

**SPORT INTEGRITY POLICY
OF
UNITED STATES RACQUETBALL ASSOCIATION DBA USA RACQUETBALL
APPROVED BY BOARD OF DIRECTORS
Effective August 10, 2026**

1. Purpose

Integrity is fundamental to the credibility, fairness, and sustainability of sport. USA Racquetball is committed to upholding the principles of honesty, ethical conduct, and fair competition, ensuring that all participants engage in sport in a manner that maintains public confidence and respect, and consistent with the IOC Olympic Movement Code on the Prevention of the Manipulation of Competitions and the IPC Codes of Ethics (as applicable). This policy recognizes the increasing risks to sporting integrity, including corruption, match-fixing, misuse of insider information, and other inappropriate involvement in sports betting. Such behaviors threaten the core values of sport and undermine the safety, welfare, and reputation of athletes, officials, organizations, and competitions.

This policy provides a framework for identifying, mitigating, and responding to integrity threats; outlines USA Racquetball's expectations, responsibilities, and prohibited conduct for all participants; and supports education, monitoring, and enforcement measures to protect the sport from improper influence. This policy does not attempt to provide an exhaustive list of every possible circumstance in which an integrity threat may occur. Instead, by promoting awareness, accountability, and transparency, this policy aims to safeguard fair competition, protect participants from harm, and preserve the trust of fans, stakeholders, and the broader sporting community.

2. Applicability of Policy

This Sport Integrity Policy is applicable to all USA Racquetball Covered Individuals. Where reasonable and relevant, USA Racquetball contractors will be required to comply with this policy in their contracts.

All Covered Individuals who participate in an Applicable Competition are required to comply with the integrity standards outlined in the policy. Integrity obligations commence from the time a participant is selected, accredited, or otherwise becomes eligible to participate in an Applicable Competition and shall continue until all competition-related obligations, including post-event processes, have concluded.

3. Definitions

“Applicable Competition” refers to any event, match, game, or activity that is sanctioned, authorized, conducted, administered, or otherwise recognized by USA Racquetball whether domestic or international; any event, match, game, or activity in which USA Racquetball selects Covered Individuals to participate; or any competition where the USOPC officially designates entrants. Applicable Competitions include, but are not limited to, the: Olympic and Paralympic Games; Pan American and Parapan American Games; World Championships and other major international competitions where individual and/or team selection is made by USA Racquetball and National championships and trials that serve as qualification events for Protected Competitions.

“Covered Individuals” include all USA Racquetball employees, members of USA Racquetball’s Board of Directors, committees, and/or task force members with access to high performance information (e.g., Executive Committee and U.S. Team Committee), high-performance athletes, national team staff (including all coaches and support personnel), officials, and any other volunteers with access to Inside Information.

“Inside Information” includes: any non-public information that could affect competition outcomes or be used for betting purposes. Examples of Inside Information include, but are not limited to, non-public injury or health information; team selection decisions prior to public announcement; competition strategies or tactics; and training or coaching details.

“Sports Betting” or “Sports Wagering” includes, attempts to bet, offers to bet, agreements to bet, soliciting betting, facilitating betting, or inducing another to bet on an Applicable Competition, whether or not the wager is ultimately accepted or settled.

4. Prohibitions and Requirements

A. Prohibition on Betting

Covered Individuals may not engage in any form of Sports Betting and/or Sports Wagering on Applicable Competitions. Covered Individuals are prohibited from engaging in any form of wagering, gambling, or staking of money or any other thing of value (whether monetary or non-monetary) in return for accepting or receiving (directly or indirectly) benefits or other things of value (whether monetary or non-monetary) based on the outcome, progress, conduct, or any other competitive aspect of an Applicable Competition.

Prohibitions on Sports Betting or Sports Wagering extend to include, without limitation, wagers placed directly or indirectly: with licensed, unlicensed, domestic or international betting operators (including through licensed or unlicensed sport books, fantasy sport leagues, and futures and/or prediction contracts); through intermediaries or third parties; through use of cash, credit, digital assets, or any

other means of payment; and on behalf of oneself or another person on any Applicable Competition.

B. Prohibition on Manipulation

Covered Individuals may not influence, manipulate, or attempt to influence or manipulate any competitive aspect of an Applicable Competition in a way such that the outcome or any other aspect of the competition is determined (in whole or in part) by something other than the competitors' merits. Examples include, but are not limited to: the result, score, margin, or placing; individual or team performance; statistics, or conduct; specific actions or incidents occurring during a competition (including prop/spot bets); and decisions made by officials.

C. Prohibition on Disclosing Inside Information for Betting

Covered Individuals may not request or disclose, directly or indirectly to any individual that does not have a legitimate need to know, any Inside Information that the individual knows or should have known might lead to the information being used for purposes of Sports Betting related to Applicable Competitions. Examples of such non-public information include, but are not limited to, injury or health information, competitive strategy, and training or coaching details.

D. Prohibition on Indirect Violations

Covered Individuals may not direct, request, or encourage third parties to engage in the prohibitions contained in this policy on the Covered Individuals' behalf.

Covered Individuals are prohibited from accepting or receiving benefits or other things of value in connection with sports betting, the disclosure of inside information, and/or competition manipulation.

Covered Individuals are prohibited from soliciting, facilitating, or encouraging other Covered Individuals to bet, wager, or gamble on Applicable Competitions, disclose inside information, or manipulate any aspect of an Applicable Competition.

E. Duty to Report and Cooperate

All Covered Individuals have a continuing obligation to promptly report to USA Racquetball and/or the USOPC any conduct, incident, approach, invitation, or information the individual knows, suspects, or reasonably should suspect, may constitute a violation of this Sport Integrity Policy or any related integrity rules (e.g., IRF Code of Ethics, the IOC/IPC Code of Ethics). Failure to report such violations may be considered a violation of the policy and may result in disciplinary action or related sanctions.

All Covered Individuals have a duty to cooperate with USA Racquetball and/or the USOPC in investigating violations of USA Racquetball's policy and the USOPC Sport Integrity Policy. Cooperation may include sitting for interviews within a reasonable amount of time and providing documentation. Note that the failure to

cooperate with any investigation may be considered a violation of the policy and subject the individual to sanctions.

5. Procedures for Reporting, Reviewing, and Managing Reported Integrity Concerns

Integrity concerns must be timely reported to the Executive/Ethics/Personnel/Grievance Committee (aka Executive Committee). Upon receipt, the Executive Committee Chairperson, who also serves as President of the USA Racquetball Board of Directors, will notify the Executive Committee as the body that will then decide upon the best approach to address the concern and move forward accordingly.

Anyone reporting a perceived violation of this policy must be acting in good faith and have some basis for believing there may be a violation. Anyone who makes a false report knowing that it is false or that it has no basis is in violation of this policy and the USA Racquetball Code of Conduct. Such a violation may itself be reported under this policy and may lead to serious consequences.

USA Racquetball has a zero tolerance for retaliation against individuals who make good faith reports of potential ethical, policy, or legal violations, and who cooperate with investigations of the report. Consult the Whistleblower Policy of USA Racquetball, Inc. and Anti-Retaliation policy in the USA Racquetball Bylaws, Article XXI, for more details.

Additionally refer to the USA Racquetball Statement of Ethics on the USA Racquetball website and also provided along with this policy as Addendum A.

Individuals may also report integrity concerns to the USOPC Integrity Portal and/or the IOC/IPC Integrity Hotlines. Upon receipt of any reported integrity concern involving Protected Competitions (as defined by the USOPC Bylaws), a USA Racquetball Executive Committee representative will immediately notify the USOPC Chief Ethics & Compliance Officer of the potential violation(s). USA Racquetball is committed to assisting the IOC/IPC, the IRF, and the USOPC in ensuring integrity in sport. Where the IOC/IPC, the IRF, or the USOPC assert jurisdiction over an integrity review or investigation, USA Racquetball and all USA Racquetball Covered Individuals will fully cooperate with the review. USA Racquetball will recognize and enforce integrity-related sanctions issued by the IOC/IPC, the IRF and/or the USOPC.

6. Education and Training

7. The sports integrity landscape is ever evolving. To assist in promoting a culture of integrity, transparency, accountability, and respect for fair competition, USA Racquetball will provide Covered Individuals on an annual basis materials designed to support education and awareness of key sport integrity issues, including, but not limited to: competition manipulation, sports betting, misuse of insider information, reporting obligations, and ethical decision-making. By building knowledge and practical

understanding, the materials aim to equip athletes, coaches, officials, administrators, and support personnel with the tools to recognize integrity risks and to appropriately respond.

8. USA Racquetball Resources

The Executive/Ethics/Personnel/Grievance Committee (aka Executive Committee) Chairperson, who also serves as President of the USA Racquetball Board of Directors, is responsible for this policy and its enforcement. The Executive Committee Chairperson can be contacted with any questions about this policy by writing to president@usaracquetball.com.
