June 14, 2021**

It is the duty of individual members of USA Racquetball to comply with all anti-doping rules of the World Anti-Doping Agency (WADA), the International Racquetball Federation, the USOPC including the USOPC National Anti-Doping Policy, and of the U.S. Anti-Doping Agency (USADA), including the USADA Protocol for Olympic and Paralympic Movement Testing (USADA Protocol) and all other policies and rules adopted by WADA, the International Racquetball Federation, the USOPC, and USADA.

Athlete members agree to submit to drug testing by the International Racquetball Federation and/or USADA or their designees at any time and understand that the use of methods or substances prohibited by the applicable anti-doping rules make them subject to penalties including, but not limited to, disqualification and suspension.

If it is determined that an individual member may have committed a doping violation, the member agrees to submit to the results management authority and processes of USADA, including arbitration under the USADA Protocol, or to the results management authority of the International Racquetball Federation, if applicable or referred by USADA.
