

USA Table Tennis Athlete Social Media Policy

As an athlete member of USA Table Tennis (“USATT”), I acknowledge and understand that my behavior is a reflection on USATT, and this behavior includes the manner in which I utilize and communicate on social media. As part of my obligations under the USATT Athlete Code of Conduct, I agree to be bound by the following restrictions with respect to my use of social media:

I will not engage in any illegal, inappropriate, offensive, or prohibited conduct in my use of social media, including but not limited to:

- Posting images, videos, message, or comments (or links to other sources) on social that portray, advocate, or condone the personal use of tobacco, alcohol, drugs, or substances banned by USADA.
- Posting images, videos, message, or comments (or links to other sources) that are obscene.
- Communicating through images, videos, messages, or comments any message that constitutes, contains, or provides a link to any media in a manner that violates USATT policies including, but not limited to SafeSport and MAAPP policies, anti-discrimination policies, and anti-retaliation policies.
- Utilizing anonymous accounts, alias accounts, or third-person accounts to engage in any of the behavior prohibited above.

I acknowledge and agree that my violation of this USATT Social Media Policy can result in my removal from any competition venue or, for serious or repeated violations, can result in sanctions under USATT’s discipline and grievance procedures.
