Awards Ceremony: 1:00pm-1:15pm

*This schedule is tentative and subject to change based on registration and inclement weather. Approximate competition end time is 12:30 pm.

Registration

All coach, athlete, staff, and official memberships must be renewed through the USA Diving Membership Portal. In order to participate in an event, you must be a “Competition Athlete” in good standing with USA Diving. All FINA 18 athletes (even those aged 17 who will turn 18 by December 31st) MUST complete their Safe Sport training and Background Screening prior to earning “eligible” membership status and the ability to register through DiveMeets. Be aware of the Late Fee in Effect dates. Athletes may still register until 3 hours prior to their event start time after the Late Fee goes into effect.

Senior Registration Fee: \$65 Entry Fee + \$50 Insurance Surcharge = **\$115 Event**

Registration Fee Coaches: Coach Registration is REQUIRED at the 2024 Senior High Diving National Championships.

A coach member must be registered through Divemeets; any coach member who fails to register by the online registration deadline may still participate in the competition by registering on site and paying a \$20 late fee. Please be sure to have proof of current USA Diving membership. If not yet current, coaches should make an effort to become current by completing all membership requirements or reaching out to USA Diving, but no ineligible or pending coach may be present on the pool deck until proof of current USA Diving membership is provided.

Athletes: All athlete registration – including late registration – is now run online. Athletes MUST register online at DiveMeets.com. The DiveMeets system will verify USA Diving Athlete Membership. Only those who hold a current USA Diving Competition Athlete membership will be allowed to register for the 2024 Senior High Diving National Championship event. If an athlete does not have the appropriate membership type (“Competition Athlete”), they will need to go to the USA Diving website and follow membership instructions to upgrade their membership from “Athlete” to “Competition Athlete.” For any membership questions, please reach out to Audrey Seemann (audreys@usadiving.org).

Support/Medical Staff (Non-Athletes/Non-Coaches): Non-athlete and Non-coach participants in this event (including approved athletic trainers, outside meet directors, and any other support staff who have clear authority and contact with minors) must be approved by USA Diving with a USA Diving current membership. If you intend to attend this meet in this capacity, you MUST reach out to owenw@usadiving.org.

Check-In

All athletes, coaches, and participants will be required to check-in upon arrival to receive access to the pool.

Spectators and Ticketing

Spectators are welcome at the 2024 USA Diving Senior High Diving National Championships free of charge.

Safety

All athletes must be deemed “Safe to Compete” prior to registration for this National Championships.

Athletes can meet this requirement in one of two ways:

1. Prior participation in a Senior High Dive event sanctioned by World Aquatics, Red Bull or USA Diving
2. Video Submission to owenw@usadiving.org for approval by the High Diving Committee. Videos must be submitted by 25 August 2024.

****PLEASE NOTE:** Access to the 27m and 20m is granted on a case-by-case basis and can be rescinded at any point if safety concerns arise. USA Diving and the Fort Lauderdale Aquatic Center reserve the right to permit or deny access to participants, even if an athlete has been deemed “Safe to Compete.”

The Fort Lauderdale Aquatic Center is equipped with standard safety measures with regards to the higher platforms. Lifeguards will always be on deck that divers are in the water, and EMS is on call two minutes from the facility. In the event of an emergency, facility procedure will be followed. Please respect the guards and facility directors to ensure the safety of all.

Rules

Competition rules and format will follow the latest World Aquatic rulebook.
