

Planned Development Application Package

**Hillsborough
County Florida**
Development Services

Instructions to Applicants for Requests Requiring Public Hearing:

I. Prior to completing this application:

If you have any questions regarding your proposed project prior to submittal of this application, please email ZoningIntake-DSD@HCFLGov.net. If you would like staff to conduct a review of your proposal prior to the submission of your formal application, please complete and submit a [Request for Pre-Submittal Review](#).

Please ensure you gather items that will need to be submitted prior to submitting your application as incomplete applications will not be accepted. Some of the items necessary may be obtained as follows:

- **Property information** such as folio numbers, future land use, current zoning, section/township/range and other information may be obtained by using the [Hillsborough County Map Viewer](#) and searching for the necessary address in the search bar at the top.
- **Sunbiz Forms** may be obtained by visiting Sunbiz.org.
- **A Copy of the Current Recorded Deed(s)** may be obtained by visiting the Hillsborough County Property Appraiser's website at HCPAFL.org and conducting a Property Search. Search by folio number or property address and select the correct result. Scroll down to 'Sales History' and select the most recent 'Instrument Number'. Select one of the results to view and save the current recorded deed.
- **Close Proximity Property Owners List** may be requested by emailing gisdept@hcpafl.org. Include all folio numbers and the notice buffer distance area in the request. *Please Note:* If your property has an Agricultural Future Land Use Designation (A, AR, AM, AE) or a Future Land Use Designation of RES-1 you must obtain a list of all property owners within 500 feet of the subject property. For all other Future Land Use Categories you must obtain a list of all property owners within 300 feet of the subject property. If the property contains more than one future land use category, the greatest applicable notice distance shall apply per [LDC Section 10.03.02.E.1](#). If the notice distance extends to include parcels in an adjacent county jurisdiction, those property owners will need to be included in the list. Contact the property appraiser's office for the applicable county jurisdiction to obtain that list.

II. Application submittal:

Part A and Part B of the submittal requirements include specific requirements and their requisite forms necessary for a complete and sufficient application submission.

- **Part A** will verify the property owner has authorized the application and includes forms and documents needed to verify the area for the proposed change.
- **Part B** includes the specific additional submittal requirements for the type of application being submitted.

Documents must be submitted as separate PDF documents with a minimum image resolution of 300 dpi labeled according to their contents and submitted in a single email to ZoningIntake-DSD@HCFLGov.net. Incomplete submittals will receive an email indicating the documents that are missing and will require a full resubmittal.

IMPORTANT: Review the entire application (both Parts A and B) for completeness prior to submission. Ensure you have your complete application submitted by 3:00 PM on the [cut-off day for your desired hearing](#) or your application will miss the cut-off and be continued to the next hearing date. Incomplete applications will not be accepted.

III. Post-application submittal:

Complete submittals will receive a payment request email. The deadline to make the payment is **one business day** after you receive this request. Failure to complete the payment by the deadline will result in application delays and/or additional Fastrack fees. Please view our [current fee schedule](#) for a list of zoning fees. Payments must be made through the [HillsGovHub portal](#). Instructions on how to [create an account](#) and [how to make a payment](#) are also available.

A Sufficiency Meeting may also be required to ensure all application requirements have been met.

Remember, the Hillsborough County Land Development Code requires public notice for this category of application. After payment is received, you will receive a Letter of Notice that must be sent to all addresses on the Adjacent Property Owners List and/or HOA list. A Certificate of Mailing must also be provided. Instructions on completing your Letter of Notice and obtaining a Certificate of Mailing, will be sent with the Letter of Notice via email. Mailing deadlines and the deadline to submit the certificate of mailing will also be included on this email.

Identification of Sensitive/Protected Information and Acknowledgement of Public Records

Pursuant to [Chapter 119 Florida Statutes](#), all information submitted to Development Services is considered public record and open to inspection by the public. Certain information may be considered sensitive or protected information which may be excluded from this provision. Sensitive/protected information may include, but is not limited to, documents such as medical records, income tax returns, death certificates, bank statements, and documents containing social security numbers.

While all efforts will be taken to ensure the security of protected information, certain specified information, such as addresses of exempt parcels, may need to be disclosed as part of the public hearing process for select applications. If your application requires a public hearing and contains sensitive/protected information, please contact [Hillsborough County Development Services](#) to determine what information will need to be disclosed as part of the public hearing process.

Additionally, parcels exempt under [Florida Statutes §119.071\(4\)](#) will need to contact [Hillsborough County Development Services](#) to obtain a release of exempt parcel information.

Are you seeking an exemption from public disclosure of selected information submitted with your application pursuant to Chapter 119 FS? Yes No

I hereby confirm that the material submitted with application _____

Includes sensitive and/or protected information.

Type of information included and location _____

Does not include sensitive and/or protected information.

Please note: Sensitive/protected information will not be accepted/requested unless it is required for the processing of the application.

If an exemption is being sought, the request will be reviewed to determine if the applicant can be processed with the data being held from public view. Also, by signing this form I acknowledge that any and all information in the submittal will become public information if not required by law to be protected.

Specific Submittal Requirements for Planned Development Rezoning

This section provides information on items that must be addressed/submitted for a Planned Development Rezoning and will be subsequently reviewed when the application is assigned to a planner. Where certain information does not apply to a project, a notation shall appear on the plan stating the reason, for example, "No existing water bodies within project." Additionally, the explanations and justifications for when certain information does not apply to the project shall be included in the Narrative. If Hillsborough County determines the submitted plan lacks required information, the application shall not proceed to hearing as provided for in Section 6.2.1.1.A. Additionally, the required information is only the minimum necessary to schedule an application for hearing and Hillsborough County reserves the right to request additional information during review of the application.

If you are viewing this form electronically, you may click on each underlined item for additional information.

For any items marked N/A, justification must be provided as to why the item is not included.

Part B: Project Information

Additional Submittal Requirements for a Planned Development

- 1 **Project Description/Written Statement**
- 2 **Variation for Site Design and Variation Criteria Response Form** (if applicable)
- 3 **Proposed Plan Development Site Plan** (Digital copy in PDF format with paper size set to no smaller than 24" x 36" with a minimum resolution of 300 dpi, if digital file is signed/certified or otherwise locked, an identical unlocked file shall also be submitted)
 - **Land Use Information Within the Project**
 - **Land Use Information Outside the Project**
 - **Transportation Information**
 - **Utilities Information**
 - **Environmental Information**
- 4 **Required Transportation Analysis**
- 5 **Supplemental Information** (optional/if applicable. This may include: a) report, b) Special Surveys, Approvals, or Reports Required Where Development is Dependent on Such Surveys, Approvals or Reports, c) Indications as to the Nature and Succession of Staging, d) Proposals on Provision and Continuing Operation and Maintenance of Facilities for Common Use, e) Commitment for Completion and Adherence to Approved Plans, and f) Compliance with F.S. Chapter 723)

Specific Submittal Requirements for Planned Development Rezoning

Proposed Plan Development General Site Plan Requirements

Included	N/A	Requirements
<input type="checkbox"/>	<input type="checkbox"/>	The name and type of the proposed PD and the names of the developer(s), architect(s), engineer(s), and planner(s) associated with the project.
<input type="checkbox"/>	<input type="checkbox"/>	Scale with scale bar and scale statement (i.e. 1 inch = 50 feet), date and north arrow. Engineering scale shall be utilized.
<input type="checkbox"/>	<input type="checkbox"/>	Legal description of the proposed PD. Additionally, the border of the proposed PD shall be graphically delineated with a distinct line labeled "PD Boundary".
<input type="checkbox"/>	<input type="checkbox"/>	A vicinity map showing the location of the project within Hillsborough County.
<input type="checkbox"/>	<input type="checkbox"/>	Community Planning Area(s) in which the project is located. If the project is located in more than one planning area or is not completely contained within a planning area, the boundaries of the planning area(s) within the project shall be graphically delineated.
<input type="checkbox"/>	<input type="checkbox"/>	Overlay district(s) in which the project is located. If the project is located in more than one overlay district is not completely contained within an overlay district, the boundaries of the overlay district(s) within the project shall be graphically delineated.
<input type="checkbox"/>	<input type="checkbox"/>	Special zone(s), including but not limited to the Coastal High Hazard Area, Wellhead Resource Protection Area, Surface Water Resource Protection Area and Potable Water Wellfield Protection Area, in which the project is located. If the project is located on more than one special zone or is not completely contained within specified zones, the boundaries of the special zones lines within project shall be graphically delineated.
<input type="checkbox"/>	<input type="checkbox"/>	Designated scenic roadway corridors within the project or adjacent to the project.
<input type="checkbox"/>	<input type="checkbox"/>	A "Project Data Table" with the following information. The table shall be formatted and annotated in a manner that facilitates cross reference with the plan graphics.
<input type="checkbox"/>	<input type="checkbox"/>	Gross acreage in the proposed PD and Comprehensive Plan designation of the property. If there is more than one Plan designation, the acreage in each Plan designation shall be separately identified.
<input type="checkbox"/>	<input type="checkbox"/>	Acreage of natural water bodies. If the project has more than one Plan designation, the acreage of natural water bodies in each Plan designation shall be separately identified.
<input type="checkbox"/>	<input type="checkbox"/>	Acreage of environmentally sensitive areas, by type, and man-made water bodies. If the project has more than one Plan designation, the acreage of environmentally sensitive areas, by type, and man-made water bodies in each Plan designation shall be separately identified.
<input type="checkbox"/>	<input type="checkbox"/>	If residential uses are proposed, the type and number of requested dwelling units and gross density. If non-residential uses are proposed, the amount of requested floor space and gross FAR for each type of use (retail, office, etc.). If more than one use is proposed, the acreage of each use pocket/area/tract shall be identified along with the amount of natural water bodies, environmentally sensitive areas and man-made water bodies in each use pocket/area/tract and gross density/intensity of the pocket. Additionally, if the project has more than one Plan designation, the designation of each use pocket shall be identified.

Land Use Information Within the Project

Included	N/A	Requirements
<input type="checkbox"/>	<input type="checkbox"/>	Current zoning(s) and Comprehensive Plan designation(s) of all property within the project. If a Comprehensive Plan boundary flex is requested, the proposed flex line shall be delineated and the flex shall be reflected in the Project Data Table calculations.
<input type="checkbox"/>	<input type="checkbox"/>	All plats, parcel lines, rights-of-way, easements and property folio numbers within the project. If a plat, or portion thereof, is proposed to be vacated, a note shall appear on the plan stating such intent. Easement labels shall include information describing the nature of the easement and providing OR Book and Page or Instrument Number(s) of the document(s) containing the easement. Any labels describing previously vacated rights-of-way shall include the relevant ordinance number and hearing date on which the right-of-way vacation was approved.

Specific Submittal Requirements for Planned Development Rezoning

Land Use Information Within the Project (continued)

Included	N/A	Requirements
<input type="checkbox"/>	<input type="checkbox"/>	Location, footprint and proposed use of existing structures, if any, that are to remain under the proposed development. If the structures are to be utilized for nonresidential purposes, the floor space of each structure shall be identified. If the structures are to be utilized for residential purposes, the number of dwelling units in each structure shall be identified. If the structures are to be utilized for a Public, Private or Charter School, Child Care Center, Community Residential Home, Church/Synagogue or other similar use, the maximum number of seats or beds shall be identified.
<input type="checkbox"/>	<input type="checkbox"/>	Development standards for all proposed uses, including minimum lot size, minimum lot width, required yards (front, side and rear), maximum building height, maximum FAR (nonresidential uses), maximum building coverage and maximum impervious surface.
<input type="checkbox"/>	<input type="checkbox"/>	The location, boundaries, acreage, proposed use and density/intensity of each discrete portion, pocket and/or phase of the proposed project, if applicable.
<input type="checkbox"/>	<input type="checkbox"/>	If specific architectural designs for non-residential or multi-family structures are proposed, building elevations or renderings shall be shown on the plan.
<input type="checkbox"/>	<input type="checkbox"/>	The general location and nature of fences, walls, and buffering to be provided with specific attention to the project periphery. Landscape buffer alternative(s), if proposed, shall be identified and depicted on the plan.
<input type="checkbox"/>	<input type="checkbox"/>	Location, boundaries and acreage of proposed common open space/recreation areas.
<input type="checkbox"/>	<input type="checkbox"/>	Location, boundaries and acreage of areas proposed for public park lands or public school sites.
<input type="checkbox"/>	<input type="checkbox"/>	Location, boundaries and acreage of water bodies and identification of each body as natural or man-made.
<input type="checkbox"/>	<input type="checkbox"/>	Building envelopes for non-residential and multi-family structures proposed within two hundred (200) feet of the PD boundary.
<input type="checkbox"/>	<input type="checkbox"/>	"Typical lot layouts" showing required front, rear and side yards for single- and two- family lots proposed within two hundred (200) feet of the PD boundary. If such lots have varying yard requirements, then a typical layout for each lot type must be shown.
<input type="checkbox"/>	<input type="checkbox"/>	Designated historic landmarks and other historical or archaeological sites and structures, and notation of whether said resources are to remain.

Land Use Information Outside the Project

Included	N/A	Requirements
<input type="checkbox"/>	<input type="checkbox"/>	Current zoning(s) and Comprehensive Plan designation(s) of all property within 150 feet of the project boundaries.
<input type="checkbox"/>	<input type="checkbox"/>	All plats, parcel lines, easements and property folio numbers within 150 feet of the project boundaries. Easement labels shall include information describing the nature of the easement and providing OR Book and Page or Instrument Number(s) of the document(s) containing the easement. Any labels describing previously vacated rights-of-way shall include the relevant ordinance number and hearing date on which the right-of-way vacation was approved.
<input type="checkbox"/>	<input type="checkbox"/>	Current uses of properties, including location and general footprints of existing structures, drive aisles, sidewalks, parking, etc. within 150 feet of project boundaries, except that where such properties are zoned PD and the 150 feet of project boundaries, except that where such properties are zoned PD and the existing land conditions do not reflect the currently approved development pattern, the approved development pattern (as provided for on the applicable Certified General Site Plan) shall be shown on the plan. Additionally, the PD rezoning number, and latest modification number if applicable, shall be identified.
<input type="checkbox"/>	<input type="checkbox"/>	Designated historic landmarks and other historical or archaeological sites and structures within 150 feet of project boundaries.

Specific Submittal Requirements for Planned Development Rezoning

Transportation Information

Included	N/A	Requirements
<input type="checkbox"/>	<input type="checkbox"/>	Existing and proposed points of ingress and egress for principal pedestrian, vehicular, mass transit and waterway facilities, and the general circulation patterns within the PD district for such facilities indicating the hierarchy (i.e. local, collector or arterial roadway), if applicable, of project roadways. General circulation patterns shall demonstrate connectivity between project phases, pockets or areas.
<input type="checkbox"/>	<input type="checkbox"/>	Existing points of ingress/egress that are to remain, be closed or modified shall be identified and labeled as appropriate. Alternatively, where such connectivity is not provided the applicant shall submit written justification as to why such connectivity cannot be provided within a section titled "Internal Connectivity" within the project narrative.
<input type="checkbox"/>	<input type="checkbox"/>	Existing and proposed Shared Access Facilities shall be identified. The label shall include the folio number(s) of the adjacent parcel(s) sharing such facility (e.g. "Shared Access Facility with Folio 12345.0123)". This requirement does not apply to adjacent parcels within the same PD zoning.
<input type="checkbox"/>	<input type="checkbox"/>	A note shall appear on the plan stating if project roads will be public or private and, if the latter, whether they will be gated. If driveways are provided, a note shall appear on the plan stating that the project driveways are to be privately maintained and whether they will be gated.
<input type="checkbox"/>	<input type="checkbox"/>	Existing and proposed cross access points between the project site and adjacent properties. The nature of such cross access shall be labeled (e.g. "Proposed Pedestrian Cross Access" or "Proposed Vehicular and Pedestrian Cross Access"). If cross access is constrained by physical barriers, the barriers shall be shown on the plan. Alternatively, where such required cross access is not provided the applicant shall submit written justification as to why such connectivity cannot be provided within a section titled "External Connectivity" within the project narrative and submit the required Section 6.04.02.B. Administrative Variance Request.
<input type="checkbox"/>	<input type="checkbox"/>	The approximate amount of right-of-way to be preserved by the project, if applicable, in order to comply with the Hillsborough County Corridor Preservation Plan shall be shown. The area shall be labeled "+/- ____ Feet of Right-of-Way Preservation per Hillsborough County Corridor Preservation Plan".
<input type="checkbox"/>	<input type="checkbox"/>	The applicant shall provide one or more of the following, as applicable: <ul style="list-style-type: none"> • A statement within a section of the project narrative titled "Transportation Infrastructure Serving the Site" naming the roadway(s) being accessed, stating whether the roadways meet standards found within the Hillsborough County Transportation Technical Manual (TTM), and which TTM Typical Section the applicant believes each road conforms to. • If the applicant believes the project should qualify for the County Engineer's de minimis criteria, they shall include such statement within a section titled "Substandard Roads" within the project narrative and summarize project and roadway details necessary for staff's consideration. Projects generating 10 or fewer peak hour trips in total are generally exempted, at staff's discretion, from improving a substandard road to current County standards between the project driveway(s) and nearest roadway meeting standards provided the facility being accessed meets minimum life safety standards (i.e. 15 feet of pavement within a 20-foot wide clear area). • If roadway(s) accessed do not meet County standards, and the applicant does not believe the project meets the de minimis criteria, then the applicant shall include a statement within a section of the PD narrative titled "Developer Commitments" committing that they will improve the roadway network between each project access and the nearest standard roadway, which may require the developer to dedicate or otherwise obtain additional right-of-way. • Should the applicant request a Section 6.04.02.B Administrative Variance from the Section 6.04.03.L requirement (in the case they are seeking a waiver of substandard road requirements), or a Design Exception in accordance with Section 1.7.2. and other applicable sections of the Transportation Technical Manual (TTM), in the event they are seeking relief from a Typical Sections standard found within the TTM, then developer shall include such statement within the project narrative in a section titled "Substandard Roads".
<input type="checkbox"/>	<input type="checkbox"/>	Most Transportation Related Administrative Reviews must be processed concurrently with a PD zoning or PD zoning modification. The applicant shall submit requests for the following together with a "Supplemental Information for Transportation Related Variances (SITRAR)" form which can be obtained from Development Services:

Variations Criteria Review Form

For each variation being requested, you must provide a detailed response to each of the following criteria. If additional space is needed, please attach extra pages to this application.

1. Explain how the variation is necessary to achieve creative, innovative, and/or mixed-use development that could not be accommodated by strict adherence to current regulations.

2. Explain how the variation is mitigated through enhanced design features. Design Features must be clearly indicated on the site plan and the applicant must demonstrate how the feature is proportionate to the degree of variation being requested.

3. Explain how the variation is in harmony with the purpose and intent of the Hillsborough County Land Development Code.

4. Explain how the variation will not substantially interfere with or injure the rights of the adjacent property owners.

Properties located within the map areas depicted below may be subject to a separate Airport Height Zoning Permit approval process of the Hillsborough County Aviation Authority (HCAA), which includes a Determination of “No Hazard” from the Federal Aviation Administration (FAA), pursuant to the HCAA’s Airport Zoning Regulations. FAA Determinations can take up to 45 days to complete. Additionally, pursuant to an Interlocal Agreement between the HCAA and Hillsborough County, any Land Development Proposal within proximity to Tampa International Airport and Tampa Executive Airport and Educational facilities and landfills located with certain mapped areas will be transmitted to HCAA for review.
