of sexual misconduct prohibited under this Athlete Safety Policy include, without limitation:

- (1) **Touching offenses.** Behaviors that include:
  - (a) fondling an athlete's breasts or buttocks
  - (b) exchange of reward in sport (e.g., team placement, scores, feedback) for sexual favors
  - (c) genital contact intended to provide sexual gratification
  - (d) sexual relations or intimacies between persons in a position of trust, authority and/or evaluative and supervisory control over athletes or other sport participants.

### **Comment**

**Authority and Trust.** Once the unique coach-athlete relationship is established, the authority and trust on the part of the coach over the athlete shall be assumed, regardless of age.

Accordingly, sexual interaction or intimacies between a coach and an athlete or other participant are prohibited, regardless of age, both during coaching and during that period following coaching if an imbalance in power could jeopardize effective decision-making.

- (2) Non-touching offenses. Behaviors that include:
  - (a) discussing one's sex life with an athlete;
  - (b) asking an athlete about his or her sex life;

- (c) requesting or sending a nude or partial-dress photo to an athlete

- (e) sending athletes sexually explicit or suggestive electronic or written messages or photos (e.g. “sexting”);
- (f) deliberately or recklessly exposing an athlete to sexual acts;
- (g) deliberately or recklessly exposing an athlete to nudity (except in situations where locker rooms and changing areas are shared);
- (h) sexual harassment; specifically, the sexual solicitation, physical advances, or verbal or nonverbal conduct that is sexual in nature, and is unwelcome, offensive or creates a hostile environment, and the offending individual knows or is told this; or
  - a. is sufficiently severe or intense to be harassing to a reasonable person in the context.

**Child Sexual Abuse**

- (1) Any sexual activity with a child. Minors cannot consent to sexual activity with an adult, and any sexual interaction between an adult and a minor is strictly prohibited. This includes sexual contact with a child that is accomplished by deception, manipulation, force or threat of force, regardless of the age of the participants, and all sexual interactions between an adult and a child, regardless of whether there is deception, or the child understands the sexual nature of the activity.

**Note concerning peer-to-peer child sexual abuse:** Sexual contact between minors also can be abusive. Whether or not a sexual interaction between children constitutes child sexual abuse turns on the existence of an aggressor, the age difference between the children, and/or whether there is an imbalance of power and/or intellectual capabilities.

- (2) Any act or conduct described as child sexual abuse under federal or state law.

**Exception**

None

**Examples**

Sexually abusive acts may include sexual penetration, sexual touching or non-contact sexual acts such as verbal acts, sexually suggestive electronic or written communications, exposure or voyeurism.

**Physical Misconduct**

- (1) Contact or non-contact conduct that results in, or reasonably threatens to, cause physical harm to an athlete or other sport participants
- (2) Any act or conduct described as physical abuse or misconduct under federal or state law (e.g.

child abuse, child neglect, assault).

### **Exceptions**

- (b) forcing an athlete to assume a painful stance or position for no athletic purpose (e.g. requiring an athlete to kneel on a harmful surface;)

***Note: Bullying, harassment, and hazing, addressed below, often involve some form of physical misconduct.***

- a. verbal acts
- b. physical acts

- (2) Any act or conduct described as bullying under federal or state law.

### **Exceptions**

Bullying does not include group or team behaviors that are reasonably designed to (a) establish normative team behaviors, or (b) promote team cohesion.

### **Examples**

### **Authority**

The Protecting Young Victims from Sexual Abuse and Safe Sport Authorization Act of 2017 authorizes the Center to develop training and policies to prevent abuse—including physical, emotional, and sexual abuse—within the U.S. Olympic and Paralympic Movement. 36 U.S.C. § 220542(a)(1). Federal law requires that, at a minimum, national governing bodies and paralympic sports organizations *must offer and give consistent training related to the prevention of child abuse: (1) to all adult members who are in regular contact with amateur athletes who are minors and (2) subject to parental consent, to members who are minors.* 36 U.S.C. § 220542(a)(3). Federal law requires that these policies contain reasonable procedures to limit unobservable and uninterrupted one-on-one interactions between an amateur athlete, who is a minor, and an adult, who is not the minor’s legal guardian, at facilities under the jurisdiction of organizations within the U.S. Olympic and Paralympic Movement. 36 U.S.C. § 220542(a)(2). To that end, the Center has developed the Minor Athlete Abuse Prevention Policies (MAAPP).

### **What is the MAAPP?**

The MAAPP is a collection of proactive prevention and training policies for the U.S. Olympic and Paralympic Movement. It has four primary components:

1. Organizational Requirements for Education & Training and Prevention Policies;
2. An Education & Training Policy that requires training for certain Adult Participants within the Olympic and Paralympic Movement;
3. Required Prevention Policies, focused on limiting one-on-one interactions between Adult Participants and Minor Athletes that Organizations within the

Olympic and Paralympic Movement must implement to prevent abuse;  
4. Recommended Prevention Policies.

The Center developed the MAAPP to assist National Governing Bodies (NGBs), Local Affiliated Organizations (LAOs), the U.S. Olympic and Paralympic Committee (USOPC), and other individuals to whom these policies apply in meeting their obligations under federal law.

(*Note:* implementing these policies does not guarantee that an organization or individual fully complies with federal law or all applicable legal obligations). These Organizations should share these policies with all Participants and with parents/guardians of minor athletes. Those implementing these policies should consider the physical and cognitive needs of all athletes.

The MAAPP focuses on just two important aspects of a much larger comprehensive abuse prevention strategy. These policies address training requirements and limiting one-on-one interactions between adults and minor athletes. These policies are intended to be enforceable and reasonable, acknowledging, for example, that when a 17-year-old athlete turns 18, they become an adult athlete, and a complete prohibition of one-on-one interactions may not be necessary or practical. Additionally, there may be other instances when one-on-one interactions could occur, and in those cases, these policies provide strategies so parents/guardians can provide informed consent if they choose to allow a permitted interaction. **The Center recommends that parents first complete training on abuse prevention to be informed about potential boundary violations and concerns before consenting to the interaction.**

While the MAAPP will help organizations implement these policies to greatly improve minor athlete safety, in no way can they guarantee athlete safety in all circumstances, especially when the policies are not fully implemented, followed, or monitored. These policies are not comprehensive of all prevention strategies, nor are they intended to be. These policies should be implemented alongside the [SafeSport Code](#). Additionally, other resources are available that may assist organizations in improving athlete safety.<sup>1</sup>

## **How Does the Center Ensure Compliance with the MAAPP?**

Federal law requires the Center to conduct regular and random audits of the NGBs to ensure compliance with these policies. 36 U.S.C. § 220542(a)(2)(E). More specific organizational compliance requirements can be found in Part I. Additionally, it is the responsibility of the USOPC and each NGB, LAO, and Adult Participant to comply with the MAAPP. The aforementioned Organizations can address violations of the MAAPP by Adult Participants in their respective programs. Adult Participants also have an independent responsibility to comply with these MAAPP provisions. Violations of these provisions can result in sanctions under the SafeSport Code.

## **Is the MAAPP Different from the SafeSport Code?**

Yes. The [SafeSport Code](#) works alongside the MAAPP to prevent abuse. The MAAPP includes proactive prevention policies for organizations and individuals, while the SafeSport Code contains misconduct policies for individuals. However, violations of the MAAPP can violate the SafeSport Code, and violators who are also Participants can be sanctioned.

## **SCOPE**

### **The MAAPP Applies to “In-Program Contact” Within the Olympic and Paralympic Movement**

The MAAPP, or a policy containing the minimum required components of the MAAPP, is required for the U.S. Olympic & Paralympic Committee (USOPC), National Governing Bodies (NGB), and Local Affiliated Organizations (LAO) within the Olympic and Paralympic Movement (each an “Organization”).

Some policies impose requirements on Organizations at sanctioned events and facilities partially or fully under the Organization’s jurisdiction. For example, Organizations must monitor locker rooms at their facilities and sanctioned events. Other policies impose certain requirements on Adult Participants under the Organization’s jurisdiction when the Adult Participant is having “In-Program Contact.” For example, Adult Participants cannot have one-on-one meetings with a Minor Athlete unless it is observable and interruptible.

## **Who is a Minor Athlete?**

A **Minor Athlete** is an amateur athlete under 18 years of age who participates in, or participated within the previous 12 months in, an event, program, activity, or competition that is part of, or partially or fully under the jurisdiction of USA Boxing, its LBCs and Clubs.<sup>2</sup>

**Partial or Full Jurisdiction:** Includes any sanctioned event (including all travel and lodging in connection with the event) by USA Boxing, its LBCs and Clubs or any facility that the NGB, USOPC, or LAO owns, leases, or rents for practice, training, or competition.

## **Who is an Adult Participant?**

An **Adult Participant** is any adult (18 years of age or older) who is:

1. A member or license holder of USA Boxing, its LBCs and Clubs;
2. An employee or board member of USA Boxing, its LBCs and Clubs;
3. Within the governance or disciplinary jurisdiction of USA Boxing, its LBCs and Clubs;
4. Authorized, approved, or appointed by USA Boxing, its LBCs and Clubs to have regular contact with or authority over minor athletes.<sup>3</sup>

---

<sup>2</sup> This term shall also include any minor who participates in, or participated within the previous 12 months in, a non-athlete role partially or fully under the jurisdiction of an NGB, USOPC, or LAO. Examples include, but are not limited to: officials, coaches, or volunteers.

<sup>3</sup> This may include volunteers, medical staff, trainers, chaperones, monitors, contract personnel, bus/van drivers, officials, adult athletes, staff, board members, and any other individual who meets the Adult Participant definition.

## **What is In-Program Contact?**

In-Program Contact includes sanctioned events and facilities, but it also applies more broadly to sport-related interactions. **The MAAPP defines “In-Program Contact” as:**

*Any contact (including communications, interactions, or activities) between an Adult Participant and any Minor Athlete(s) related to participation in sport.*

Examples of activities related to participation in sport that could be identified as In-Program Contact include, but are not limited to: competition, practices, camps/clinics, training/instructional sessions, pre/post-game meals or outings, team travel, review of game film, team- or sport-related relationship building activities, celebrations, award ceremonies, banquets, team- or sport-related fundraising or community service, sport education, or competition site visits.

## **Am I required to take SafeSport Training?**

Certain Adult Participants within the Olympic and Paralympic Movement who have (i) regular contact with amateur athletes who are minors, (ii) authority over amateur athletes who are minors, or (iii) are employees or board members of the USOPC, NGBs, or LAOs, are required to take training. The specific training requirements can be found in Part II.

**PART I**  
**ORGANIZATIONAL REQUIREMENTS FOR EDUCATION & TRAINING AND PREVENTION**  
**POLICIES**

All NGBs, LAOs, and the USOPC (the “Organization”) must implement proactive policies designed to prevent abuse. These organizational requirements are described below.

**A. Organizational Requirements for Education & Training**

1. USA Boxing must track whether Adult Participants under its jurisdiction complete the required training listed in Part II.
2. USA Boxing, its LBCs and Clubs must, every 12 months, offer and, subject to parental consent, give training to minor athletes on the prevention and reporting of child abuse.
  - a. For training to minor athletes, USA Boxing, its LBCs and Clubs must track a description of the training and how the training was offered and provided to minor athletes.
  - b. USA Boxing, its LBCs and Clubs are not required to track individual course completions of minor athletes.
3. USA Boxing, its LBCs and Clubs must, every 12 months, offer training to parents on the prevention and reporting of child abuse.
  - a. For training to parents, USA Boxing must track a description of the training and how the training was offered and provided to parents.
  - b. USA Boxing, its LBCs and Clubs are not required to track individual course completions of parents.

**B. Required Prevention Policies and Implementation**

1. USA Boxing must develop minor athlete abuse prevention policies to limit one-on-one interactions between a Minor Athlete and an Adult Participant. These policies must contain the mandatory components of the Center’s model policies in Part III. These model policies cover:
  - a. Meetings
  - b. Individual training sessions
  - c. Therapeutic and Recovery Modalities and Manual Therapy
  - d. Locker rooms and changing areas

- e. Electronic communications
  - f. Transportation
  - g. Lodging and Residential Environments
2. The policies must be approved by the Center as described in subsection (C) below. The policies may include the recommended components in Part III and the recommended policies in Part IV. Given the uniqueness of each sport, however, some recommended components or policies may not be feasible or appropriate. Such concerns should be addressed with the Center during the Policy Approval and Submission Process discussed below. USA Boxing may choose to implement stricter standards than the model policies.
  3. USA Boxing must also require that its LAOs implement these policies within each LAO.
  4. USA Boxing, its LBCs and Clubs must implement these policies for all In-Program Contact.
    - a. At sanctioned events and facilities partially or fully under its jurisdiction, the Organization must take steps to ensure the policies are implemented and followed.
    - b. For In-Program Contact that occurs outside an Organization's sanctioned event or facilities, implementing these policies means:
      - i. Communicating the policies to individuals under its jurisdiction;
      - ii. Establishing a reporting mechanism for violations of the policies;
      - iii. Investigating and enforcing violations of the policies.
  5. USA Boxing, its LBCs and Clubs must have a reporting mechanism to accept reports that an Adult Participant is violating the Organization's Minor Athlete Abuse Prevention Policies. The Organization must appropriately investigate and resolve any reports received, unless the violation is reported to the Center and it exercises jurisdiction over the report. This requirement is in addition to requirements to report abuse under the SafeSport Code.

### **C. Policy Approval and Submission Process**

1. USA Boxing may adopt the mandatory minimum requirements of the MAAPP as-is or adapt it to fit their needs. Regardless, USA Boxing must submit their policies to the Center at [compliance@safesport.org](mailto:compliance@safesport.org) for review and approval by April 1, 2024. The Center will approve, approve with modifications, or deny the policies. If the Center denies the proposed policy, the mandatory components of Part III of the Center's

Model MAAPP become the default policy until the Center approves the policy.

2. USA Boxing must require their LAOs to incorporate the mandatory components of Part III. USA Boxing may require that their LAOs implement the NGB's policies, which may be more stringent than the policies in Part III.
3. The mandatory components of Part III will serve as the default policy for any Organization that fails to develop its own policy as required by this section.

Any changes made to the USA Boxing MAAPP after the policy is approved must be submitted to the Center for approval. The previously approved MAAPP will remain in effect until written approval is provided to USA Boxing from the Center.

**PART II**  
**EDUCATION & TRAINING POLICY**

**A. Mandatory Child Abuse Prevention Training for Adult Participants**

1. Adult Participants Required to Complete Training

- a. The following Adult Participants must complete the *SafeSport® Trained Core* Course through the Center's online training:
  - i. Adult Participants who have regular contact with any amateur athlete(s) who is a minor;
  - ii. Adult Participants who have authority over any amateur athlete(s) who is a minor;
  - iii. Adult Participants who are an employee or board member of USA Boxing, its LBCs and Clubs.
- b. Adult Participants who are medical providers required to take training under Section (a) can take the Health Professionals Course in lieu of the *SafeSport® Trained Core* Course.

2. Timing of Training

Adult Participants must complete this training before regular contact with an amateur athlete who is a minor begins or within the first 45 days of either initial membership or upon beginning a new role subjecting the adult to this policy, whichever comes first.

3. Refresher Training

The above-listed Adult Participants must complete a refresher course every 12 months, beginning the calendar year after completing the *SafeSport® Trained Core* Course. Every four years, Adult Participants will complete the *SafeSport® Trained Core* Course training. Medical providers can take the Health Professionals Course in lieu of the *SafeSport® Trained Core* Course and are required to take the refresher courses on an annual basis if they meet the criteria for A(1).

**B. Minor Athlete Training Must Be Offered**

- 1. USA Boxing, its LBCs and Clubs, every 12 months, must offer and, subject to parental consent, give training to minor athletes on the prevention and reporting of child abuse.

2. The Center offers youth courses, located at [safesporttrained.org](https://safesporttrained.org), that meet this requirement.

### C. Parent Training Must Be Offered

1. USA Boxing, its LBCs and Clubs, every 12 months, must offer training to parents on the prevention and reporting of child abuse.
2. The Center offers a parent course, located at [safesporttrained.org](https://safesporttrained.org), that meets this requirement.

### D. Optional Training

1. Adult Participants serving in a volunteer capacity, who will **not** have regular contact with or authority over any amateur athlete(s) who is a minor, should take the Center's brief Volunteer Course (or *SafeSport® Trained Core Course*) before engaging or interacting with any minor athlete(s).
2. USA Boxing, its LBCs and Clubs may provide training *in addition to* the *SafeSport® Trained Core Course*, although they cannot refer to this training as "SafeSport" training. **Training other than the SafeSport Trained Core Course or Refresher does not satisfy this policy.**
3. Parents of minor athletes are provided free online access to the Center's parent course and are encouraged to take the training.

### E. Exemptions and Accommodations

The Center's online training courses contain information about various forms of abuse. The courses do not include graphic descriptions of abuse or show violent images or video. The content may be uncomfortable or trigger trauma for some participants.

1. Exemptions to the online training requirement may be requested by survivors of abuse and misconduct. Survivors of abuse can request an exemption by contacting USA Boxing or can choose to contact the Center directly to request an exemption at [exemptions@safesport.org](mailto:exemptions@safesport.org). All exemptions granted by the Center or USA Boxing in this category are considered indefinite and do not need to be re-requested every year.
2. Exemptions to the online training requirement for reasons other than survivors of abuse and misconduct are limited to cognitive or physical disability or language

barrier. Requests for these exemptions must be made by the individual to USA Boxing. USA Boxing will determine whether to grant the exemption. If USA Boxing grants the exemption, it must track the exemption to ensure it is appropriately applied to the individual's membership status. USA Boxing must preserve documentation that the exemption was granted and for what duration.

3. The Center has several options available to assist individuals in completing the online training courses, including screen reader-compatible versions and course availability in several languages, including English, Spanish, French, Mandarin, Russian, German, and Japanese. If none of the available options will fit the individual's needs, USA Boxing may determine whether to grant an exemption.

### PART III REQUIRED POLICIES FOR ONE-ON-ONE INTERACTIONS

The U.S. Center for SafeSport recognizes that youth-adult relationships can be healthy and valuable for development. Policies on one-on-one interactions protect children while allowing for these beneficial relationships. As child sexual abuse is often perpetrated in isolated, one-on-one situations, it is critical that organizations limit such interactions between youth and adults and implement programs that reduce the risk of sexual abuse.

**All one-on-one In-Program Contact between an Adult Participant and a Minor Athlete must be *observable and interruptible*, except in emergency circumstances or with a documented exception.**

#### EXCEPTIONS

---

There are certain relationships and situations in which one-on-one interactions may be allowed or necessary. This section identifies policy exceptions for close-in-age relationships, Personal Care Assistants, dual relationships, and emergencies.

**The following exceptions are applicable within all Required Prevention Policies unless otherwise noted.**

#### A. Mandatory Components

1. A Close-in-Age Exception

The purpose of this exception is to allow for continued relationships among athletes on the same team.

This exception allows for one-on-one In-Program Contact between an Adult Participant and a Minor Athlete if:

- a. The Adult Participant has **no** authority over the Minor Athlete; and
- b. The Adult Participant is not more than 4 years older (determined by birth date) than the Minor Athlete.

***Note: This exception is different than the close-in-age exception in the [SafeSport Code](#) pertaining to misconduct.***

2. Exceptions for Adult Participant Personal Care Assistants Working with a Minor Athlete

This exception exists for Adult Participants who also assist an athlete with activities of daily living and preparation for athletic participation.

This exception allows for one-on-one In-Program Contact between an Adult Participant and a Minor Athlete if the following requirements are met:

- a. the Minor Athlete's parent/guardian has provided written consent to USA Boxing, its LBCs and Clubs for the Adult Participant Personal Care Assistant to work with the Minor Athlete; and
- b. the Adult Participant Personal Care Assistant has complied with the Education & Training Policy; and
- c. the Adult Participant Personal Care Assistant has complied with USA Boxing, its LBCs and Clubs screening policy.

3. Exceptions for Dual Relationships

This exception allows for one-on-one In-Program Contact when the Adult Participant has a relationship with a Minor Athlete that is outside of the sport program. The exception requires written consent of the Minor Athlete's parent/guardian at least annually. The consent must identify for which Required Prevention Policies the parent/guardian is allowing the one-on-one In-Program Contact.

4. Emergency Exception

This exception applies to all Required Prevention Policies for situations where an Adult Participant must violate requirement(s) of the MAAPP due to an emergency. Adult Participants must carefully consider whether specific circumstances meet the threshold of "emergency." Adult Participants should document emergency situations in accordance with their Organization's protocols.

The Center recommends parents take training on child abuse prevention before providing consent to the above exceptions. The Center offers a free Parent Course at [safesporttrained.org](http://safesporttrained.org).

## **MEETINGS**

---

Sexual abuse often happens when children are alone with their abusers. This section provides policies for meetings to limit one-on-one interactions between children and adults, including mental health care professionals and licensed health care providers.

## A. Mandatory Components

### 1. Observable and Interruptible

- a. Adult Participants must ensure that all In-Program meetings with Minor Athletes be observable and interruptible, unless an exception exists.

### 2. Meetings with licensed mental health care professionals and health care providers (other than athletic trainers<sup>4</sup>)

If a licensed mental health care professional, licensed health care provider, or a student under the supervision of a licensed mental health care professional or licensed health care provider, meets one-on-one with a Minor Athlete at a sanctioned event or a facility, which is partially or fully under USA Boxing, its LBCs and Clubs jurisdiction, the meeting must be observable and interruptible except:

- a. If the door remains unlocked; and
- b. Another adult is present at the facility and notified that a meeting is occurring, although the Minor Athlete's identity needs not be disclosed; and
- c. USA Boxing, its LBCs and Clubs are notified that the professional or provider will be meeting with a Minor Athlete; and,
- d. The professional or provider obtains consent consistent with applicable laws and ethical standards, which can be withdrawn at any time.

---

<sup>4</sup> Athletic trainers who are covered under these policies must follow the “**Manual Theory and Therapeutic and Recovery Modalities**” policy.

## **INDIVIDUAL TRAINING SESSIONS**

---

Some abusers will single out athletes for special one-on-one instruction. This kind of isolation provides opportunities for abuse to occur. This section establishes rules for individual training sessions to protect youth athletes from uncomfortable or unsafe situations.

### **A. Mandatory Components**

1. Observable and Interruptible

Adult Participants must ensure all In-Program individual training sessions with a Minor Athlete be observable and interruptible unless an exception exists.

2. Consent

The Adult Participant providing the individual training session must receive advance, written consent from the Minor Athlete's parent/guardian at least annually, which can be withdrawn at any time; and

3. Parent Observation

Parents/guardians must be allowed to observe the individual training session.

## MANUAL THERAPY AND THERAPEUTIC AND RECOVERY MANUAL MODALITIES<sup>5</sup>

---

Many athletes require therapies to prevent or treat injuries. However, these treatment sessions can place children in vulnerable positions, especially if they involve physical contact with adults. This section establishes standards for therapeutic and recovery modalities and manual therapy to reduce the risk of inappropriate contact between youth and adults.

### A. Mandatory Components

Note: Only the emergency exception applies within this policy.

#### 1. Observable and Interruptible

Adult Participants must ensure that all In-Program Contact during manual therapy and therapeutic modalities and recovery modalities with Minor Athletes must be observable and interruptible.

#### 2. Manual Therapy and Therapeutic and Recovery Modalities Requirements

Adult Participants must ensure all In-Program manual therapy and therapeutic and recovery modalities meet the following requirements:

- a. Have another Adult Participant physically present for the modality or manual therapy; and
- b. Have documented consent as explained in subsection (4) below; and
- c. Be performed with the Minor Athlete fully or partially clothed, ensuring that the breasts, buttocks, groin, or genitals are always covered; and
- d. Allow parents/guardians in the room as an observer, except for competition or training venues that limit credentialing; and
- e. The provider must narrate the steps in the modality before taking them, seeking assent of the Minor Athlete throughout the process.

#### 3. Consent

- a. Providers of manual therapy, therapeutic modalities, or recovery modalities or USA Boxing, its LBCs and Clubs, when applicable, must obtain consent at least annually from Minor Athletes' parents/guardians before providing any manual therapy, therapeutic modalities, or recovery modalities.
- b. Minor Athletes or their parents/guardians can withdraw consent at any time.

---

<sup>5</sup> Manual therapy and therapeutic and recovery modalities can be different for each sport. They can include, but are not limited to: first aid, massage, taping, cupping, stretching, cryotherapy, neuromuscular stimulations, electrical stimulation, or other modalities within the scope of a Healthcare Provider's credentials.

## **LOCKER ROOMS AND CHANGING AREAS**

---

Young athletes may be especially vulnerable to abuse in changing areas where they are undressing and possibly showering. Appropriate monitoring is necessary in these areas to prevent abuse and other inappropriate conduct. This section outlines policies for locker rooms and changing areas to ensure privacy and safety.

### **A. Mandatory Components**

#### **1. Observable and Interruptible**

Adult Participants must ensure that all In-Program Contact with Minor Athlete(s) in a locker room, changing area, or similar space where Minor Athlete(s) are present is observable and interruptible, unless an exception exists.

#### **2. Conduct in Locker Rooms, Changing Areas, and Similar Spaces**

- a. No Adult Participant or Minor Athlete can use the photographic or recording capabilities of any device in locker rooms, changing areas, or any other area designated as a place for changing clothes or undressing.
- b. Adult Participants must not remove their clothes or behave in a manner that intentionally or recklessly exposes their breasts, buttocks, groin, or genitals to a Minor Athlete in a locker room or changing area.
- c. Adult Participants must not shower with Minor Athletes unless:
  - i. The Adult Participant meets the Close-in-Age Exception; or
  - ii. The shower is part of a pre- or post-activity rinse while wearing swimwear.
- d. Parents/guardians may request in writing that their Minor Athlete(s) not change or shower with Adult Participant(s) during In-Program Contact. USA Boxing, its LBCs and Clubs and the Adult Participant(s) must abide by this request.

#### **3. Media and Championship Celebrations in Locker Rooms**

USA Boxing, its LBCs and Clubs, may permit recording or photography in locker rooms for the purpose of highlighting a sport or athletic accomplishment if:

- a. Parent/legal guardian consent has been obtained; and
- b. USA Boxing, its LBCs and Clubs approve the specific instance of recording or photography; and

- c. Two or more Adult Participants are present; and
  - d. Everyone is fully clothed.
4. Personal Care Assistants  
Adult Participant Personal Care Assistants are permitted to be with and assist Minor Athlete(s) in locker rooms, changing areas, and similar spaces where other Minor Athletes are present, if they meet the requirements detailed in “Meetings” pages 32-33.
5. Availability and Monitoring of Locker Rooms, Changing Areas, and Similar Spaces
- a. USA Boxing, its LBCs and Clubs, must provide a private or semi-private place for Minor Athletes that need to change clothes or undress at sanctioned events or facilities partially or fully under USA Boxing, its LBCs and Clubs jurisdiction.
  - b. USA Boxing, its LBCs and Clubs, must monitor the use of locker rooms, changing areas, and similar spaces to ensure compliance with these policies at sanctioned events or facilities partially or fully under USA Boxing, its LBCs and Clubs jurisdiction.

## **ELECTRONIC COMMUNICATIONS<sup>6</sup>**

---

Technology has made it easier for teams to communicate and share information. Unfortunately, it also makes it easier for abusers to contact children without supervision or share inappropriate images and video. This section sets standards for appropriate electronic communications between youth and adults.

### **A. Mandatory Components**

#### 1. Open and Transparent

- a. All one-on-one electronic communications between an Adult Participant and a Minor Athlete must be Open and Transparent, unless an exception exists.
- b. “Open and Transparent” means that the Adult Participant copies or includes the Minor Athlete’s parent/guardian, another adult family member of the Minor Athlete, or another Adult Participant on every communication.
  - If a Minor Athlete communicates with the Adult Participant first, the Adult Participant must follow this policy if the Adult Participant responds.
- c. Only platforms that allow for Open and Transparent communication may be used to communicate with Minor Athletes.

<sup>6</sup> Electronic communications include, but are not limited to: email, phone calls, videoconferencing, video coaching, texting, social media, or through any other electronic medium.

2. Team Communication

When an Adult Participant communicates electronically to the entire team or any number of Minor Athletes on the team, the Adult Participant must copy or include the Minor Athletes' parents/guardians, another adult family member of the Minor Athletes, or another Adult Participant.

3. Content

All electronic communication originating from an Adult Participant(s) to a Minor Athlete(s) must be professional in nature unless an exception exists.

4. Requests to Discontinue

Parents/guardians may request in writing that USA Boxing, its LBCs and Clubs or an Adult Participant not contact their Minor Athlete through any form of electronic communication. USA Boxing, its LBCs and Clubs and the Adult Participant must abide by any request to discontinue, absent emergency circumstances.

## **TRANSPORTATION**

---

Athletes are often carpooling or traveling without the supervision of their parent/guardian to practices and competitions. This can place them in vulnerable positions where they are susceptible to abuse. This section establishes policies for adults transporting children to or from sport activities.

### **A. Mandatory Components**

1. Observable and Interruptible

Adult participants must ensure that all In-Program Contact during Transportation is Observable and Interruptible unless an exception exists or:

- a. The Adult Participant has advanced, written consent to transport the Minor Athlete one-on-one, obtained at least annually from the Minor Athlete's parent/guardian. Minor Athlete(s) or their parent/guardian can withdraw consent at any time.
- b. The Adult Participant is accompanied by another Adult Participant or at least two minors who are at least 8 years of age.

2. Additional Requirements for Transportation Authorized or Funded by USA Boxing, its LBCs and Clubs
  - a. Written consent from a Minor Athlete's parent/guardian is required for all transportation authorized or funded by USA Boxing, its LBCs and Clubs at least annually.
  - b. Minor Athlete(s) or their parent/guardian can withdraw consent at any time.

## **LODGING AND RESIDENTIAL ENVIRONMENTS**

---

Youth athletes traveling overnight face greater risk of sexual abuse if they are traveling without their parent/guardian. Abusers can take advantage of the situation by trying to have unsupervised time alone with children. This section sets rules for sleeping arrangements and room monitoring to protect athletes during overnight travel.

### **A. Mandatory Components**

1. Observable and Interruptible

All In-Program Contact during lodging must be observable and interruptible unless an exception exists.

  - a. Lodging arrangements covered under this policy include, but are not limited to, hotel stays, rentals (i.e., Airbnb, VRBO, HomeToGo, etc.), and long-term residential environments, including lodging at training sites and billeting.
2. Hotel Rooms and Other Sleeping Arrangements
  - a. An Adult Participant cannot share a hotel room or otherwise sleep in the same room with a Minor Athlete(s), unless an exception exists **and** the Minor Athlete's parent/guardian has provided USA Boxing, its LBCs and Clubs or Adult Participant with advance, written consent for each specific lodging arrangement.
  - b. Written consent from a Minor Athlete's parent/guardian must be obtained for all In-Program lodging at least annually.
  - c. Minor Athlete(s) or their parent/guardian can withdraw consent at any time.
3. Monitoring or Room Checks During In-Program Travel

If USA Boxing, its LBCs and Clubs perform room checks during In-Program lodging, the one-on-one interaction policy must be followed and at least two adults must be present for the room checks.
4. Additional Requirements for Lodging Authorized or Funded by USA Boxing, its LBCs and

Clubs

Adult Participants that travel overnight with Minor Athlete(s) are assumed to have Authority over Minor Athlete(s) and thus must comply with the Education and Training policy outlined in Part II, unless the Adult Participant meets the Close-in-Age exception.

## **PART IV**

### **RECOMMENDED POLICIES FOR KEEPING YOUNG ATHLETES SAFE**

#### **A. Out-of-Program Contact**

Adult Participants, who do not meet the Close-in-Age Exception nor have a Dual Relationship with a Minor Athlete, should not have out-of-program contact with Minor Athlete(s) without legal/parent guardian consent, even if the out-of-program contact is not one-on-one.

#### **B. Gifting**

1. Adult Participants, who do not meet the Close-in-Age Exception nor have a Dual Relationship with a Minor Athlete, should not give personal gifts to Minor Athlete(s).
2. Gifts that are equally distributed to all athletes and serve a motivational or educational purpose are permitted.

#### **C. Photography/Video**

1. Photographs or videos of athletes may only be taken in public view and must observe generally accepted standards of decency.
2. Adult Participants should not publicly share or post photos or videos of Minor Athlete(s) if the Adult Participant has not obtained the parent/guardian and Minor Athlete's consent.

## TERMINOLOGY

**Adult Participant:** Any adult (18 years of age or older) who is:

- a. A member or license holder of USA Boxing, its LBCs and Clubs;
- b. An employee or board member of USA Boxing, its LBCs and Clubs;
- c. Within the governance or disciplinary jurisdiction of USA Boxing, its LBCs and Clubs;
- d. Authorized, approved, or appointed by USA Boxing, its LBCs and Clubs to have regular contact with or authority over minor athletes.<sup>7</sup>

**Amateur Athlete:** An athlete who meets the eligibility standards established by the National Governing Body for the sport in which the athlete competes.

**Authority:** When one person's position over another person is such that, based on the totality of the circumstances, they have the power or right to direct, control, give orders to, or make decisions for that person. ## **POLICY 5: REPORTING**

In compliance with the SafeSport Code, Adult Participants report allegations or reasonable suspicion of child abuse, including child sexual abuse, and sexual misconduct, to the Center immediately after becoming aware of the allegation(s). USA Boxing members shall report any misconduct as defined in **USA Boxing Athlete Safety Policy, the Minor Athlete Abuse Prevention Policy (MAAPP), or this Safe Sport Policy Handbook** that he or she observes or that has been reported to him or her by accessing the **Online reporting portal** at <http://USCenterForSafeSport.org/report-a-concern> or via **Telephone: (833) 587-7233**.

**Any report received by the Organization of an allegation that falls within the Center’s exclusive jurisdiction must be referred by the Organization directly to the Center immediately and no later than 24 hours.** The US Center for SafeSport has exclusive jurisdiction for all reports of misconduct involving sexualized behaviors including boundary violations, grooming behaviors, child sexual abuse, sexual misconduct (romantic relationship with imbalance of power, sexual exploitations, sexual harassment, sexual assault and violence), sexualized bullying and sexualized hazing.

The Center also has discretionary jurisdiction over all other misconduct stated in Policy 3, Athlete Safety Policy and Policy 4, Minor Athlete and Abuse Prevention Policies (MAAPP). These violations may also be reported via the USA Boxing Safe Sport mailbox at [SafeSport@usaboxing.org](mailto:SafeSport@usaboxing.org) or by telephone 719-866-2323 or via the anonymous online reporting link <https://forms.office.com/r/4YZY7BRR3u>.

**IMPORTANT NOTE: There are no associated costs, fees, or other financial barriers to submitting a report.**

### **“Whistleblower” Protection**

Regardless of whether the allegation(s) is proven, USA Boxing will support the complainant(s) and his or her right to express concerns in good faith. USA Boxing will not encourage, allow or tolerate attempts from any individual to retaliate, punish or in any way harm any individual(s) who reports a concern in good faith. Such actions against a complainant may be grounds for disciplinary action.

### **Bad-Faith Allegations**

Submitting a knowingly false allegation is prohibited and may violate state criminal law and civil defamation laws. Such reports will be considered a violation of USA Boxing Safe Sport Policy Handbook and may be subject to penalty in accordance with Article 17 of the USA Boxing Bylaws.

### **Additional Considerations Regarding Reporting Sexual Misconduct**

#### ***Grooming***

Because sexual abusers often “groom” children for abuse – the process used by offenders to select a child, to win the child’s trust (and the trust of the child’s parent or guardian), to manipulate the child into sexual activity and to keep the child from disclosing abuse – it is possible that a USA Boxing

member may witness behavior intended to groom a child for sexual abuse. All questions or concerns related to inappropriate, suspicious or suspected grooming behavior should be directed to **The U.S. Center for SafeSport Online portal** <http://USCenterForSafeSport.org/report-a-concern> or via **Telephone:** (833) 587-7233 or the USA Boxing Safe Sport mailbox at [SafeSport@usaboxing.org](mailto:SafeSport@usaboxing.org) or via telephone 719-866-2323.

### ***Peer-to-Peer Sexual Abuse***

Approximately 1/3 of all child sexual abuse occurs at the hands of other children and the obligation to report extends to peer-to-peer child sexual abuse. Whether or not a sexual interaction between children constitutes child sexual abuse turns on the existence of an aggressor, the age difference between the children, and/or whether there is an imbalance of power or intellectual capabilities. If you have any concerns that an interaction between children may constitute sexual abuse, report it to **The U.S. Center for SafeSport, via the Online portal** <http://USCenterForSafeSport.org/report-a-concern> or via **Telephone:** (833) 587-7233 or the USA Boxing Safe Sport mailbox at [SafeSport@usaboxing.org](mailto:SafeSport@usaboxing.org) or by telephone, 719-866-2323.

## **REPORTING PROCEDURE**

### **To Whom to Report**

1. An Adult Participant who learns of information or reasonably suspects that a child has suffered an incident of child abuse, including sexual abuse, must immediately:
  - a. Make a report to law enforcement **AND**
  - b. Make a report to the U.S. Center for SafeSport **AND**
  - c. Comply with any other applicable reporting requirements under state law.
2. Reporting to the Center alone is not sufficient. You must report to both the Center and to law enforcement and must comply with any other applicable state or federal laws.
3. Child Abuse includes incidents that involved a victim who is a minor at the time of the alleged incident, even if the victim is now an adult.
4. Any report of sexual misconduct or any allegation that falls within the Center's exclusive jurisdiction must be made directly to the U.S. Center for SafeSport immediately and no later than 24 hours via online reporting at (<http://USCenterForSafeSport.org/report-a-concern>) or via telephone, call (833) 587-7233. You may also contact the USA Boxing Safe Sport mailbox at [SafeSport@usaboxing.org](mailto:SafeSport@usaboxing.org) or via telephone 719-866-2323 or anonymously via this link on the USA Boxing website <https://forms.office.com/r/4YZ7BRR3u> to report sexual misconduct, or to report all other types of misconduct, including violation of the Minor Athlete Abuse Prevention Policies.

### **How to Report**

The U.S. Center for SafeSport (The Center) or USA Boxing will take a report in the way that is most

comfortable for the person initiating a report including an anonymous, in-person, verbal, or written report. Regardless of the method of reporting, it is helpful to The Center and USA Boxing to get the following information: (1) the name of the complainant(s); (2) the type of misconduct alleged; (3) the name(s) of the alleged victim(s); and (4) the name(s) of the individual(s) alleged to have committed the misconduct.

Individuals may complete an Incident Report Form. Information on this form will include:

- 1) the name(s) of the complainant(s)
- 2) the type of misconduct alleged
- 3) the name(s) of the alleged victim(s)
- 4) the name(s) of the individual(s) alleged to have committed the misconduct
- 5) the approximate dates the misconduct was committed
- 6) the names of other individuals who might have information regarding the alleged misconduct
- 7) a summary statement of the reasons to believe that misconduct has occurred

## **CONFIDENTIALITY AND ANONYMOUS REPORTING**

### **Confidentiality**

To the extent permitted by law, and as appropriate, The Center and USA Boxing will handle any report it receives confidentially and discretely and will not make public the names of the complaint(s), potential victim(s), or accused perpetrator(s); however, The Center and USA Boxing may disclose such names on a limited basis when conducting an investigation or reporting to law enforcement authorities.

### **Anonymous Reporting**

The Center and USA Boxing recognize it can be difficult to report an allegation of misconduct and strives to remove as many barriers to reporting as possible. Anonymous reports may be made without the formality of completing an Incident Report Form:

- by completing the Reporting Form without including their name; or
- by expressing concerns verbally to **The U.S. Center for SafeSport, Online:** <http://USCenterForSafeSport.org/report-a-concern> or via **Telephone:** (833) 587-7233 or **the USA Boxing Safe Sport Representative** at (719) 866-2323, email [SafeSport@usaboxing.org](mailto:SafeSport@usaboxing.org).
- by reporting through the anonymous portal on USA Boxing's website [https://forms.office.com/pages/responsepage.aspx?id=pB65vf\\_Y20KSGJCAqc7YsLsS\\_Rz977dGjsnWpgR6Hw1UNFZQUzA3MUdQN0RZUDNCSjhLQVdMUjE0NC4u&route=shorturl](https://forms.office.com/pages/responsepage.aspx?id=pB65vf_Y20KSGJCAqc7YsLsS_Rz977dGjsnWpgR6Hw1UNFZQUzA3MUdQN0RZUDNCSjhLQVdMUjE0NC4u&route=shorturl).

Anonymous reporting may make it difficult for USA Boxing to investigate or properly address allegations.

## **HOW REPORTS ARE HANDLED**

### **Suspicious or Allegations of Child Physical or Sexual Abuse**

#### ***Reporting to Law Enforcement and/or Child Protective Services***

The Center and USA Boxing report all allegations of child physical or sexual abuse to law enforcement authorities. These entities do not attempt to evaluate the credibility or validity of child physical or sexual abuse as a condition for reporting to appropriate law enforcement authorities. As necessary, however, The Center or USA Boxing may ask a few clarifying questions of the person making the report to adequately report the suspicion or allegation to law enforcement authorities.

\* For mandatory reporting laws, visit [www.childwelfare.gov](http://www.childwelfare.gov).

### **Misconduct and Policy Violations**

The U.S. Center for SafeSport and USA Boxing address internally alleged Safe Sport Policy Handbook violations and misconduct, including Athlete Safety Policy violations that are not reportable under relevant state or federal law.

The Center may also investigate allegations of child physical or sexual abuse that are reportable, if such investigation does not interfere with any ongoing criminal investigation or prosecution for abuse. Such allegations may include:

- Abuse reported outside the relevant statutes of limitation
- Allegations of abuse that were reported to authorities, but: (a) legal authorities did not press criminal charges; or (b) criminal charges were filed but not pursued to trial.

### **NOTIFICATION**

Following the Center's or USA Boxing's receipt of a credible allegation involving Safe Sport-related misconduct, The Center may consider the circumstances in which it will notify other parents of athletes with whom the accused individual may have had contact. In the Center's discretion, and as appropriate, the Center may notify relevant staff members, contractors, volunteers, parents, and/or athletes of any such allegation that (1) law enforcement authorities are actively investigating; or (2) that the Center is investigating internally. Advising others of an allegation may lead to additional reports of child physical or sexual abuse and other misconduct.

## **POLICY 6: RESPONSE & RESOLUTION**

### **Jurisdictional Notification**

USA Boxing will promptly inform an identified reporting party once a jurisdictional determination has been made regarding whether a report is: 1) being referred to the Center; or 2) being addressed by USA Boxing.

***Important Note: USA Boxing LBCs do not respond to or resolve allegations of misconduct.***

USA Boxing's SafeSport Team shall ensure the Response and Resolution Policy is being followed. The Membership Department will assign a designated staff member to be responsible for responding to requests from the Center within 72 hours.

### **Investigations, Response, and Resolution**

USA Boxing shall support the Center in all investigations by providing information as needed to the Center and by honoring all Center findings. USA Boxing may also conduct investigations if the Center has declined jurisdiction.

USA Boxing prohibits any retaliation before, during, and after the process of reporting, investigating, and resolving abuse or misconduct allegations. USA Boxing has zero tolerance for retaliation against individuals who make good faith reports of potential ethical, policy, financial or legal violations, or those who cooperate with investigations regardless of whether the jurisdiction remains with the Center or with USA Boxing.

### **Ongoing SafeSport Investigations**

USA Boxing may implement temporary measures, if necessary, prior to the assertion of jurisdiction by the Center. USA Boxing also enforces temporary measures and permanent measures, including bans, implemented by the Center.

USA Boxing will not interfere in, attempt to interfere in, or attempt to influence the outcome of any Center investigation. Additionally, USA Boxing will respond to requests from the Center regarding the eligibility status of a Participant and/or the existence of USA Boxing imposed temporary measures within 72 hours of the request.

When the Center has imposed a measure, USA Boxing notifies the relevant individuals and informs them of the required actions (i.e., suspending their membership, placing them on jurisdictional hold, etc.).

### **Emotional, Physical and Minor Athlete Abuse Prevention Policy (MAAPP) Investigations**

In the event the Center declines jurisdiction for a matter that USA Boxing perceives as a serious safety allegation, such as emotional or physical abuse, or a MAAPP violation, there will be an internal investigation. USA Boxing makes a decision based on the findings of the investigation. Cases are

handled on an individual basis and may be referred to the Ethics Committee, depending on the situation.

USA Boxing maintains and updates a log recording all the cases under USA Boxing's jurisdiction. This log includes the allegations, how USA Boxing responded to the allegations, and their respective outcomes. Following the conclusion of the investigation, USA Boxing will send a closure letter to the claimant and respondent.

### **Data of Matters Addressed by USA Boxing**

On an annual basis, USA Boxing will submit a report to the Center regarding matters that have been addressed by the organization. Data sourced from USA Boxing Excel tracking document. This data will include reports covering the following areas:

- Total reported incidents of alleged emotional misconduct

## **POLICY 7: ENFORCEMENT**

### **Enforcement**

The enforcement of the policies contained in this Safe Sport Policy Handbook fall under the jurisdiction of the U.S. Center for SafeSport or the USA Boxing Judicial Committee. As such, The Center and Articles 14-15 of the USA Boxing Bylaws govern the enforcement phase and set forth the penalties that may be imposed for any violation of this Safe Sport Policy Handbook.

Neither civil nor criminal nor USA Boxing statutes of limitation apply to reports of cases of sexual abuse.

[Article 14 of the Bylaws contemplates the Procedures that shall govern complaints filed pursuant to Article 14, which Procedures shall be posted on the USA Boxing website]

## **POLICY 8: QUALITY CONTROL**

USA Boxing utilizes this written policy and protocol to vet participants at USAB sanctioned events as follows:

- All Adult Participants with regular contact or authority over amateur athletes who are minors have successfully completed mandatory SafeSport training
- No event participant is included on USA Boxing's Organizational Exclusion List (OEL), this includes individuals on jurisdictional hold)

### **I. Communication Plan**

USA Boxing will communicate with membership and participants as follows:

1. USA Boxing will communicate the Center approved MAAPP Education and Training Policy and Required Prevention Policies to all members and Adult Participants and LAOs at least once per calendar year via direct email.
2. USA Boxing will communicate the mechanism for reporting concerns involving alleged sexual misconduct, alleged physical misconduct, alleged emotional misconduct, or violations of the MAAPP at least once per calendar year via direct email.
3. The USA Boxing Quality Control System will be emailed to all USA Boxing event directors a minimum of once per calendar year.
4. For USA Boxing National events, within 30 days of the start of the tournament, the USA Boxing Athlete Safety Coordinator will email all registered participants the Center approved Education and Training Policy and Required Prevention Policies and reporting protocols for all concerns involving alleged sexual misconduct, alleged physical misconduct, alleged emotional misconduct, or violations of the MAAPP.
  - a. For all other USA Boxing sanctioned events, a copy of the Center approved Education and Training Policy and Required Prevention Policies and reporting protocols for all concerns involving alleged sexual misconduct, physical misconduct, emotional misconduct, or violations of the MAAPP will be posted in its quarterly newsletter and on the Local/National Upcoming Events Page on the USA Boxing Website. In addition, these documents will be posted in the event venue. USA Boxing members are provided the MAAPP Education and Training Policy and Required Prevention Policies, and the Reporting Protocol on an annual basis. For all other categories of participants at sanctioned events (i.e., announcers, volunteers, etc.), the check-in table will direct individuals to signage including a link/QR Code to the policies and reporting protocol, or a hard copy will be provided at check in.

### **II. Coaches, Officials, Medical Staff, Event Staff**

USA Boxing employs a registration system wherein participants sign up for membership online. This system (Webpoint) confirms membership requirements have been met prior to being made "current" and able to print a membership card. If an individual with a role of regular contact with or authority

over Minor Athletes is not current with their SafeSport required Core or Refresher training, they will not be permitted to participate in a role of regular contact with or authority over Minor Athletes until training is completed.

Non-athletes – The Webpoint system requirements for a non-athlete to be marked as current =

1. Membership
2. Clear Background Screening (includes check of USA Boxing's Exclusion List)
3. Mandatory SafeSport Training Complete

All Coaches and Officials are issued passbooks which are required to participate in a sanctioned event and assist with verifying credentials

### **III. Boxers (athletes)**

As with non-athlete members, boxers register for their annual membership through the Webpoint online registration system. Boxers are required to provide:

1. Proof of U.S. Citizenship via birth certificate or U.S. Passport
2. Proof of birthdate also via birth certificate or U.S. Passport
3. A valid annual physical giving them medical clearance to participate in sport.

In addition to the Webpoint online registration system, each athlete is issued a boxing "passbook" which includes membership documentation as well as a record of pre and post bout physicals, bout results and any incidence of a medical restriction. Passbooks are required to participate in a sanctioned event and assist with validation of all participation requirements.

The Webpoint online registration system includes a check of USA Boxing's Organizational Exclusion List (OEL). The OEL is maintained by the Membership Department with designated staff assigned to ensure all individuals membership records are marked as ineligible as determined by SafeSport, the USA Boxing Judicial Committee, etc.

### **IV. Webpoint Online Event Registration Non-Athletes and Boxers**

The online system verifies the three (3) non-athlete requirements, or four (4) boxer requirements have been successfully completed before the participant is allowed to register for the event.

If someone has not completed the requirements, they **cannot register for the event.**

### **V. Jurisdictional Holds**

When a USA Boxing member is placed on Jurisdictional Hold, their membership account is flagged, they are notified that they cannot participate, and LBC leaders are notified in writing this has occurred. This is to prevent the person(s) from participating in USA Boxing programs and sanctioned events.

Should a person on Jurisdictional Hold attempt to participate, the event organizer must notify USA Boxing who will then notify the Center.

#### **VI. Onsite Check-in during event**

- a.** When registration through Webpoint occurs; non-athletes, including officials, coaches, and medical staff, physically check-in before the beginning of the boxing event and receive credentials. The credential represents the fulfillment of these requirements:
  - i. Registered properly for event, agreeing to all waivers
  - ii. Mandatory SafeSport training complete
  - iii. Background Screening passed
  - iv. Non-Athlete certification (coach or official) completed
  - v. Participant list checked against current Organization Exclusion List (OEL) and confirmed to not be on Jurisdictional Hold (anyone on this list trying to participate will be removed from the venue followed by notification to the Center)
  
- b.** When registration is not conducted through Webpoint, the OIC (Official-in-Charge) or designee will verify current membership via membership card and Webpoint membership system search which includes all member suspensions, Jurisdictional Holds or lapsed status. Anyone on suspension or Jurisdictional Hold trying to participate will be removed from the venue followed by notification to the Center. The membership card confirms:
  - i. Current membership
  - ii. Successful completion of background screening
  - iii. Expiration date of SafeSport Training
  - iv. Non-Athlete certification completed

#### **VII. Walk-up coach/official registration (including last minute substitutions) for event**

If a coach/official has not registered online for the event, USA Boxing Event Check-in Staff will verify the three (3) requirements are met (current member) to participate, register the person in the online system and provide a printed copy of the MAAPPS at-a-glance document and reporting information. **(Please note**, a current member has passed the background screening which vets the Exclusion list as well as completed mandatory SafeSport Training).

**There is NO on-site event registration for boxers.** Check-in process at events requires the athlete to produce their USA Boxing passbook with current membership card attached. Online event registration vets the Organization Exclusion List (including jurisdictional holds). Athlete is cross-checked against the registration list and then issued a credential.

**VIII. Steps for other categories of participant:**

**Media, Vendor/Sponsors, Ring Announcers, Volunteers** – Each Media, Vendor/Sponsor and Ring Announcer, Volunteer representative fills out a Credential Application and while not required to complete SafeSport Training each representative is checked against USA Boxing’s Exclusion List and confirmed to not be on Jurisdictional Hold before being issued a credential by USA Boxing Event Check-in Staff. All event participants will also receive the MAAPP At-A-Glance and reporting information.

Any event participant who appears on USA Boxing’s Organization Exclusion List or Jurisdictional Hold List will be prohibited from participating in any capacity.

Participants are encouraged to submit credential applications prior to the event so the confirmation of participation can be accomplished prior to the event however, we will also allow these individuals to be vetted on site at the event.

**IX. Trial Scales Area Monitoring**

Designated Trial Scales Areas will be monitored randomly by Event Staff using such methods as QR code scanning or manual trial scale monitoring checklist.
