HOSTING REQUIREMENTS AND RESPONSIBILITIES

To approve this request, the following parties must agree to the terms below. This ensures the best overall experience for our coaches, hosts, LBCs, and USA Boxing.

HOST

- **USA Boxing has dedicated several years into the development of our coaching education curriculum. Thus, this information is highly sensitive. We ask hosts to help maintain the integrity of the course by prohibiting any recording devices for the duration of the clinic.**
- Provide a facility with approximately 1800 sq. ft. (41' x 41') of open space (gymnasium, conference room, etc.). This space needs to have a dedicated area where the clinic can be hosted without interruption. As there is a lecture component to the clinic, we ask hosts to offer a formal learning space (chairs, tables, etc) to best accommodate the learning experience
- If the facility is a working gym/club, we ask that you consider closing or relocating operations, as this has been reported to be a distraction by previous classes
- A reliable Wi-Fi connection
- Assist with the promotion and advertising of the clinic, locally, where possible

USA BOXING

- USA Boxing will be responsible for facilitating the clinician(s), along with covering their travel expenses, which include, but may not be limited to:
 - Airfare
 - Lodging Expenses
 - Per Diem
- USA Boxing will also provide all learning materials for the clinic

LBC

- Assist with the transportation of the clinician to/from the airport, hotel, and the facility hosting the clinic. USA Boxing will attempt to absorb those expenses with the clinician's travel arrangements, where available. If not, we ask the LBC to work in conjunction with the clinic host to arrange transportation for the clinician.
