

ACR Convergence 2026 Exhibitor Suites

ACR Exhibitor Suites are constructed of beMatrix panels with semi-opaque frosted headers and footers.

Each suite includes the following items:

- All suites are constructed of beMatrix panels with semi-opaque frosted headers and footers. †
- Black carpet and ½” carpet padding
- 8’ high hard walls
- Lockable door (locking keypad)
- Suite ID Sign, including corporate logo and suite number (38” x 55”)
- **Shaded Window in upper portion of door**

†All units, regardless of customization status, must employ the semi-opaque frosted header and footers on the suite front.

Electric

One (1) 1,000-watt outlet per 10’ x 10’ structure; or two (2) 1,000-watt outlets per 10’ x 20’ or 20’ x 20’ structure.

Cleaning

1 pre-open cleaning; nightly cleaning during run of show. Any additional cleaning is at the exhibitor’s expense.

Not included in the Suite packages:

Any additional items such as suite furnishings, catering, A/V, internet, and/or floral may be ordered from the exhibitor service manual, at the exhibitor’s expense. Additional electrical or cleaning services may also ordered at the exhibitor’s expense.

Customization Options:

The following circumstances are considered custom suite orders:

- 1) A purchase of multiple suite components conjoined to create one large space linked by internal walls and doors
- 2) A suite dimension that is outside of the standard increments (10' x 10', 10' x 20' or 20' x 20')
- 3) Customized treatment of any standard suite size (e.g. internal wall treatments, upgraded floor treatment, etc.)

The initial order must be placed through the ACR; once the suite has been situated on the floor plan, the exhibitor will be introduced to the **Shepard Custom Design** team who will assist with pricing and orders for the materials and labor needed to execute your custom vision. All billing for custom booths or any additional customizations will be invoiced directly by the Shepard team.

Additional Details:

- Suite door placements are subject to change, pending final layout approvals.
- 20' x 20' suites (or any custom-configured suite) may have emergency doors added to the back or side portion of the suite, as recommended by the Convention Center Fire Marshal.

***Suite Access for Move-in/Move-Out Only**

- Structure builds to be completed by Shepard by EOD Thursday, November 5th, 2026
- Move-In: Friday, November 6, 8:00 AM – 4:30 PM
- Move-Out: Tuesday, November 10, 2:30-8:30 PM (structure tear-down)
- Please remove any business items (e.g., personal laptops, print collateral, or pull-up banners) by 2:30 PM, Tuesday, November 10th as teardown begins immediately after show close

***You may host meetings in the suites following this schedule:**

- Sunday, November 8, 8AM – 5:30PM
- Monday, November 9, 8AM – 5:30PM
- Tuesday, November 10, 8AM – 2:30PM

NOTE – the hours that exhibit hall is not open (8AM-10AM Sunday – Tuesday), attendees **MUST** go through the “Hall A1 Entrance” as labeled below and **MUST** have a badge or they will be denied entry. The alternate entry on the right side of the hall that is connected to the exhibit hall (A2) will only be accessible during Convergence 2026 Exhibit Hall Hours (Sunday/Monday 10AM-5PM and Tuesday 10AM-2:30PM)

**Hours and times are subject to change, pending final event schedule.*

Suite Location on the floorplan

Exhibitor Suites will be located in hall A1 in the West Concourse of the Orange County Convention Center as pictured below. There are two entrances to the area, but note the access schedule above (the entrance on the right is only accessible by attendees during normal Convergence Exhibit Hall hours).
