Athletes who neglected to change their weight during the check in process and missed weight during official weigh in, may enter an additional category by registering (and paying) for the new category as a walk-up registration.

IMPORTANT: All athletes must make their declared weight as registered unless a change is made during the check in/registration process prior to getting on the official scale. Athletes may change their weight category during check in/registration. Failure to make declared weight will result in the athlete not competing in that category. Athlete will not be automatically moved to next weight category. Once official weight is recorded, no changes to weight category will be accepted.

NO CHANGES WILL BE ACCEPTED AT WEIGH IN.

Contingency Weigh-In

There will not be Contingency morning weigh-in (CMW) will be implemented at this event.

Updated May 1, 2025

Rules and Method of Competition

The Championships will be conducted in accordance with the Contest Rules, Organization Code and Sporting Code of the International Judo Federation, as revised for the USA Judo Junior Olympic Championships.

Competition Method: The standard (“true”) Double Elimination System with winner’s and loser’s brackets will be used. The winner of the loser’s bracket will compete against the winner of the winner’s bracket for 1st and 2nd place. The first one of these two contestants to have two (2) losses will be placed second; the other will be placed first. The loser of the loser’s bracket will be placed 3rd. For categories of two and under contestants, round robin will be the method of competition.

Round Robin Clarification:

- If Athlete A pulls out before finishing competition against other athletes in the category and does not go out onto the mat, all points won or lost associated with Athlete A are removed. No medal is awarded to Athlete A
- If Athlete A cannot finish competing but goes out onto the mat (field of play), then Athlete B wins and is awarded ippon points. Athlete A receives 0 points.
- If Athlete A, who did not finish competing but went out onto the mat, they are eligible to medal.

Seeding: There will be no seeding except for the IJF-Junior and Cadet categories. The top four athletes will be seeded in each division. If seeded athlete is not present, the other athletes WILL move up in seeding.

Points: Juniors winning medals in the regular IJF-Junior, Juvenile, Cadet, Intermediate, and all Bantam divisions will be awarded points as outlined in the USA Judo Junior Event Point Matrix found at www.usajudo.com.

All athletes must compete in their true age/weight category.

Shime-waza rule: Allowed in regular Juvenile, Cadet, and IJF-Junior categories only.

Kansetsu-waza rule: Allowed in regular Cadet, and regular IJF-Junior only.

It is standard procedure in the United States that contestants competing in Junior divisions up to and including 12 years of age are not allowed to use Shime-waza (chokes) or Kansetsu-waza (arm locks). Cadet age categories (15 yrs. to 17 yrs.) contestants competing are allowed to use Kansetsu-waza. If a participant whose true weight and age is in the Intermediate category and decides to move up to the Juvenile category, he/she will need a waiver/authorization from a parent or guardian to acknowledge that chokes are allowed at the Juvenile level.

Injury Rule: Decisions regarding on mat injuries, are to be resolved in accordance with IJF rules; such decisions occurring off the mat or not covered by the IJF rules, are to be made by the coach, the athlete, and appropriate medical staff. If there is not a unanimous opinion among these three individuals, the athlete may not continue (Board-approved October 22, 1998)

Match lengths:

- Bantam (3 minutes / 2-minute golden score)
- Intermediate and Juvenile (3 minutes / no golden score limit)

Multiple category entries

For those athletes who elect to compete in multiple categories, efforts will be made to separate the competition times, but this cannot be guaranteed. A decision may need to be made by the competitor as to the match in which they compete, thereby forfeiting the applicable match(es). Please note that, in this scenario, if an athlete withdraws from an event or is unable to compete, the athlete's registration fee for the event will not be refunded. If categories are competing at the same time, the athlete must move from one category (on mat) to their waiting category with no rest time. If a competitor has matches immediately after one another, they must move to the waiting mat and begin competition immediately with no 10-minute rest.

Judo Gi / Undergarments / Changing

For all categories, regardless of age, blue and white gi requirement is mandatory. IJF approved labeled gis are not required but fit must meet IJF standards. Back patches are not required.

Appropriate undergarments must be worn by all athletes. A short-sleeved white t-shirt that is round-necked (no mock turtleneck or v-neck) may be worn under a gi for all genders and categories except in trials events or categories that qualify points which may result in competing internationally. IJF rules will be applied in these categories only allowing white, round-necked t-shirts to be worn by female competitors under their judogi as referenced in the IJF Sport Organizational Rules.

Athletes needing to change clothes/judo gi should do so in a restroom, locker room or other area specifically designated for changing.

Minor Athlete Abuse Prevention Policies (MAAPP)

The U.S. Center for SafeSport has developed the Minor Athlete Prevention Policies (MAAPP) which USA Judo has adapted to our own sport. The MAAPP is a collection of proactive and training policies comprised of two parts; Education & Training Policy that requires training for certain Adult Participants and the Required Prevention Policies, focused on limiting one-on-one interactions between Adult Participants and Minor Athletes to prevent abuse. The full MAAPP policy and the reporting mechanism for SafeSport infractions can be found at <https://www.usajudo.com/safe-sport>.

USA Judo defines "regular contact with minors" as: "Ongoing interactions during a 12-month period wherein an Adult Participant is in a role of direct and active engagement with any Minor Athlete(s). In the spirit of the moral code of judo, USA Judo requires adult members to self-certify whether or not they considered having "regular contact" with minors based on the aforementioned description. If an adult member is unsure whether or not they have "regular contact" with minors, USA Judo encourages those individuals (and their clubs) to err on the side of caution and complete the SafeSport Training and Certification. USA Judo, in cooperation with USA Judo Clubs and all LAOs, has the right to randomly review and assess members who may have regular contact with minors and require compliance if/when considered necessary by USA Judo Leadership.

The USA Judo SafeSport Handbook can be found at <https://www.usajudo.com/safe-sport>
