

All times listed in Central Daylight Time (CDT)

Schedule is subject to change

## Wednesday, March 18

6:00-6:10 PM	Welcome and Opening Remarks	Andrea Knight, MD, MSCE	Nicollet Ballroom
6:10-6:25 PM	50 Years of Progress: Updates from the ACR Pediatric Rheumatology Committee	Ekemini Ogbu, MD, MSc	Nicollet Ballroom
6:25-7:10 PM	PRSYM 50th Anniversary	Bryce Binstadt, MD, PhD	Nicollet Ballroom
7:15-8:30 PM	Opening Reception—Sponsored by CARRA		Hyatt Exhibit Hall

*\*Please note the Reception will have light refreshments but will not be a full dinner. The hotel is a cashless property. Please use a credit or debit card if you plan to purchase additional drinks beyond the drink tickets that will be distributed to all attendees.*

## Thursday, March 19

7:00-8:00 AM	BREAKFAST		Hyatt Exhibit Hall
7:00-8:00 AM	BREAKFAST PRODUCT THEATER (No CE) “Shifting the Paradigm: Early Biologic Intervention for Lupus and Lupus Nephritis” <b>Sponsored by GSK</b>		Lakeshore AB
<b>Addressing Key Issues in Pediatric Rheumatology</b>			
8:00-8:20 AM	My Life as a History Lesson and a Call to Action	Courtney Wells, PhD, MPH, MSW	Nicollet Ballroom
8:20-8:40 AM	A Different World—Viewing Pediatric Rheumatology through a Global Lens	Laura Lewandowski, MD, MSc	
8:40-9:00 AM	Minding the Gap: Understanding and Addressing Representativeness and Disparities in Pediatric Rheumatology Research	Jennifer Woo, PhD, MPH	
9:00-9:20 AM	General Pediatric and Subspecialty Workforce Challenges and Potential Solutions	Colleen Correll, MD, MPH	

All times listed in Central Daylight Time (CDT)

Schedule is subject to change

## Thursday, March 19

9:20-9:45 AM	Panel Discussion	Courtney Wells, PhD, MPH, MSW Laura Lewandowski, MD, MSc Jennifer Woo, PhD, MPH Colleen Correll, MD, MPH	Nicollet Ballroom
9:45-10:15 AM	BREAK		Hyatt Exhibit Hall
<b>Clinical Management (Concurrent)</b>			
10:15-10:45 AM	Harnessing AI	Bella Mehta, MD, MS, MBBS	Nicollet Ballroom
10:45-11:15 AM	From Promise to Practice: The Evolving Biosimilar Landscape in Pediatric Rheumatology	Ingrid Pan, PharmD	
11:15-11:45 AM	What do we know about Vaccinations in Kids with Inflammatory Rheumatic Diseases?	Merav Heshin Bekenstein, MD	
<b>New Diagnostics and Therapeutics (Concurrent)</b>			
10:15-10:40 AM	Behind the Curtains: How Academic and Industry Teams can Work Together to Optimize the Studies of Novel Treatments for Patients with Autoimmunity	Anne Stevens, MD, PhD	Greenway Ballroom
10:40-11:05 AM	Genetic Testing—Approaches & Pitfalls	Amanda Ombrello, MD	
11:05-11:30 AM	Identifying Biomarkers of Kawasaki Disease by Affinity Proteomics	Pui Lee, MD, PhD	
11:30-11:55 AM	Engineering T Cells to Transform Childhood Rheumatic Disease	Holly Wobma, MD, PhD	

All times listed in Central Daylight Time (CDT)

Schedule is subject to change

## Thursday, March 19

12:00-1:00 PM	LUNCH–Roundtable Topic Discussions		Hyatt Exhibit Hall
<b>Systemic Lupus Erythematosus</b>			
1:00–1:20 PM	Pediatric Antiphospholipid Syndrome: A Few Bad aPLs	Jacqueline Madison, MD	Nicollet Ballroom
1:20–1:40 PM	Hitting the Target: Optimizing Outcomes in Childhood Lupus	Eve Smith, MD, PhD, BSc	
1:40–2:30 PM	Multitarget Therapy is Necessary for the Treatment of cSLE–A Great Debate	Hermine Brunner, MD, MSc, MBA, FAAP, FACR Aimee Hersh, MD, MS	
<b>Plenary Abstract Session 1 (No CE credit)</b>			
2:30-3:30 PM	[#001] Longitudinal Cardiovascular Profiles of Youth with Childhood-onset Systemic Lupus Erythematosus	Joyce Chang, MD, MSCE	Nicollet Ballroom
	[#002] Assessing Juvenile Idiopathic Arthritis Healthcare Costs to Advance Value-Based Care	Julia Harris, MD	
	[#003] Dysregulated Macrophage–Fibroblast Crosstalk Identified by Single-Cell RNA-seq in Juvenile Systemic Scleroderma Skin	Aneri Shethji, BA	
	[#004] Barriers and Facilitators to Teratogenicity Knowledge and Application among Adolescents and Young Adults with Rheumatic Disease	Brittany Huynh, MD, MPH	
3:30-4:00 PM	BREAK		Hyatt Exhibit Hall

All times listed in Central Daylight Time (CDT)

Schedule is subject to change

## Thursday, March 19

Autoinflammatory Disease			
4:00-4:20 PM	IFN-opathies	Raphaela Goldbach-Mansky, MD	Nicollet Ballroom
4:20-4:40 PM	Chronic Noninfectious Osteomyelitis	Dan Zhao, MD, PhD, RhMSUS	
4:40-5:00 PM	Other Autoinflammatory Bone Disease	Polly Ferguson, MD	
Abstracts: Systemic Lupus Erythematosus <i>(No CE credit)</i>			
5:10-5:40 PM	[#076] Understanding Etiology (CLUE) Study: Whole Genome Sequencing of Childhood-onset Systemic Lupus Erythematosus	Laura Lewandowski, MD, MSc	Nicollet Ballroom
	[#010] Efficacy and Safety of Emapalumab in Patients with Macrophage Activation Syndrome (MAS) in Systemic Lupus Erythematosus (SLE)	Alexei Grom, MD	
	[#053] Association between Childhood Opportunity Index and Disparities in Health Care Access and Utilization in Childhood Onset Systemic Lupus Erythematosus	Abigale Jagger, DO	
	[#077] Integrated Spatial Transcriptomics and Proteomics Reveals Aberrant Lymphoid Networks in Pediatric Lupus Nephritis	Nicholas Hasle, MD, PhD	
	[#012] Prevalence and Impact of Adverse Childhood Experiences in Pediatric Systemic Lupus Erythematosus	Anita Dhanrajani, MBBS, MSc	
Abstracts: Juvenile Idiopathic Arthritis <i>(No CE credit)</i>			

All times listed in Central Daylight Time (CDT)

Schedule is subject to change

## Thursday, March 19

5:10-5:40 PM	[#021] Medication Changes and Lung Disease Activity in Systemic JIA: Six-Month Follow-Up of CARRA Registry SJIA-LD Cohort	Grant Schulert, MD, PhD	Greenway Ballroom
	[#075] Association of Anti-Cytokine Biologics and JAK inhibitors with Bronchoalveolar Fluid Cytokine Profiles in Patients with Systemic Juvenile Idiopathic Arthritis-Associated Lung Disease (SJIA-LD)	Ivanna Romankevych, MD, PhD	
	[#046] Antibiotic Exposure and New Diagnosis of Juvenile Idiopathic Arthritis: A Nested Case-Control Study in a Large US Population	Daniel Horton, MD, MSCE	
	[#042] Mindfulness Matters: Early Insights from the Making Mindfulness Matter© in children with Juvenile Idiopathic Arthritis Study.	Roberta A. Berard, MD, MSc	
	[#035] P Healthcare and Medication Utilization Before and After JIA diagnosis in Publicly Insured Children in the United States	Daniel Horton, MD, MSCE	
<b>Abstracts: Imaging (No CE credit)</b>			
5:10-5:40 PM	[#018] Abnormal Cortical Grey Matter, White Matter and Subcortical Grey Matter Morphometry is Associated with Disease Features and Quality of Life in Patients with Craniofacial Localized Scleroderma	Andrea Knight, MD, MSCE	Northstar Ballroom
	[#027] An Examination of Brain-age-related Deviations from Normative Neurodevelopmental Trajectory in Children with Childhood-Onset Systemic Lupus Erythematosus	Andrea Knight, MD, MSCE	

All times listed in Central Daylight Time (CDT)

Schedule is subject to change

## Thursday, March 19

5:10-5:40 PM	[#030] Musculoskeletal and Nail Ultrasound Findings in Children with Psoriasis: A Case-Control Study	Laura Nedorezov, MD, MSc, RhMSUS	Northstar Ballroom
	[#017] High-Frequency Ultrasound Evaluation Predicts Disease Activity in Juvenile Localized Scleroderma	Daniela Petry Piotto, MD, PhD	
	[#019] Effects of Childhood-Onset Interferon-Driven Autoimmune Disorders on Brain Volume and Executive Function: A Pilot Analysis in JDM and Childhood-Onset SLE	Andrea Knight, MD, MSCE	
6:00-7:00 PM	Abstract Poster Session <i>(No CE credit)</i>		Hyatt Exhibit Hall

## Friday, March 20

7:00–8:00 AM	BREAKFAST		Hyatt Exhibit Hall
7:00–8:00 AM	BREAKFAST PRODUCT THEATER <i>(No CE)</i> “X-Linked Hypophosphatemia (XLH) Unveiled: A Guide to Diagnosis and Management–Focus: Differential Diagnosis” <i>Sponsored by Kyowa Kirin</i>		Lakeshore AB
Juvenile Idiopathic Arthritis			
8:00–8:30 AM	Not So Silent After All–Demystifying the Temporomandibular Joint	Marinka Twilt, MD, PhD, MSc	Nicollet Ballroom
8:30–9:00 AM	From Clues to Clarity: Axial Disease in Juvenile Spondyloarthritis	Pam Weiss, MD	
9:00–9:30 AM	Imaging as a Biomarker: Peripheral Joint Insights in JIA	Patricia Vega-Fernandez, MD, RhMSUS, MSc	

All times listed in Central Daylight Time (CDT)

Schedule is subject to change

## Friday, March 20

Clinical Update–Guidelines & Recommendations			
9:30–10:00 AM	Uveitis: Clinical trials & PROs	Sheila Angeles Han, MD, MSc	Nicollet Ballroom
10:00–10:30 AM	Mental Health Guidance Statements	Tamar Rubinstein, MD, MS	
10:30–11:00 AM	BREAK		Hyatt Exhibit Hall
Juvenile Dermatomyositis and Scleroderma			
11:00 AM–12:00 PM	Let's Strengthen our Research in JDM: How to Perform and Collect Critical Measures in Clinical Practice	Kaveh Ardalan, MD, MS Stacey Tarvin, MD, MS, FACR Amy Rakestraw, PT, MPH	Nicollet Ballroom
12:00–12:30 PM	Guidance for Stem Cell Therapy for Juvenile Systemic Sclerosis Patients	Kathryn Torok, MD	
12:30–1:30 PM	LUNCH–Roundtable Topic Discussions		Hyatt Exhibit Hall
Spatial Transcriptions (Concurrent)			
1:30–2:00 PM	Mapping Genes in Space to Illuminate Disease Biology in Juvenile Dermatomyositis	Jessica Turnier, MD, MS	Greenway Ballroom
2:00–2:30 PM	Spatial Inflammation in JIA	Adam Croft, PhD, MRCP	

All times listed in Central Daylight Time (CDT)

Schedule is subject to change

## Friday, March 20

Vasculitis [Concurrent]			
1:30–2:00 PM	Advancing Pediatric ANCA-Associated Vasculitis: Insights from Collaborative Research and Emerging Clinical Data	Jessica Bloom, MD, MS	Nicollet Ballroom
2:00–2:30 PM	Renal Disease and Risk Stratification in Pediatric ANCA-associated vasculitis (AAV)–Insights from the Pediatric Vasculitis Initiative	Kelly Brown, PhD	
Plenary Abstract Session 2 (No CE credit)			
2:30–3:00 PM	[#079] Still's Disease Associated Lung Disease: Update From the European Registry	Claudia Bracaglia, MD	Nicollet Ballroom
2:30–3:00 PM	[#080] Expansion of Type I IFN-driven ISGhigh Monocytes and Identification of MAS-Associated CD8+ T cell Population During Macrophage Activation Syndrome	Susan Canny, MD, PhD	Nicollet Ballroom
3:00–3:10 PM	BREAK		Hyatt Exhibit Hall
QI/Implementation [Concurrent]			
3:10–3:20 PM	How to Integrate Data Elements into Clinical Care and Decision Making	Danielle Bullock, MD, MPH	Nicollet Ballroom
3:20–3:30 PM	Transition Readiness	Melissa Argraves, MD, MEd	
3:30–3:40 PM	PR-COIN–Improving JIA Outcomes	Julia Harris, MD	
3:40–3:50 PM	Mental Health Screening	Mileka Gilbert, MD, PhD	
3:50–4:15 PM	Panel Discussion	Danielle Bullock, MD, MPH Melissa Argraves, MD, MEd Julia Harris, MD Mileka Gilbert, MD, PhD	

All times listed in Central Daylight Time (CDT)

Schedule is subject to change

## Friday, March 20

Brain Health in Pediatric Rheumatology (Concurrent)			
3:10–3:30 PM	Care Models for Neuroinflammation	Ekemini Ogbu, MD, MSc	Greenway Ballroom
3:30–3:50 PM	Emerging Biomarkers for Neuroinflammation in Children	Ryan Kammeyer, MD	
3:50–4:10 PM	Addressing Mental and Cognitive Health in Youth with Pediatric Rheumatic Diseases through an Integrated Care Model	Alana Goldstein Leever, PhD	
4:15–4:30 PM	BREAK		Hyatt Exhibit Hall
Abstracts: Technology (No CE credit)			
4:30–5:00 PM	[#094] Identification of Distinct Disease Trajectory Patterns in Children with Chronic Nonbacterial Osteomyelitis (CNO) Using Unsupervised Machine Learning on Longitudinal Clinical Data from a Single Cohort of 267 Patients	Haodong Chen, MS, PhD	Nicollet Ballroom
	[#089] Anti-CD19 CAR-T Cell Therapy for the Treatment of Severe/ Refractory Pediatric Autoimmune Diseases: A Single-Center Case Series	Claudia Bracaglia, MD	
	[#115] KneeMS for Juvenile Idiopathic Arthritis	Ruchik Mishra, PhD	
	[#104] Identification of Joints with Active Arthritis from Clinical Notes with High Fidelity using a Large Language Model	Marc Natter, MD	
	[#116] Pilot of Adalimumab Withdrawal (PAW): Preliminary Analysis of Feasibility and Acceptability of Self-Collected Capillary Blood Samples	Ruud Verstegen, MD, PhD	

All times listed in Central Daylight Time (CDT)

Schedule is subject to change

## Friday, March 20

Abstracts: Quality, Health Services, and Education Research <i>(No CE credit)</i>			
4:30–5:00 PM	[#126] Unmet Social Needs in Pediatric Rheumatic Disease: A Study of Disparities	Hana Moosa, MS	Greenway Ballroom
	[#118] Pain Experience and Treatment in the Childhood Arthritis and Rheumatology Research Alliance (CARRA) Systemic Lupus Erythematosus Registry	Aimee Hersh, MD	
	[#132] AI-Assisted Body-Region Recognition for Localized Scleroderma: the 1st Step in Automated LoSCAT scoring	Kathryn Torok, MD	
	[#125] Educational Interventions to Increase Transition Preparedness in a Pediatric Rheumatology Clinic	Elizabeth Murray, MD	
	[#120] Bridging Evidence and Practice: New Institutional Pathway Increases Primary Intensification Rates for Children with High-Risk Kawasaki Disease	Amritha Yellamilli, MD, PhD	
Abstracts: Pediatric Rheumatology Potpourri <i>(No CE credit)</i>			
4:30–5:00 PM	[#133] Pathologic Lymphangiogenesis in Mouse Model and Patients with Pulmonary Arterial Hypertension	Amritha Yellamilli, MD, PhD	Northstar Ballroom
	[#101] Identifying Intervention Targets to Reduce Emotional Distress and Improve Physical Activity in Juvenile Lupus and Dermatomyositis Patients: Longitudinal Analysis of Lupus Erythematosus and Dermatomyositis Stress and Cardiovascular Health Study Patient-Reported Resiliency Data	Kaveh Ardalan, MD, MS	

All times listed in Central Daylight Time (CDT)

Schedule is subject to change

## Friday, March 20

4:30–5:00 PM	[#114] Incidence of Inflammatory Arthritis Before and After Inflammatory Bowel Disease Diagnosis: A Population-Based Cohort Study	Roberta A. Berard, MD, MSc	Northstar Ballroom
	[#117] Reliability of Pediatric-Specific Musculoskeletal Ultrasound Scanning Protocol for the Detection of Arthritis	Ysabella Esteban, MD, MSc, RhMSUS	
	[#098] Investigating S100 Proteins as Biomarkers for Pediatric Localized Scleroderma	Alexandra Chop, MD	
5:00–6:00 PM	Abstract Poster Session <i>(No CE credit)</i>		Hyatt Exhibit Hall
6:30–8:00 PM	Awards Reception <i>(No CE credit)</i>		Nicollet Ballroom followed by Hyatt Exhibit Hall

Please note that the reception will have light refreshments but will not be a full dinner. There will be a paid bar however there will not be drink tickets at the awards reception. The hotel is a cashless property. Please use a credit or debit card if you plan to purchase drinks during the reception.

## Saturday, March 21

7:00–8:30 AM	Light Refreshments*		Hyatt Exhibit Hall
7:00–8:00 AM	BREAKFAST PRODUCT THEATER <i>(No CE)</i> <a href="#">Click Here</a> "Gamifant for MAS in Still's Disease" <b>Sponsored by Sobi</b>		Lakeshore AB
Systemic Juvenile Idiopathic Arthritis			
8:30–9:00 AM	Still's Disease–EULAR/PReS Recommendations	Fabrizio De Benedetti, MD, PhD	Nicollet Ballroom
9:00–9:30 AM	IL-18 Inflammopathy	Scott Canna, MD	
9:30–9:45 AM	BREAK		Hyatt Exhibit Hall

\*Please note Saturday morning will have light refreshments.

All times listed in Central Daylight Time (CDT)

Schedule is subject to change

## Saturday, March 21

CAR-T Therapy			
10:00–10:30 AM	CAR-T Therapy: European experience	Fabrizio De Benedetti, MD, PhD	Nicollet Ballroom
10:30–11:00 AM	Situational awareness for new passengers in the CAR[-T]	Christen Ebens, MD, MPH	
Plenary Abstracts Session 3 (No CE credit)			
11:00 AM–12:00 PM	[#142] Improving Recognition and Management of Glucocorticoid-Induced Adrenal Insufficiency in Pediatric Rheumatology Patients	Emily Schildt, MD	Nicollet Ballroom
	[#143] Fronto-Cerebellar Features Associate with Cognitive Dysfunction in Childhood-Onset Systemic Lupus Erythematosus	Hanne van der Heijden, PhD	
	[#140] Adalimumab Tapering is Associated with Short-term, but not Long-term, Advantages for Well-controlled Juvenile Idiopathic Arthritis: A Retrospective Cohort Study using the CARRA Registry	Daniel B. Horton, MD, MSCE	
	[#141] Age and Activity-Dependent Differences in Intraocular Immune Profile of Chronic Autoimmune Uveitis	Eamon Winden, PhD
