Questions, Thoughts & Ideas?

We want to hear from you! If you have questions about being a Masters skater in the US, please let us know! There is no question too big or too small. Do you have thoughts or ideas on how the committee could provide better support? Please let us know! It takes many volunteers a huge number of hours to make this possible and we welcome your feedback and hopefully your ability to contribute volunteer hours as well.

Please contact Michael Burdekin, the USS Staff liaison at mburdekin@usspeedskating.org and your questions and comments will be distributed to the Masters Committee.
