## HOW TO USE THIS GUIDE

This is a long list of all the things to be considered before baby's arrival. We are not suggesting you need them all, but it's handy to know what's available and how it might help. Everyone approaches pregnancy and birth differently, so have a browse and bring the guide with you when you feel it's time to make a start. We can help you with brands, budgets and buying right for your home and family.
