HILLSBOROUGH COUNTY WATER RESOURCES DEPARTMENT
CONTRACT FOR TANK TRUCK WATER SERVICE

Account Number:	**Date Applied:**
Business Name (As registered by FL Divisions of Corporations):	
Billing Address:	
Daytime Phone Number:	
Truck ID/VIN Number:	**Type of Business:**
Responsible Party:	

Applicant hereby applies for a tank truck water meter and agrees to pay all fees and charges in accordance with the rates, rules, codes, ordinances, resolutions, policies, and procedures legally in effect and on file with Hillsborough County, Florida.

Applicant understands that applicant will be responsible for the purchase of the appropriate backflow prevention device to be installed **on the tank truck prior** to delivering the tank truck to the Infrastructure Maintenance Division (IMD)in accordance with County requirements attached hereto and incorporated herein by reference.

- **South Infrastructure Maintenance:** (813) 744-5600 - Javier Diaz/Chris Campbell
- **Northwest Infrastructure Maintenance:** (813) 554-5011 – Valentine Cruz/Mike Castellano
- **East Infrastructure Maintenance:** (813) 829-9687 – Robert Gaitan/Tom Parmentier

Applicant will ensure the meter assembly is properly installed and remains on the designated truck at all times to ensure that safe methods are being taken to prevent contamination of the water supply by tank truck chemicals.

Applicant agrees to adhere to the County's requirements attached hereto and incorporated herein by reference for inspection of the meter assembly and **will use only hydrants designated** pursuant to the County's procedures attached hereto and incorporated herein by reference.

Applicant understands that: (1) Bills/statements for water service will be calculated in accordance with the County's established rate schedule. **(2) Must take a picture of the Tanker Meter lid (Showing the imprinted meter number on it), lift the lid and take a clear picture of the reading (Dials on the meter) each month. This information must be submitted 3 to 5 business days prior to the last business day of each month. E-mail the pictures along with your account number/name of your company to: WRS-Billing@hillsboroughcounty.org. Please note: *(Failure to submit these readings, will result in an estimated billing for consumption and a $30 service charge).*** (3) Bills for service are due and payable when rendered, and (4) Billing for service will commence on the date the Utility issues the water meter field activity.

Applicant agrees to indemnify, defend and hold harmless the County, its agents and employees from and against any and all liabilities, claims, damages, losses and expenses including attorney's fees which arise out of or are in any way connected with the use by applicant, its employees or agents, of the County's designated fire hydrants from which to draw water except when caused by the sole negligence of the county, its agents or employees.

Applicant acknowledges that pursuant to section 316.1945 Florida statutes, the applicant cannot park a vehicle, whether occupied or not, within 15 feet of a fire hydrant.

Applicant further acknowledges that pursuant to section 8 06.06 Florida statutes it is a felony of the third degree for the applicant to interfere in any manner with the use of a fire hydrant in the extinguishment of a fire.

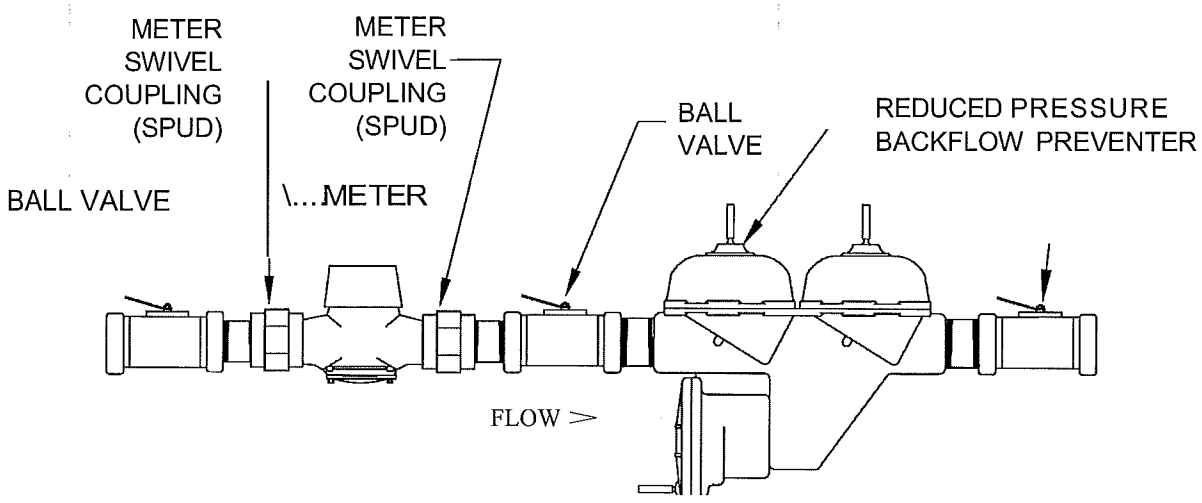

Applicants understand that at the sole determination of the County, should county at any time determine that the County's requirements and safe practices are not being met by applicant, applicant will immediately be denied use of designated hydrants.
