

Contractor License Updated Guidance

Pursuant to State of Florida [House Bill 735](#), local jurisdictions/counties may issue local licensure for license types which mirror a license offered by the [Florida Department of Business & Professional Regulation \(DBPR\)](#). Trades regulated by the State of Florida and/or work which requires a permit in this county requires a valid contractor license. Please see the [Contractor Licensing landing page](#) which includes [Frequently Asked Questions \(FAQs\)](#) for more information.
