

2025 RFA-1 Funding Recipients

Domain	Contractor Familiar Name	BOCC Approved Contract Amount	Primary Goal
Education	USF	\$1,662,680.00	To strengthen the capacity of healthcare and community systems to effectively prevent, identify, and treat Opioid and Substance Use Disorders, particularly in perinatal populations, through integrated education, workforce development, and public engagement.
Education	Recovery Epicenter	\$891,348.00	To improve the quality of recovery residences in Hillsborough County by removing financial barriers to accreditation and increasing access to essential training.
Education	Live Tampa Bay	\$426,728.00	To reduce the impact of addiction and overdose deaths in Hillsborough County residents with Opioid Use Disorder (OUD) / Substance Use Disorder (SUD), by enhancing the knowledge of network service providers and stakeholders on improving the quality-of-care services. This will be achieved through comprehensive access to resources, data, and best practices, while fostering innovation and collaboration across sectors.
Education / Prevention	Hillsborough County Anti-Drug Alliance (Ed. \$767,402.00 / Prev. \$565,937.90)	\$1,333,339.90	To implement a comprehensive opioid education and prevention initiative in Hillsborough County through targeted training, outreach, and resource distribution to residents and professionals.
Prevention	USF	\$820,000.00	To reduce the risk of opioid use disorder among youth and young adults by addressing upstream health and social factors through early intervention; education, coalition-building, and expanded access to harm reduction and mental health services.
Prevention	Boys & Girls Club	\$840,060.80	To provide targeted interventions and case management support to Hillsborough County elementary, middle, and high school students and their families that have a higher risk of substance abuse. Utilizing a multi-tiered service model and evidence-based prevention strategies, the CONTRACTOR will address individual, family, and community risk factors through a combination of school-based prevention education, case management, small-group support, family workshops, and specialized training of staff in Hillsborough County Public Schools.
Recovery	Root Awakening	\$1,087,943.00	To provide comprehensive wrap-around services that integrate recovery support, wellness practices, skill-building and job-training and social enterprise on a sustainable farm.
Recovery	Dr. Traci's House	\$1,184,733.90	To provide comprehensive wrap-around services to Hillsborough County residents aged 18 and up with Opioid Use Disorder (OUD) and co-occurring Substance Use Disorder (SUD)/mental health conditions who are in recovery. Services will include, but not be limited to, education, individual and small group recovery sessions, job placement, job training, visual art therapy, chair yoga and meditation, community gardening, and cooking classes.
Recovery	Timothy Initiative	\$624,956.40	To provide safe, sober housing and a structured 12-month recovery program with individualized support aimed at achieving and sustaining long-term sobriety for adult males with Opioid Use Disorder (OUD) who reside in Hillsborough County.
Recovery	Yoga 4 Change	\$625,710.00	To offer comprehensive, wrap-around wellness services to Hillsborough County residents aged 18 and up who are in recovery from Substance Use Disorder/Opioid Use Disorder (SUD/OUD), specifically through evidence-based yoga and mindfulness classes.

2025 RFA-1 Funding Recipients

Recovery	Healthy Start	\$1,305,047.00	To support families in Hillsborough County affected by Substance Use Disorder (SUD) by providing integrated medical, nursing, and home-visiting services through an expansion of The PRISM (Perinatal Recovery and Integrated Support for Mental Health) Clinic.
Recovery	Florida Recovery Schools	\$481,930.14	To provide a combination of educational support, recovery services, and mental health care in a safe, therapeutic environment for Hillsborough County students aged 14 to 19 who are recovering from Substance Use Disorder (SUD) or Opioid Use Disorder (OUD).
Recovery	Hillsborough Recovery Coalition	\$939,599.88	To provide community-based recovery services for individuals that reside in Hillsborough County and have been impacted by opioid use disorder (OUD).
Treatment	Crisis Center	\$1,234,920.96	To reduce overdose deaths and improve access to long-term treatment for Hillsborough County residents with Opioid Use Disorder (OUD), at-risk of OUD, and with co-occurring Substance Use Disorder (SUD) and mental health conditions.
Treatment	TGH	\$3,639,789.00	To increase access to behavioral health services, improve long-term retention, and reduce overdose deaths among Hillsborough County residents with Opioid Use Disorder (OUD)/Substance Use Disorder (SUD) and mental health conditions through the operation of a Mobile Behavioral Health Unit.
Treatment	Ibis	\$3,821,179.00	To develop and implement an innovative Technology Enhanced Services & Treatment (TEST) model to improve outcomes for Hillsborough County residents at risk of or experiencing Opioid Use Disorder/Substance Use Disorder (OUD/SUD).
Treatment	ACTS (Capital)	\$1,000,000.00	To support the construction of a new residential treatment facility in Hillsborough County.
Treatment	ACTS	\$1,554,097.68	To ensure Hillsborough County residents with Opioid Use Disorder/Substance Use Disorder (OUD/SUD) receive timely, appropriate, and comprehensive care, specifically Hospital Bridge and Residential Treatment Services.
Non-RFA	13th Judicial Circuit	\$3,013,173 (\$1,004,391 per year for 3 years)	To operate the Adult Mental Health Court (MHC) program, which offers evidence-based treatment, judicial supervision, and accountability to provide individualized interventions for eligible residents at risk of re-entering the criminal justice system.
Non-RFA	Medical Examiner's Office	\$1,307,622	Programmatic funds will be used for initial Licensing, Software, and Services, plus Maintenance & Support for the first 5 years. Expand and improve monitoring, data collection and reporting as well as support more detailed analysis of overdose and death data.
