USA Pentathlon MultiSport Anti-Doping Requirements

All Athletes agree to be familiar with and bound by the Rules and Regulations of USA Pentathlon, including but not limited to the Competitive Rules adopted by USA Pentathlon, the anti-doping rules and procedures adopted by the United States Anti-Doping Agency (USADA) and World Anti-Doping Agency (WADA).

It is the duty of individual members of USA Pentathlon MultiSport to comply with all anti-doping rules of WADA, UIPM, the USOPC including the USOPC National Anti-Doping Policy, and of USADA, including the USADA Protocol for Olympic and Paralympic Movement Testing (USADA Protocol) and all other policies and rules adopted by WADA, UIPM, USOPC and USADA. Athlete members agree to submit to drug testing by the UIPM and/or USADA or their designees at any time and understand that the use of methods or substances prohibited by the applicable anti-doping rules make them subject to penalties including, but not limited to, disqualification and suspension. If it is determined that an individual member may have committed a doping violation, the member agrees to submit to the results management authority and processes of USADA, including arbitration under the USADA Protocol, or to the results management authority of the UIPM, if applicable or referred by USADA.

USA Pentathlon must enforce any sanctions imposed by anti-doping agencies.

By agreeing to membership with USA Pentathlon MultiSport or to represent USA Pentathlon MultiSport in competition, individuals are consenting to comply with this and all other applicable anti-doping rules and regulations from USADA, WADA, or USA Pentathlon MultiSport.
