USA Taekwondo, SafeSport and the MAAPP Policy

Safe Sport is an initiative that is mandatory for all USOPC National Governing Bodies to develop and to implement. USA Taekwondo has done so, and it is now a requirement that people in supervisory positions with our Taekwondo athletes must undergo and successfully complete a background check. Of course, the emphasis here is on the safety of our athletes and the strong motivation to keep them safe from all kinds of abuse, including harassment, bullying and improper touching. We will also be providing training for our membership regarding Safe Sport and its implementation.

We are partnering with the USOPC to bring this training to our membership. Athlete safety concerns our entire membership, and SafeSport is a great initiative that has been instituted by the U.S. Olympic & Paralympic Committee to help to protect all of our athletes.

The Minor Athlete Abuse Prevention Policies (MAAPP) limits one-on-one adult/minor interactions and sets standards for training and sport settings that prevent abuse and misconduct. Sport organizations invested in keeping young athletes free of abuse are strongly encouraged to adopt the MAAPP—now required throughout the U.S. Olympic and Paralympic Movement.
