

INTENT STATEMENT

The purpose of the updates to the Development Review Procedures Manual (DRPM) is to reflect recent Text changes to the Land Development Code (LDC) pertaining to application review procedures for amending the Zoning Atlas. Section 6.0 will make references to updated application materials and review procedures.

Different subsections of Section 6.2.1 will be updated including application requirements and narrative, as well as the land use and transportation information indicated on PD Site Plans. The amendment will also accommodate recent submittal requirements which has changed to the digital format.
