

## Preliminary Plat Application Sufficiency Checklist

### § 4.1.4.1.2.2.2 and 4.1.4.2.2.1, DRPM

Items listed under Part A of this check list are required for a sufficient application submittal. Applications will not be accepted if all required Part A items are not included with the initial submittal package. All application items are to be submitted unless the Engineer of Record (EOR) indicates they are not applicable. Not applicable items must be denoted as "NA" accordingly. Any item that is not initialed or shown as "NA" will be considered missing. Items listed under Part B are required for review of a project. If one of the Part B items is missing, the application will be considered insufficient and the review will be stopped, the application marked insufficient and the review time will be restarted once the missing item(s) have been submitted.

Staff Initials	EOR's Initials	PART A: Required Submittal Items
		Fee Payment
		Application
		Transmittal Letter that clearly describes project scope
		Owner Affidavit
		Natural Resources Application
		Concurrency Application including School Concurrency, 3 copies (Stormwater, Transportation & Utilities)
		No Tree Affidavit, if applicable
		Current aerial photograph (1 inch equals 200 feet) outlining subject property boundaries, names of adjacent streets, and with subdivision geometry overlaid
		Copy of Vesting Letter (if applicable)
		Copy of Water, Wastewater, & Reclaimed Water Master Plan – phased projects served by County
		Copy of Conceptual Plan - for extension of water & wastewater to adjacent tracks
		Deed – copy of recorded deed
		Building Elevations (6 copies for townhome projects located in zoning or overlay districts)
		Preliminary Plat (3 sets of plans or number determined at Pre-Submittal)
		Vicinity map to scale – showing proposed subdivision in relation to surroundings
		Key Map – If plat consists of more than one page
		Plant and Wildlife Survey for endangered, threatened or species of special concern, if applicable
		Conditions of Approval for PD or rezoned property including the petition number
		Certification of Complete Submittal
		Wetland Delineation Letter (if applicable)
		*PDF Copy of all Plans and Paperwork on CD or Flashdrive*
