# OCEANIA ARTISTIC SWIMMING OPEN CHAMPIONSHIPS

---

Oceania Aquatics, along with the New Zealand and Australia Artistic Swimming Federations, are excited to launch the **Oceania Artistic Swimming Oceania Open Championships**.

Three Oceania nations—Australia, New Zealand, and New Caledonia—regularly compete in artistic swimming at their respective National competitions, and often welcome athletes from Singapore, Hong Kong, China, Japan, and other Pacific Rim countries. We hope to attract teams from these nations and further afield in launching the Continental Championships, a Tier 2 event.

The Oceania Open will occur in conjunction with the respective New Zealand and Australian National Championships in alternating years - in September/October in New Zealand, and in April/May in Australia.

**The inaugural event will be hosted by New Zealand in Wellington from the 19th-23rd September this year.**
