## To Our USA Triathlon Community,

As the National Governing Body for triathlon in the United States, USA Triathlon is steadfast in our commitment to growing and strengthening the sport and broader multisport community. Our mission is centered on increasing participation and inclusivity, lowering barriers to entry, and delivering essential programming, resources, and connections to support all constituents.

We aim to empower athletes at every level—from grassroots participants to elite international competitors—and we are equally focused on serving the backbone of our community: race directors, coaches, and clubs.

As we share our 2024 audited financial statements and IRS Form 990, we want to reaffirm our strategic direction. Our long-term vision, outlined in *Elevate 2028: Focus Forward*, is to unite and inspire our community while building a vibrant and sustainable future for triathlon and multisport in the U.S. Since launching this plan, we've taken bold, intentional steps to expand the sport's reach, foster innovation, and recover from the lingering impacts of the pandemic.

We acknowledge that the path to financial recovery has presented challenges. Following higher-than-anticipated losses in 2022 and 2023, we continued to make strategic investments designed to secure the long-term viability of both our organization and the sport. In 2024, while we again experienced a financial loss, it remained within our budgeted expectations and marks a notable improvement from prior years.

This outcome reflects a more balanced approach—one that preserves the core programs and services that provide tangible value to our members while responsibly managing costs and aligning resources to long-term goals. The temporary deficits we've incurred are part of a broader strategy to build sustainable momentum and organizational resilience.

Looking ahead, we anticipate further financial improvement in 2025 and beyond, driven by sound financial discipline, innovative programming, and a shared commitment to our mission.

We have already begun executing on our 2025–2028 strategic plan, which was released in early 2025. Our journey is a collective one, and we are grateful for your continued trust and support as we work to elevate not just USA Triathlon, but the entire multisport ecosystem.
