UNINCORPORATED HILLSBOROUGH COUNTY ONLY

*Community Clean Up
Program Application*

AVAILABLE FUNDING

The program is being administered by the Solid Waste Management Department. **This program is only for communities in unincorporated Hillsborough County.** Applications will be accepted continuously and evaluated for eligibility and allocation as received until available funds have been depleted. Only one application per association per fiscal year will be considered. The maximum individual award will be for 5 roll-off containers (Request up to 6 if needed may be approved).

PROGRAM PURPOSE

The purpose of the program is to involve citizens in their community upkeep, retain property values within neighborhoods, and reduce factors that contribute to crime (such as illegal dumping). The specific purpose of this program is to encourage members of neighborhood associations to conduct clean-up projects in their community, which can include the pickup of litter, yard waste, appliances, metal, furniture, and wood for deposit in roll-off containers.

ENTITIES ELIGIBLE FOR APPLYING

Neighborhood, civic, homeowner, and crime watch associations located in unincorporated Hillsborough County that are registered with Hillsborough County Neighborhood Relations are eligible to apply. If a neighborhood or organization isn't registered, registration is available [here](#).

Additionally, to be eligible, the residents within these communities must be assessed on their property tax bill for solid waste collection and disposal. See the example of a property tax bill showing the assessment of collection and disposal.

Non-Ad Valorem Assessments

LEVYING AUTHORITY	RATE	AMOUNT
STORMWATER MANAGEMENT		\$42.00
SOLID WASTE DISPOSAL		\$118.32
SOLID WASTE COLLECTION		\$234.47
Total Non-Ad Valorem Assessments		\$394.79

For-profit service providers and local government entities are not eligible to apply.

PROJECTS FOR CONSIDERATION

Neighborhood leaders are invited to propose projects that will clean up the area within their boundaries, which have become littered or unsightly, and provide residents an opportunity to dispose of large household items not eligible for normal trash pick-up. Labor must be provided by neighborhood residents as an in-kind contribution to the proposed project. No pond clean-up will be approved under this program.

INSTRUCTIONS

Please submit the application pages that follow. Read each question carefully and respond in the spaces provided. **Please allow a minimum of 30 days between submission of your application and the date of your planned clean-up.**

ADDITIONAL INFORMATION

The Neighborhoods, Homeowner and Civic Associations will be responsible for providing the Solid Waste Management Department with **30 days** prior notice of the date that a clean-up will be held. When the date has been established, Solid Waste Management Department will coordinate the delivery of the roll-off containers, with the solid waste hauler, to the physical location identified by the Neighborhoods, Homeowner and Civic Associations. The Neighborhoods, Homeowner and Civic Associations are not to pay the company directly.

Old refrigerators, ovens, electronics, water heaters, steel, and other metals, old furniture (such as couches, chairs, tables, and mattresses), construction debris from minor construction only (such as concrete, bricks, glass, and roofing materials), and tires.

NO PROFESSIONAL SERVICES OR SUB-CONTRACTORS DEBRIS; COMMUNITY CLEANUPS ARE DESIGNATED FOR RESIDENTIAL CUSTOMERS PAYING THE RESIDENTIAL SOLID WASTE COLLECTION AND DISPOSAL SERVICES THROUGH THEIR PROPERTY TAX BILL.
