THE HILLSBOROUGH COUNTY PLAN SHEET TEMPLATES HAVE BEEN CREATED FROM FDOT PLAN SHEET TEMPLATES. SOME DATA FIELDS CAN BE EDITED USING THE SHEET NAVIGATOR FOUND IN THE FDOT TOOLBAR WHICH CAN BE DOWNLOADED FROM THE FDOT'S ENGINEERING CADD SYSTEMS OFFICE WEBSITE.

SOME SHEETS (SUCH AS THE SUMMARY OF QUANTITIES SHEET) CAN USE THE FDOT'S LINKED DATA MANAGER (LDM) TO PLACE FORMATTED EXCEL TABLES INTO THE SHEET TEMPLATE.
