

What Does My Solid Waste Assessment Pay For?

Your services don't stop at the curb.

Go Bagless,
Keep Your Recyclables Loose

Questions about new or additional roll-carts, call (813) 272-5680 or visit [HCFL.gov/Trash](https://www.hcfl.gov/Trash)

[Roll-cart Guidelines](#)

- Two [garbage](#) collections per week*
- One [recycling](#) collection per week*
- One [yard waste](#) collection per week*. Customers must provide their own bag, box, or container.
- Disposal of up to 10 cubic yards of self-hauled [bulky waste](#) (such as furniture and tires) at the five [Hillsborough County Community Collection Centers](#)
- Disposal of up to 2 tons of self-hauled yard waste at the County's two yard-waste processing facilities ([Northwest](#) and [South County](#) Solid Waste Facilities)
- Disposal of limited quantities of [household electronics, paint, and batteries](#) at the five [Community Collection Centers](#)
- Three convenient [Household Hazardous Waste](#) collection events each month
- Up to 2 cubic yards of [free mulch pickup](#) at the two yard-waste sites annually
- Two [donation sites](#) open 6 days per week.
- [Request a free presentation](#) for your next neighborhood association meeting or community event on recycling, your solid waste services, and to learn what happens to your waste after it leaves the curb

Learn more in the [Recycling Guide \(English\)](#) | [Guía de reciclaje \(Spanish\)](#)
