defects which arise during the warranty period; and

**NOW, THEREFORE**, in consideration of the intent and desire of the Owner/Developer as set forth herein, to gain acceptance for ownership and/or maintenance by the County of the aforementioned County Off-Site Project Improvements, the Owner/Developer and County agree as follows:

1.	The	terms,	conditions	and	regulations	contained	in	the	LDC,	are	hereby	incorporated	by
	refer	ence and	d made a par	t of th	is Agreement	- ••							

- 3. The Owner/Developer agrees to warranty the County Off-Site Project Improvements against failure, deterioration or damage resulting from defects in workmanship and materials, for a period of two (2) years following the date of acceptance of said improvements for maintenance by the County. The Owner/Developer further agrees to correct within the above described warranty period any such failure, deterioration, or damage existing in the improvements so that said improvements thereafter comply with the technical specifications contained in the LDC established by the County.
- 4. The Owner/Developer agrees to, and in accordance with the requirements of the LDC does hereby deliver to the County, an instrument ensuring the performance and a separate instrument providing a warranty of the obligations described in paragraphs 2 and 3 respectively above, specifically identified as:

Letters of Credit, number						dated		,

to this A	greeme	nt.						

Copies of said letters of credit, performance and warranty bonds or cashier/certified checks are attached hereto and by reference made a part hereof.

- 5. Once construction is completed, the Owner/Developer shall submit a written certification, signed and sealed by the Engineer-of-Record, stating that the off-site project improvements are constructed in accordance with:
  - The plans, drawings, and specifications submitted to and approved by the County's
     Development Review Division of the Development Services Department; and
  - b. All applicable County regulations relating to the construction of improvement facilities.

An authorized representative of the County's Development Review Division of the Development Services Department will review the Engineer's Certification and determine if any discrepancies exist between the constructed improvements and said certification.

- 6. Should the Owner/Developer seek and the County grant, pursuant to the terms contained in the LDC, an extension of time period established for construction of those improvements described in paragraph 2, the Owner/Developer shall provide the County with an instrument ensuring the completion of said improvements within the extended period. The instrument shall be in the form of a letter of credit, performance bond, escrow agreement, or cashier/certified check, as required by the LDC.
- 7. In the event the Owner/Developer shall fail or neglect to fulfill its obligations under this Agreement as set forth in paragraph 2 and as required by the LDC, the Owner/Developer shall be liable to pay for the cost of construction and installation of the improvements to the final total cost including, but not limited to, engineering, legal and contingent costs, together with any damages, either direct or consequential, which the County may sustain as a result of the failure of the Owner/Developer to carry out and execute all of the provisions of this Agreement and the provisions of the LDC.
- 8. In the event the Owner/Developer shall fail or neglect to fulfill its obligations under this Agreement as set forth in paragraph 3 and as required by the LDC, the Owner/Developer shall be liable to pay for the cost of reconstruction of defective improvements to the final total cost, including, but not limited to, engineering, legal and contingent costs, together with any damages, either direct or consequential, which the County may sustain as a result of the Owner/Developer's failure or neglect to perform.
- 9. The County agrees, pursuant to the terms contained in the LDC, to accept the County Off-Site Project Improvements for maintenance upon proper completion, approval by the County's Development Review Division of the Development Services Department, and the submittal and approval of all documentation required by this Agreement and the LDC.
- 10. In the event that the improvement facilities are completed prior to the end of the construction period described in paragraph 2, the Owner/Developer may request that the County accept the County Off-Site Project Improvements for maintenance at the time of completion. In addition to the submittal, inspections, and approvals otherwise required by this Agreement and the LDC, the Owner/Developer shall accompany its request for acceptance with a new or amended warranty instrument, in a form prescribed by the LDC, guaranteeing the obligations set forth in paragraph 3 for a period of two years from the date of final inspection approval. Provided that said warranty instrument is approved as to form and legal sufficiency by the

County Attorney's Office, the County's Development Review Division of the Development Services Department may accept the new or amended warranty instrument on behalf of the County, and release the original warranty instrument received pursuant to this Agreement, where appropriate. All portions of this Agreement pertaining to the warranty shall apply to any new or amended warranty instrument accepted pursuant to this paragraph.

- 11. If any article, section, clause or provision of this Agreement may be deemed or held invalid by any court of competent jurisdiction for any reason or cause, the same shall not affect or invalidate the remaining portions of this Agreement, which shall remain in full force and effect.
- 12. This document contains the entire agreement of these parties. It shall not be modified or altered except in writing signed by the parties.

**IN WITNESS WHEREOF**, the parties hereto have executed this Agreement, effective as of the date set forth above.
