Instructions to Applicants Requesting Agricultural Enclave Certification:

I. Prior to completing this application:

If you have any questions regarding your proposed project prior to submittal of this application, please email ZoningIntake-DSD@HCFL.gov.

Please ensure you gather items that will need to be submitted prior to submitting your application as incomplete applications will not be accepted. Some of the items necessary may be obtained as follows:

- **Property information** such as folio numbers, future land use, current zoning, section/township/range and other information may be obtained by using the Hillsborough County Map Viewer and searching for the necessary address in the search bar at the top.
- **Sunbiz Forms** may be obtained by visiting Sunbiz.org.
- **A Copy of the Current Recorded Deed(s)** may be obtained by visiting the Hillsborough County Property Appraiser's website at HCPAFL.org and conducting a Property Search. Search by folio number or property address and select the correct result. Scroll down to 'Sales History' and select the most recent 'Instrument Number'. Select one of the results to view and save the current recorded deed.
- **Close Proximity Property Owners List** may be requested by emailing gisdept@hcpafl.org. Include all folio numbers and the notice buffer distance area in the request. *Please Note:* If your property has an Agricultural Future Land Use Designation (A, AR, AM, AE) or a Future Land Use Designation of RES-1 you must obtain a list of all property owners within 500 feet of the subject property. For all other Future Land Use Categories you must obtain a list of all property owners within 300 feet of the subject property. If the property contains more than one future land use category, the greatest applicable notice distance shall apply per LDC Section 10.03.02.E.1. If the notice distance extends to includes parcels in an adjacent county jurisdiction, those property owners will need to be included in the list. Contact the property appraiser's office for the applicable county jurisdiction to obtain that list.

On August 5, 2026, the Board of County Commissioners proposed a one year pilot project plan for implementation of Section 125.01055 (6) Florida Statutes.

- **Qualifying Parcels:** Parcels zoned for commercial or industrial use, or any parcel, including any contiguous parcel connected thereto, which is owned by a religious institution that contains a house of public worship.
