Section II. Certification by Contractor

The undersigned Contractor certifies:

1) All amounts and items shown on this application are correct.
2) Any work performed or materials supplied have been done in accordance with the contract documents.
3) That the contractor has clear title to any materials or equipment for which the contractor is requesting payment as stored materials.
4) All amounts paid by the County to the Contractor in previous progress payments have been applied by the Contractor and the Subcontractors to promptly pay, in proportionate amounts, all subcontractors, suppliers, and others who have contributed with or materials listed in the Schedule of Values of the previous Payment Applications, except as indicated on Attachment 1, which is incorporated herein, consisting of ____page(s). 25
5) The Contractor will apply any sums paid by the County from this Application for Payment to subcontractors, material, supplies and others who have contributed work or materials included in the line items referenced in the attached Schedule of Values (less retainage is applicable) except as indicated on Attachment 2, which is incorporated herein, consisting of _____ pages. 26

					$ -

1. Data will be imported from values input on Pay Application cover sheet.
2. Data will be imported from values input on Pay Application cover sheet.
3. Data will be imported from values input on Pay Application cover sheet.
4. Data will be imported from values input on Pay Application cover sheet.
5. Data will be imported from values input on Pay Application cover sheet.
6. Data will be imported from values input on Pay Application cover sheet.
7. Data will be imported from values input on Pay Application cover sheet.
8. Data will be imported from values input on Pay Application cover sheet.
9. Data will be imported from values input on Pay Application cover sheet.
10. Data will be imported from values input on Pay Application cover sheet.
11. Input the County Line Item number from the bid which stored material is being claimed against. (there should only be one line item for each bid item)
12. Input the Suppliers Invoice number and Supplier name (Inv. ###-Supplier) for each invoice that has stored material related to the line item. (Invoices may span multiple line items)
    - Each invoice will need to be clearly marked as to which items relate to it's corresponding Line Item Number.
    - Each invoice should include a summary showing the total amount from the invoice which is being claimed against each corresponding line item
    - Example:
13. Input the Total Value of Stored Material from previous applications. If first application leave blank.
14. Input the total value of Stored Material that is being requested in the current application.
15. Input the total value of Stored Material that was installed in the current application
16. This column will automatically calculate based on entries form items 13 through 15
17. This column will automatically calculate 75% of the line item bid value. This is the maximum that can be claimed for any line item.
18. This column automatically calculates the maximum total amount of stored materials this period and will automatically input the value on the SOV sheet on the corresponding line.
19. This column automatically calculates the maximum amount of materials previously claimed this period and will automatically input the value on the SOV sheet on the corresponding line.
20. This column automatically calculates the maximum amount of materials claimed this period and will automatically input the value on the SOV sheet on the corresponding line.
21. This column automatically calculates the maximum amount of materials installed this period and will automatically input the value on the SOV sheet on the corresponding
