Search for Permits & Records

Search for Permits & Records

There are many options for searching information.

- General Search searches all system areas and returns results containing the search criteria entered and does not require logging in.
- Record Search searches the specific area for the search criteria entered. Generally, does not require logging in, however, searching and viewing Contractor License Records will require logging in. If you don't have one already, you can register for a free account.
- **My Records** searches records associated to the account holder and does require logging in.

Note: Although there are various types, a **Record** in HillsGovHub generally refers to all permit and license applications submitted.

General Search

1) Enter the search criteria in the **Search** box located at the top right-hand side of the page.

Note: Adding quotations around your search criteria may deliver more accurate results. For example, "123 Main St" instead of 123 Main St.
